Records of Elections and Town Meetings During the Year 1952

ANNUAL TOWN MEETING MARCH 3 and 17, 1952

WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said town on
MONDAY, THE THIRD DAY OF MARCH, 1952

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: A Selectman for three years; a member of the Board of Public Works for three years; one Assessor for three years; three members of the School Committee for three years; two members of the Planning Board for three years; one Park Commissioner for three years; one member of the Board of Health for three years; two Trustees of the Robbins Library for three years; one Cemetery Commissioner for three years; one Commissioner of the Sinking Fund for three years; one Trustee of the Pratt Fund for five years; one Trustee of the Pratt Fund for one year; one Trustee of the Edwin S. Farmer Poor Widows' Fund and Trustee of the Edwin S. Farmer Fund for Needy Persons for five years; one Trustee of the Francis E. Thompson Scholarship Fund for three years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, one such member for one year and five such members for three years; in Precinct 2, seven such members for three years; in Precinct 3, one such member for one year and four such members for three years; in Precinct 4, six such members for three years; in Precinct 5, five such members for three years; in Pre-

cinct 6, five such members for three years; in Precinct 7, six such members for three years and one such member for one year; in Precinct 8, six such members for three years, in Precinct 9, one such member for one year and five such members for three years; in Precinct 10, one such member for two years and six such members for three years; in Precinct 11, one such member for two years and six such members for three years; in Precinct 12, two such members for one year and seven such members for three years; in Precinct 13, one such member for one year and six such members for three years; in Precinct 14, one such member for two years and seven such members for three years, and to see if the Town will accept the provisions of Chapter 33 of the Acts of 1952 being "SHALL AN ACT PASSED BY THE GENERAL COURT IN THE YEAR NINETEEN HUNDRED AND FIFTY-TWO, ENTITLED 'AN ACT RELATIVE TO THE TENURE OF OFFICE OF THE PRESENT TREASURER OF THE TOWN OF ARLINGTON' BE ACCEPTED?"

For these purposes, the polls will be opened at seven o'clock A. M. and remain open until eight o'clock P. M., at each of the polling places designated, viz: Precinct One, in the Crosby School Building, entrance on Winter Street; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precincts Three and Five, in the Junior High School Building East, entrance on Tufts Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the Russell School Building; Precinct Seven, entrance on Medford Street; Precinct Nine, entrance on Mystic Street; Precincts Ten and Twelve, in the Cutter School Building, entrance on Robbins Road; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen, in the Locke School Building, entrance on Park Avenue, Heights.

You are, also, required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the seventeenth day of March, 1952, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subect to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the permanent committee under vote of the Town passed March 24, 1919, on the Town Yard; of the committee under vote of the Town passed April 1, 1940, to study the advisability of creating a central purchasing department; of the committee under vote of the Town passed March 24, 1944, on Advanced Programming and Budgeting; of the committee under vote of the Town passed March 15, 1946, to investigate, consider and recommend alterations, additions or other changes to the Building Code; of the committee under vote of the Town passed March 12, 1947, to procure plans and estimates for the construction of an elementary school building in the Mystic Street area; of the committee under vote of the Town passed October 4, 1950, on the Town Manager form of government; of the committee under vote of the Town passed October 9, 1950, on special compensation for town officers and employees; of the committee under

vote of the Town passed March 28, 1951, to consider, investigate and study the use of, or the disposal of, the Junior High School Industrial Arts Building; of the committee under vote of the Town passed March 28, 1951, to consider, investigate and study alterations, improvements or reconstruction of the present Russell School, or the construction of a new building, including furniture and equipment; of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Pervention Code for the town of Arlington; of the committee under vote of the Town passed March 28, 1951, to investigate and consider the advisability of the erection and maintenance of a central garage for Town vehicles; of the committee under vote of the Town passed April 9, 1951, for the purpose of making recommendations relative to the rules for government of Town Meetings, as contained in Article 2 of the Town's By-Laws and their clarity as guided by Robert's Rules of Order revised, (Seventy-fifth Anniversary Edition); of the committee under vote of the Town passed April 12, 1951, to consider, investigate and study the use of the building at the corner of Academy Street and Maple Street; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize, ratify and confirm the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accodrance with Chapter 500, Section 1, of the Acts of 1943, for: (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said hospital, including expenses under Section 25G (6) (a) of Chapter 32 of the General Laws inserted by Chapter 400 of the Acts of 1936; or take any action relating to said hospital or any other thing therein mentioned.

Article 5. To see if the Town will make an appropriation to be expended by the various departments of the Town under the "Plan for Special Compensation for Town Officers and Employees" as adopted under Article 11 of the 1951 Annual Town Meeting; determine in what manner such money shall be raised; or take any action relating thereto.

Article 6. To see if the Town will amend the Classification Plan, known as Schedule A, under Table I and Table II, of Article 7C, of the By-Laws, by adding and deleting the following classifications:

Assistant Inspector of Wires, Grade XV—to be added

Principal Account Clerk, Grade VI—to be added

Police Sergeant (when assigned as Inspector) Grade XVIII—to be added

Police Lieutenant (when assigned as Inspector) Grade XXII—to be added

Superintendent, Cemetery, Grade XV—to be deleted

(Inserted at the request of the Personnel Board)

Article 7. To see if the Town will amend the Classification Plan, known as Schedule A, under Table I and Table II, of Article 7C, of the By-Laws, by reallocating certain classifications to the salary grades as set forth in the following list:

Board of Selectmen — Veterans' Services

Director of Veterans' Services, Grade XV, reallocated to Grade XVII

Board of Cemetery Commissioners

Cemetery Foreman, Grade X, reallocated to Grade XV

Board of Public Works

Superintendent of Public Works, Grade XXIV, reallocated to Grade XXV

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will vote to amend Table I of Schedule A of the Classification Plan, and Table I of Schedule B of the Pay Plan as established by Article 7C of the By-Laws, by striking out the figures $3,827.50 in Grade XVI and substituting therefor the figures $3,917.50; and by striking out the words and figures Maximum — $5,670.00 in Grade XXV, and inserting in place thereof the words and figures Maximum — $6,000.00.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will vote to amend Table I of Schedule A of the Classification Plan, and Table I of Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by increasing all money figures contained therein by $208.00 annually, excluding Grade XXV; will appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will authorize the various departments of the Town to increase, by $208.00 annually, the basic salaries or wages of School Cafeteria Personnel and all classified full-time employees now receiving salaries or wages in excess of maximums as now established by said Classification and Pay Plan; will appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the Personnel Board & School Committee)

Article 11. To see if the Town will vote to amend Table 1 of Schedule A of the Classification Plan, and Table 1 of Schedule B of the Pay Plan, as established by Article 7C of the By-Laws by increasing any or all money figures contained therein; excluding Grade XXV; will

appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 12. To see if the Town will authorize the various departments of the Town to increase the basic salary or wages of school cafeteria personnel, elected full time employees and all classified employees now receiving salaries or wages now in excess of maximums as now established by said Classification and Pay Plan; will appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 13. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal of motor vehicles or other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 14. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 15. To see if the Town will vote to extend the Sewerage System of the Town to service a portion, part or the whole of Udine Street, Sylvia Street, Ortona Street, Avola Street and Appleton Street; make an appropriation for the use of the Board of Public Works for such extension and the construction thereof; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 16. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Public Works)

Article 17. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Public Works)

Article 18. To see if the Town will vote to extend the Storm Drain System of the Town to service a portion, part or the whole of Hemlock

Street and Pine Street; make an appropriation for the use of the Board of Public Works for such extension and the construction thereof; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 19. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Public Works)

Article 20. To see if the Town will make an appropriation for Repairs of Buildings at the Town Yard; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Public Works)

Article 21. To see if the Town will make an appropriation for the construction of permanent sidewalks and for the installing of edgestones in Summer Street and Forest Street; determine in what manner the money shall be raised; or take any action relating thereto.

Article 22. To see if the Town will make an appropriation for the construction of permanent sidewalks and for the installing of edgestones; determine in what manner the money shall be raised; or take any action relating thereto.

Article 23. To see if the Town will make an appropriation for maintaining, repairing and improving all or any part of the ways within the town; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or the County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 24. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Massachusetts Avenue, Medford Street and Pleasant Street, within the town as now existing or hereafter relocated, altered or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 25. To see if the Town will make an appropriation for the relocation, alteration, and widening, construction of, specific repairs upon and improvement of all or any parts of Park Circle and Park Avenue in its immediate vicinity, within the Town as now existing or hereafter relocated, altered or widened, including land damages, if any,

under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

(Inserted at the request of ten (10) registered voters)

Article 26. To see if the Town will make an appropriation for the construction of, specific repairs upon and improvements of all or any parts of Park Circle and Park Avenue within the town as now existing, including the construction of a walk over town land and land of the Metropolitan District Commission within the confines of Park Circle, and including the construction of permanent sidewalks and for the installing of edgestones, under the provisions of law authorizing the assessment of betterments; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 27. To see if the Town will accept the laying out of a Town way from Mystic Street to Mystic Street, substantially in the location of the private way known as Beverly Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assesment of betterments: establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Mystic Street and the northeasterly side line of Beverly Road, thence southerly and southeasterly on said northeasterly side line of Beverly Road on a curve to the left with a radius of 30 feet a distance of 47.12 feet to a point of tangency in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road a distance of 93.86 feet to a point of curve in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road on a curve to the right with a radius of 311.38 feet a distance of 283.75 feet to a point of tangency in said northeasterly side line of Beverly Road, thence continuing southeasterly on said northeasterly side line of Beverly Road a distance of 512.55 feet to a point of curve in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road on a curve to the right with a radius of 413.48 feet a distance of 193.10 feet to a point of compound curve in said northeasterly side line of Beverly Road, thence southerly, westerly and northwesterly on the southerly side line of Beverly Road on a curve to the right with a radius of 114. feet a distance of 290.49 feet to a point of reverse curve in said southerly side line of Beverly Road, thence northwesterly on the southwesterly side line of Beverly Road on a curve to the left with a radius of 1,532.84 feet a distance of 146.55 feet to a point of tangency in said southwesterly side line of Beverly Road, thence continuing northwesterly on said southwesterly side line of Beverly Road a distance of 457.66 feet

to a point of curve in said southwesterly side line of Beverly Road, thence northwesterly and westerly on said southwesterly side line of Beverly Road on a curve to the left with a radius of 170. feet a distance of 87.54 feet to a point of compound curve in said southwesterly side line of Beverly Road, thence westerly and southwesterly on said southwesterly side line of Beverly Road on a curve to the left with a radius of 30.43 feet a distance of 48.47 feet to the point of intersection of said southwesterly side line of Beverly Road and the easterly side line of Mystic Street, thence northeasterly on said easterly side line of Mystic Street on a curve to the left with a radius of 433.3 feet a distance of 66.47 feet to a point of tangency in said easterly side line of Mystic Street, thence northeasterly on said easterly side line of Mystic Street a distance of 46.52 feet to the point of intersection of said easterly side line of Mystic Street and the northeasterly side line of Beverly Road, thence southerly and southeasterly on said northeasterly side line of Beverly Road on a curve to the left with a radius of 50. feet a distance of 69.03 feet to a point of reverse curve in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road on a curve to the right with a radius of 210. feet a distance of 104.81 feet to a point of tangency in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road a distance of 457.66 feet to a point of curve in said northeasterly side line of Beverly Road, thence southeasterly on said northeasterly side line of Beverly Road on a curve to the right with a radius of 1572.84 feet a distance of 150.37 feet to a point of reverse curve in said northeasterly side line of Beverly Road, thence southeasterly, easterly and northeasterly on the northerly side line of Beverly Road on a curve to the left with a radius of 74. feet a distance of 188.565 feet to a point of compound curve in the southwesterly side line of Beverly Road, thence northerly and northwesterly on said southwesterly side line of Beverly Road on a curve to the left with a radius of 373.48 feet a distance of 174.42 feet to a point of tangency in said southwesterly side line of Beverly Road, thence northwesterly on said southwesterly side line of Beverly Road a distance of 512.55 feet to a point of curve in said southwesterly side line of Beverly Road, thence northwesterly on said southwesterly side line of Beverly Road on a curve to the left with a radius of 271.38 feet a distance of 247.30 feet to a point of tangency in said southwesterly side line of Beverly Road, thence northwesterly on said southwesterly side line of Beverly Road a distance of 93.86 feet to a point of curve in said southwesterly side line of Beverly Road, thence westerly and southwesterly on said southwesterly side line of Beverly Road on a curve to the left with a radius of 30 feet a distance of 47.12 feet to the point of intersection of said southwesterly side line of Beverly Road and the easterly side line of Mystic Street, thence northeasterly on said easterly side line of Mystic Street a distance of 100. feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass., both entitled "Plan and Profile of Part of Beverly Road, Arlington, Mass., As Petitioned For By Monadnock Realty Trust, Emil Fellman, Trustee, September 17, 1941, Scale Hor. 1 In.=40 Ft., Vert. 1 In.=6 Ft., Jos. Selwyn, Civil Engineer, 80 Gilbert Road, Belmont".

Article 28. To see if the Town will accept the laying out of a Town way from Bonad Road to High Haith Road, substantially in the location of the private way known as Shawnee Road, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and

Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Bonad Road and the southeasterly side line of Shawnee Road, thence northwesterly, westerly and southwesterly on said southeasterly side line of Shawnee Road on a curve to the left with a radius of 25 feet a distance of 33.01 feet to a point of tangency in said southeasterly side line of Shawnee Road, thence southwesterly on said southeasterly side line of Shawnee Road a distance of 136.13 feet to a point of curve in said southeasterly side line of Shawnee Road, thence southwesterly and westerly on said southeasterly side line of Shawnee Road on a curve to the right with a radius of 366.86 feet a distance of 248.22 feet to a point of tangency in said southeasterly side line of Shawnee Road, thence westerly on said southeasterly side line of Shawnee Road a distance of 82.54 feet to a point of curve in said southeasterly side line of Shawnee Road, thence westerly and southwesterly on said southeasterly side line of Shawnee Road on a curve to the left with a radius of 77.34 feet a distance of 44.38 feet to a point on said southeasterly side line of Shawnee Road, thence northwesterly across said Shawnee Road and on the easterly side line of High Haith Road a distance of 71 feet more or less to a point on the northwesterly side line of Shawnee Road, thence southeasterly and easterly on said northwesterly side line of Shawnee Road on a curve to the left with a radius of 62.71 feet a distance of 42.21 feet to a point of tangency in said northwesterly side line of Shawnee Road, thence easterly on said northwesterly side line of Shawnee Road a distance of 107.14 feet to a point of curve in said northwesterly side line of Shawnee Road, thence easterly and northeasterly on said northwesterly side line of Shawnee Road on a curve to the left with a radius of 326.86 feet a distance of 221.16 feet to a point of tangency in said northwesterly side line of Shawnee Road, thence northeasterly on said northwesterly side line of Shawnee Road a distance of 148.59 feet to a point of curve in said northwesterly side line of Shawnee Road, thence northeasterly, northerly and northwesterly on said northwesterly side line of Shawnee Road on a curve to the left with a radius of 25 feet a distance of 39.06 feet to the point of intersection of said northwesterly side line of Shawnee Road and the southwesterly side line of Bonad Road, thence southeasterly on said southwesterly side line of Bonad Road distances of 37.18 and 47.19 feet respectively, to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Shawnee Road, High Haith, Arlington, Horizontal Scale 40 Feet to an inch, Vertical Scale 6 Feet to an inch, Ernest W. Branch, Civil Engineer, Boston, Quincy."

Article 29. To see if the Town will accept the laying out of a Town way from Gardner Street to Sunnyside Avenue, substantially in the location of the private way known as Fremont Street, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing

the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Gardner Street and the northeasterly side line of Fremont Street, thence southwesterly, southerly and southeasterly on said northeasterly side line of Fremont Street on a curve to the left with a radius of 15 feet a distance of 19.38 feet to a point of tangency in said northeasterly side line of Fremont Street, thence southeasterly on said northeasterly side line of Fremont Street a distance of 514.96 feet to a point of curve in said northeasterly side line of Fremont Street, thence southeasterly, easterly and northeasterly on said northeasterly side line of Fremont Street on a curve to the left with a radius of 20 feet a distance of 44.28 feet to the point of intersection of said northeasterly side line of Fremont Street and the northwesterly side line of Sunnyside Avenue, thence southwesterly on said northwesterly side line of Sunnyside Avenue on a curve to the right with a radius of 127.44 feet a distance of 35.75 feet to a point of tangency in said northwesterly side line of Sunnyside Avenue, thence continuing southwesterly on said northwesterly side line of Sunnyside Avenue a distance of 63.28 feet to the point of intersection of said northwesterly side line of Sunnyside Avenue and the southwesterly side line of Fremont Street, thence northerly and northwesterly on said southwesterly side line of Fremont Street on a curve to the left with a radius of 25 feet a distance of 30.28 feet to a point of tangency in said southwesterly side line of Fremont Street, thence northwesterly on said southwesterly side line of Fremont Street a distance of 514.15 feet to a point of curve in said southwesterly side line of Fremont Street, thence northwesterly, westerly and southwesterly on said southwesterly side line of Fremont Street on a curve to the left with a radius of 25 feet a distance of 32.88 feet to the point of intersection of said southwesterly side line of Fremont Street and the southeasterly side line of Gardner Street, thence northeasterly on said southeasterly side line of Gardner Street distances of 55.85 and 29.70 feet respectively, to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan and Profile of Fremont Street, Arlington, Mass., A. C. Peters, Civil Engineer, 46 Cornhill, Boston, March, 1928, Scales Hor. 1″=40′, Ver. 1″=6′."

Article 30. To see if the Town will accept the laying out of a Town way from Mystic Street to Crosby Street, substantially in the location of the private way known as College Avenue, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Mystic Street and the southerly side line of College Avenue, thence northwesterly and westerly on said southerly side line of College Avenue on a curve to the left with a radius of 20 feet a distance of 31.49 feet to a point of tangency in said southerly side line of College Avenue, thence westerly on said southerly side line of College Avenue a distance of 154.14 feet to a point of curve in said southerly side line of College Avenue, thence westerly and southwesterly on said southerly side line of College Avenue on a curve to the left with a radius of 167.67 feet a distance of 94.38 feet to a point of tangency in said southerly line of College Avenue, thence southwesterly on said southerly side line of College Avenue a distance of 19.24 feet to a point of curve in said southerly side line of College Avenue, thence southwesterly and westerly on said southerly side line of College Avenue on a curve to the right with a radius of 356.44 feet a distance of 175.94 feet to a point of tangency in said southerly side line of College Avenue, thence southwesterly on said southerly side line of College Avenue a distance of 395.95 feet to a point of curve in said southerly side line of College Avenue, thence southwesterly and southerly on said southerly side line of College Avenue on a curve to the left with a radius of 25.19 feet a distance of 39.95 feet to the point of intersection of said southerly side line of College Avenue and the easterly side line of Crosby Street, thence northerly on said easterly side line of Crosby Street on a curve to the right with a radius of 675.17 feet a distance of 93.44 feet to the point of intersection of said easterly side line of Crosby Street and the northerly side line of College Avenue, thence southeasterly and easterly on said northerly side line of College Avenue on a curve to the left with a radius of 24.63 feet a distance of 41.72 feet to a point of tangency in said northerly side line of College Avenue, thence northeasterly on said northerly side line of College Avenue a distance of 391.58 feet to a point of curve in said northerly side line of College Avenue, thence northeasterly on said northerly side line of College Avenue on a curve to the left with a radius of 316.44 feet a distance of 156.20 feet to a point of tangency in said northerly side line of College Avenue, thence northeasterly on said northerly side line of College Avenue a distance of 19.24 feet to a point of curve in said northerly side line of College Avenue, thence northeasterly and easterly on said northerly side line of College Avenue on a curve to the right with a radius of 207.67 feet a distance of 116.89 feet to a point of tangency in said northerly side line of College Avenue, thence easterly on said northerly side line of College Avenue a distance of 154.46 feet to a point of curve in said northerly side line of College Avenue, thence northeasterly and northerly on said northerly side line of College Avenue on a curve to the left with a radius of 20 feet a distance of 31.34 feet to the point of intersection of said northerly side line of College Avenue and the westerly side line of Mystic Street, thence southerly on said westerly side line of Mystic Street a distance of 80.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk entitled "Plan and Profile of College Avenue, Arlington, Mass., Scales Horizontal 40′= 1″. Vertical 6′=1″, May, 1929, Whitman & Howard, Civil Engineers, 89 Broad Street, Boston".

Article 31. To see if the Town will accept the laying out of a Town way from Massachusetts Avenue to Paul Revere Road, substantially in the location of the private way known as Davis Road, as made and filed in the office of the Town Clerk by the Joint Board of Select-

men and Board of Public Works, under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southerly side line of Mass. Avenue and the southeasterly side line of Davis Road thence southwesterly on said southeasterly side line of Davis Road, a distance of 415.56 feet to the point of intersection of said southeasterly side line of Davis Road and the northwesterly side line of Paul Revere Road, thence northwesterly on said northeasterly side line of Paul Revere Road on a curve to the right with a radius of 778.90 feet a distance of 40.33 feet to the point of intersection of said northeasterly side line of Paul Revere Road and the northwesterly side line of Davis Road, thence northeasterly on said northwesterly side line of Davis Road a distance of 405.74 feet to the point of intersection of said northwesterly side line of Davis Road and the southerly side of Mass. Avenue, thence southeasterly on said southerly side of Mass. Avenue a distance of 42.12 feet to the point of beginning, as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled "Plan of Proposed Street in Arlington, Mass., from Massachusetts Avenue to Vine Street, Petitioned for by M. A. Davis, Scale 40′ & 6′=1″, May, 1898, H. S. Adams, C. E.

Article 32. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will make an appropriation to be expended under the Board of Public Works for the widening of the roadway and the reconstruction of the sidewalk and curbing of Pleasant Street, from Swan Street to Massachusetts Avenue; determine in what manner the money shall be raised; or take any action relating thereto.

Article 35. To see if the Town will vote to sell, convey or otherwise dispose of a certain parcel of land located on Mystic Street, hereinafter described; or take any action relating thereto.

Said parcel of land is bounded and described as follows:

Beginning at a point on the westerly sideline of Mystic Street, said point being 160.87 feet southerly from the point of curve at the northerly intersection of Mystic Street and Old Mystic Street, thence southerly along said westerly sideline of Mystic Street a distance of 411.2 feet to the point of intersection of the said westerly sideline of Mystic Street and the northerly property line of Lot Pt. 4, thence southwesterly along the northerly property lines of Lot Pt. 4 and Lot 5 a distance of 347.17 plus or minus feet to a point on the easterly sideline of Old Mystic Street, thence northerly and northeasterly on a curve to the right with a radius of 252.67 feet a distance of 195.87 plus or minus feet to a point of tangency on said easterly sideline of Old Mystic Street, thence continuing northeasterly on said easterly sideline of Old Mystic Street a distance of 39.82 feet to a point of curve on said easterly side line of Old Mystic Street, thence northerly and norhwesterly on a curve to the left with a radius of 472.67 feet a distance of 361.31 feet to a point on said easterly side line of Old Mystic Street, thence easterly along the southerly property line of the premises at #442 Mystic Street, a distance of 79.55 feet to the point of beginning containing 89,450 square feet area, all as shown on block plans 77 and 78 on file in the office of the Town Engineer, Arlington, Massachusetts.

Article 36. To see if the Town will vote to sell, convey or otherwise dispose of a certain parcel of land located at the corner of Forest Street and Summer Street, hereinafter described; or take any action relating thereto.

Said parcel of land is bounded and described as follows:

Beginning at a point on the southwesterly sideline of Summer Street, said point being a distance of 42.38 feet from a stone bound at the intersection of the southwesterly sideline of Summer Street and the northwesterly sideline of Thorn Road, thence southeasterly and southerly on a curve to the right with a radius of 740.36 feet a distance of 226.30 feet to a point of tangency on said southwesterly sideline of Summer Street, thence continuing along said southwesterly sideline of Summer Street S 11° - 36′ - 42″ E a distance of 23.33 feet to a point of curve on said southwesterly side line of Summer Street, thence southerly and southwesterly on a curve to the right with a radius of 213.38 feet a distance of 195.83 feet to a point of tangency on the northwesterly side line of Forest Street, thence S 40° - 45′ - 27″ W along the said northwesterly side line of Forest Street, a distance of 129.50 feet to an angle point on the said northwesterly side line of Forest Street, thence continuing S 62° - 36′ - 21″ W along the said northwesterly side line of Forest Street a distance of 167.47 feet to a point on said northwesterly side line of Forest Street, thence turning and running N 50° - 19′ - 09″ W a distance of 181.12 feet to an angle point, thence running N 50° - 33′ - 35″ W a distance of 80.31 feet to a point on the northeasterly property line of Lot 18, thence turning and running N 45° - 55′ - 51″ E a distance of 94.70 feet to an angle point, thence running N 43° - 18′ - 21″ E a distance of 187.12 feet to an angle point, thence running N 42° - 31′ - 21″ E a distance of 134.41 feet to an angle point, thence running N 41° - 28′ - 21″ E a distance of 165.95 feet to the point of beginning and containing 3.48 acres all as shown on a plan entitled "Plan of Land in Arlington,

Mass., Owned by Charles A. Peirce, Scale 1″=40′, Jan. 3, 1918, Geo. E. Ahern, Town Engineer, Prepared for Commission on School House Sites, on file in the office of the Town Engineer, Arlington, Mass.

Article 37. To see if the Town will appropriate a sum of money to be added to that appropriated under Article 54 of the 1946 Annual Town Meeting for the purpose of erecting an addition or additions to the present Robbins Memorial Town Hall and the alteration or reconstruction of the present interior of said Robbins Memorial Town Hall to provide for the rearrangement of Town Departmental quarters; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing.

Article 38. To see if the Town will acquire by purchase, eminent domain or otherwise, for municipal purposes or off-street parking purposes, all or any portion of the land within the Town hereinafter described, any interests or easements therein, and any rights or easements of ways or otherwise as appurtenant thereto, and subject to or with any reservations of any rights or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

Said land is bounded and described as follows:

Beginning at a point on the northerly side line of Mass. Avenue, said point being 115.0 feet from the intersection of the northerly side line of Mass. Avenue and the easterly side line of Central Street, thence easterly along said northerly side line of Mass. Avenue, a distance of 89.50 feet to a point on said northerly side line of Mass. Avenue, thence northeasterly along the northwesterly property line of land belonging to the Arlington Cooperative Bank and the United States Government a distance of 128.74 feet to a point, thence northwesterly along the southwesterly property line of land belonging to the United States Government a distance of 88.71 feet to a point on the southeasterly property line of land owned by the town of Arlington, thence southwesterly along said southeasterly property line of the town of Arlington and other land abutting Mass. Avenue a distance of 136.75 feet to the point of beginning being Lot A and containing 11,803 square feet area all as shown on block plan 51 on file in the office of the Town Engineer, Arlington, Mass.

Article 39. To see if the Town will vote to appoint a committee of five persons for the purpose of investigating, considering and making recommendations for the purchase or taking by eminent domain or otherwise of a suitable site for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; said committee to report at the next Special Town Meeting, if any, but not later than the Annual Town Meeting of 1953; appropriate a sum of money for the use of said committee; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee on Central Garaging)

Article 40. To see if the Town will authorize the establishment of a Central Purchasing Department and the appointment of a Central Purchasing Agent plus the necessary clerk, or clerks, by the Board of Selectmen; said department personnel to be under the supervision of the Board of Selectmen; make an appropriation for such establishment; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Central Purchasing Department Committee)

Article 41. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1952, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 42. To see if the Town will make an appropriation for the use of the "Committee on Advanced Programming and Budgeting"; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 43. To se if the Town will transfer the sum of One Thousand Dollars ($1,000.00) from (Mt. Pleasant Cemetery) Sale of Lots and Graves Fund, to the Cemetery Commissioners for the purchase of cemetery lots.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 44. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of a committee of six to be appointed by the Moderator to include one member of the School Committee and the Superintendent of Schools, for the purpose of making repairs, replacements, alterations, or other reconstruction work necessary to modernize the Russell School, including furniture and equipment; to determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of the School Committee)

Article 45. To see if the Town will vote to amend the first sentence of the first paragraph of Section 2, of Article 7A of the By-Laws, by striking out the words "Two Hundred Dollars" and inserting in place thereof the words "Four Hundred Dollars" so that it shall read:

> In all contracts or purchases made by any department, board or committee, where the cost exceeds Four Hundred Dollars, competitive bids shall be obtained as hereinafter provided.

Article 46. To see if the Town will vote to amend Article 12 of the By-Laws by inserting after Section 3, a section to be known as Section 3A, and to read:

> Section 3A. Peeping Tom. No person shall, not being an officer of the law acting in the performance of his legal duty, enter upon any premises in Arlington with the inten-

tion of peeping into any dwelling or spying upon any person therein.

Article 47. To see if the Town will adopt the following resolution and instruct the Board of Selectmen to inform the proper authorities of its adoption by the Town; or take any action relating thereto.

RESOLVED: That, inasmuch as the American people, having in the Hoover Report a complete blueprint for better government at a better price, the Nation's Chief Executive and those who represent our Commonwealth in the Congress of the United States be instructed to take the immediate action necessary to effectuate the remainder of the Hoover Commission's recommendations in order that we may have a more orderly, responsible and economical administration of government.

Article 48. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the town during the Christmas Holiday Season; determine in what manner the funds shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 49. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Board of Trustees of Robbins Library for the enlargement, alterations, improvements and reconstruction of the present East Arlington Branch of the Robbins Library, for the purpose of providing for additional library facilities in East Arlington, and to provide furniture, equipment, lighting and other facilities for the said East Arlington Branch Library; determine in what manner the money shall be raised, or take any action relating to any or all of the foregoing.

(Inserted at the request of the Trustees of Robbins Library)

Article 50. To see if the Town will acquire by purchase, eminent domain, or otherwise, for the purpose of a public playground or recreation center, the parcel of land hereinafter described, any portion thereof, any interest of easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; determine by whom the powers conferred by Section 14 of Chapter 45 of the General Laws shall be exercised; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing.

Said land is bounded and described substantially as follows:

Beginning at a point on the proposed northwesterly side line of Stowecroft Road at the northeasterly boundary line of land of Town of Arlington taken for school purposes, thence northwesterly by said

land of Town of Arlington taken for school purposes a distance of 307.72 feet to an angle point, thence N 26° - 07′ - 00″ E by said land of Town of Arlington and by land now or formerly of the General Construction Co., Inc. a distance of 463.70 feet, to land now or formerly of John Gomatos et al, thence southeasterly by land now or formerly of John Gomatos et al, a distance of 147.9 feet more or less to a point at the division line between land now or formerly of John Gomatos et al and land now or formerly of Daisy A. Crosby, thence continuing southeasterly by land now or formerly of Daisy A. Crosby, a distance of 290 feet more or less to the proposed northwesterly side line of Stowecroft Road, thence southwesterly on said proposed northwesterly side line of Stowecroft Road, and on a line 260 feet northwesterly of, concentric with and parallel to the northwesterly side line of Mystic Street, a distance of 365 feet more or less to the point of beginning and containing approximately 158,100 square feet as shown on plans on file in the office of the Town Engineer, Arlington, Mass.

(Inserted at the request of the Board of Park Commissioners)

Article 51. To see if the Town will vote to accept the provisions of Section 17A of Chapter 180 of the General Laws (Tercentenary Edition) entitled "PAYROLL DEDUCTIONS ON ACCOUNT OF UNION DUES"; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 52. Shall the town accept and approve the bill now before the legislature and which is known as S 450 An act establishing a town manager form of government for the Town of Arlington?

(Inserted at the request of ten (10) registered voters)

Article 53. To see if the Town will appoint a committee to investigate and study measures for child safety and traffic control; make an appropriation for the use of said committee; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 54. To see if the Town will vote that the Selectmen direct the Town Counsel to obtain releases or other instruments of law from heirs of Hattie F. Hornblower, relating to land, buildings, and-or structures contained on Town property known as Spy Pond Athletic Field, as described in Deed dated December 25, 1909, and in addition, land purchased by the Town October 30, 1937, being contiguous to land originally accepted by town meeting held March 28, 1910; that all the above mentioned being now under control of the School Department, shall be immediately upon receipt of aforementioned releases, be transferred to the Park Department, for maintenance and administration of all playground activities, etc.

(Inserted at the request of ten (10) registered voters)

Article 55. To see if the Town will appoint a committee to investigate and consider the Pennsylvania Real Estate Tax Plan, known as the Pittsburgh Plan and its recent extension as it may apply to the

town of Arlington; make an appropriation for use of said committee; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 56. To see if the Town will amend the existing Town By-Laws by adding the following Section:

No town meeting member shall participate in any mattters to be considered under the Warrant when such town meeting member has a direct pecuniary interest therein.

(Inserted at the request of ten (10) registered voters)

Article 57. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington, determine in what manner the money shall be raised and expended or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 58. To see if the Town will authorize taking a sum of money voted for the appropriations heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to that amount in the determination of the 1952 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington, this twenty-first day of January, in the year of our Lord one thousand nine hundred and fifty-two.

MARCUS L. SORENSEN
EDMUND L. FROST
WALTER T. KENNEY
} BOARD OF SELECTMEN OF THE TOWN OF ARLINGTON

A true copy.

Attest:

FRANK K. NICKSAY,
Constable, Town of Arlington.

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, **Feb. 27, 1952**

By virtue of this warrant I have noticed and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the town previous to the day of the meeting for the election of officers and by posting an attested copy of said warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

FRANK K. NICKSAY

Constable of the Town of Arlington,

Massachusetts

ANNUAL TOWN ELECTION, MARCH 3, 1952

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in their respective polling places in said Town on Monday, March 3, 1952, at seven o'clock in the forenoon.

The Town Clerk and Registrars of Voters, upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results, as follows:

Total of Ballots Cast — 5,560

PRECINCT FOURTEEN—TWO YEARS

Term Expires—1954

Christopher J. Cammarata, 66 Sylvia Street	161
*Lawrence D. Toomey, 395 Appleton Street	464
Blanks	116

*Elected

**Vacancy arising from failure of registered voters to elect, by reason of tie vote for the seventh place, to be filled, until the next annual election, by the remaining members of the precinct from among the registered voters thereof, in accordance with Section 9 of Chapter 43A of the General Laws.

All ballots, used and unused, voting lists, total vote sheets, and all other records pertaining to the election, properly signed and sealed, were delivered to the Town Clerk to be preserved by him during the time required by law.

The persons declared elected town officers and town meeting members were notified as required by the General Laws.
A true record,

ATTEST:

JAMES J. GOLDEN,

Town Clerk.

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in the Town at the close of registration on February 12, 1952, was forwarded to the Secretary of the Commonwealth.

The result of the count of the votes cast at the Town Election was forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

ANNUAL TOWN MEETING, MARCH 17, 1952

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers, as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 17, 1952, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Notices were received by the Town Clerk from the Chairmen and Clerks of Precincts 8, 13 and 14, respectively, of meetings held on March 17 and of the election to fill Town Meeting vacancies, as follows:

Clarence Richmond, 47 Bailey Road, to fill vacancy in Precinct 8, until the next annual election, caused by the resignation of Paul H. Spiers, Jr., whose term expires in 1953.

Albert A. Beauchemin, 71 Park Avenue Extension, to fill vacancy in Precinct 13, until the next annual election, caused by the removal from the Precinct of William S. Craig, whose term expires in 1953.

Joseph DiSilva, 238 Wachusett Avenue, to fill vacancy in the full number of town meeting members from Precinct 14, until the next annual election, arising from the failure to elect, by reason of a tie vote for the seventh place, at the town election.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred fifty-four (254) town meeting members qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred eleven (211) members and eleven (11) members-at-large attended the meeting.

Philip H. Burt, stenographer, was sworn by the Town Clerk to the faithful performance of his duties.

The meeting was called to order at 8:10 o'clock P.M., by the Moderator, Mr. Harold E. Magnuson, who declared a quorum present.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca, trumpeter, and Mr. Walter E. Russell, pianist, both of the School Department, and prayer offered by Rev. Nathan W. Wood, Minister of the First Baptist Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Selectman Frost, permission was granted by general consent for Mr. Kenney of the Board of Selectmen; Mr. Nicksay, Secretary of the Board of Selectmen; Messrs. Greeley and O'Neill of the Board of Public Works; Messrs. Sampson and Hauser of the Board of Assessors; Mr. Wells, Executive Secretary of the Board of Assessors; Mr. Henderson of the Board of Park Commissioners; Mr. McFadden, Director of Civil Defense; Messrs. Flynn and Mansfield of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Dunn, Flett, Daniels, Halpin, Farrow and Driscoll of the Finance Committee; Mr. Smith, Executive Secretary of the Finance Committee, and Mr. Hamlet, Town Counsel, to sit within the town meeting enclosure.

The Town Clerk read the call for the meeting and the Constable's return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Frost, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday, March 19, 1952, at 8 o'clock.

On motion of Selectman Frost, duly seconded, it was

VOTED: That Article 2 be taken up.

Article 2. (Choice of other Town Officers.)

On motion of Selectman Frost, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

Horace W. Peirce, 38 Bailey Road

William C. Scannell, 14 Marion Road

There being no further business unnder Article 2, the Moderator declared it disposed of.

On motion of Selectman Frost, duly seconded, it was

VOTED: That Article 3 be taken up.

Article 3. (Reports of Selectmen, other Town Officers and Committees.)

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be received.

George A. Harris presented the report of the committee appointed to study the advisability of creating a central purchasing department and, on motion duly made and seconded, it was

VOTED: That the report be received.

George A. Harris presented the report of the Committee on Rules for Government of Town Meetings and, on motion duly made and seconded, it was

VOTED: That the report be received.

Malcolm H. Masters presented the report of the committee appointed to consider, investigate and study the use of, or the disposal of the wooden building at the corner of Irving and Academy Streets, known as the Junior High School Industrial Arts, and, on motion duly made and seconded, it was

VOTED: That the report be received.

Ascher H. Shapiro presented the report of the committee appointed to consider, investigate and study the use of the building at the corner of Academy and Maple Sreets, and, on motion duly made and seconded, it was

VOTED: That the report be received and the committee be discharged.

William A. Barnstead presented the report of the committee appointed to investigate and consider the advisability of the erection and maintenance of a central garage for Town vehicles, and, on motion duly made and seconded, it was

VOTED: That the report be received.

On motion of Hallam T. Ring, duly seconded, it was

VOTED: That the report of the Committee on Advanced Programming and Budgeting in its printed form, as available to all Town Meeting members, be now received.

James C. Doyle presented the report of the Committee on the Town Manager Form of Government, and, on motion duly made and seconded, it was

VOTED: That the report be received.

Joseph Peterson presented the report of the Town Hall Building Committee, and, on motion duly made and seconded, it was

VOTED: That the report be received.

John H. Allison presented the report of the committee appointed to consider, investigate and study alterations, improvements or reconstruction of the present Russell School, or the construction of a new building, including furniture and equipment, and, on motion duly made and seconded, it was

VOTED: That the report be received.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant, unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Assessment for County Hospital.)

On motion duly made and seconded, it was

VOTED: That payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accordance with Chapter 500, Section 1, of the Acts of 1943 for: (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor, in accordance with sections of Chapter 111 of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said hospital, including expenses under section 25G (6) (a) of Chapter 32 of the General Laws, inserted by Chapter 400 of the Acts of 1936; be and hereby is authorized, ratified and confirmed.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Plan for Special Compensation for Town Officers and Employees.)

On motion duly made and seconded, it was unanimously

VOTED: That the sum of One Hundred and twenty-five thousand ($125,000.00) Dollars be and hereby is appropriated to be expended by the various departments of the Town under the "Plan for Special Compensation for Town Officers and Employees" as adopted under Article 11 of the 1951 Annual Town Meeting; said sum to be raised by general tax.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Amendment of Town By-Laws—Classification Plan.)

On motion duly made and seconded, it was

VOTED: That the Classification Plan, known as Schedule A, under Table I and Table II, of Article 7C of the By-Laws, be and hereby is amended by adding and deleting the following classifications:

Assistant Inspector of Wires, Grade XV—to be added

Principal Account Clerk, Grade VI—to be added

Police Sergeant (when assigned as Inspector) Grade XVIII—to be added

Police Lieutenant (when assigned as Inspector) Grade XXII—to be added

Superintendent, Cemetery, Grade XV—to be deleted

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws—Classification Plan.)

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the Classification Plan known as Schedule A, under Table I and Table II, of Article 7C of the By-Laws, be and hereby is amended as follows:

Board of Selectmen—Veterans Services

Director of Veterans' Services, Grade XV, be reallocated to Grade XVII

Board of Cemetery Commissioners

Cemetery Foreman, Grade X, be reallocated to Grade XV

Board of Public Works

Superintendent of Public Works, Grade XXIV, be reallocated to Grade XXV

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws—Classification and Pay Plan.)

On the substitute motion of M. Norcross Stratton of the Personnel Board to amend the motion of the Finance Committee, which was seconded and, after discussion, was declared by the Moderator to have carried on a standing vote, 160 in favor, 52 opposed, it was

VOTED: That Table I of Schedule A of the Classification Plan, and Table I of Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, be and hereby is amended as follows:

In Grade XVI, by striking out the figures $3827.50 and substituting therefor the figures $3917.50;

In Grade XXV, by striking out the words and figures Maximum—$5670.00, and inserting in place thereof the words and figures

Maximum—$6,000.00.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws—Classification Plan and Pay Plan.)

On the substitute motion of M. Norcross Stratton of the Personnel Board to amend the motion of the Finance Committee, which was seconded and, following extended discussion, was declared by the Moderator to have carried on a roll call vote, 128 in favor, 90 opposed, it was

VOTED: That Table I of Schedule A of the Classification Plan, and Table I of Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, be and hereby is amended, by increasing all money figures contained therein by $208.00 annually, excluding Grade XXV; and for this purpose the sum of $112,536.00 be and hereby is appropriated; to be raised by general tax and expended by the various departments affected.

There being no further business under Article 9, the Moderator declared it disposed of.

At this point, a recess was taken from 10:30 to 10:37 P.M.

Article 10. (Increase—Salaries or Wages.)

On the substitute motion of M. Norcross Stratton of the Personnel Board to amend the motion of the Finance Committee, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That the various departments of the Town be and hereby are authorized to increase by $208.00 annually the basic salaries or wages of School Cafeteria personnel and all classified full-time employees now receiving salaries or wages in excess of the maximums as now established by said Classification and Pay Plan; and for this purpose the sum of $11,640.00 be and hereby is appropriated; to be raised by general tax and expended by the various departments affected.

There being no further business under Article 10, the Moderator declared it disposed of.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting was declared adjourned by the Moderator at 10:50 P.M., Monday, March 17, 1952, until Wednesday, March 19, 1952, at 8:00 P.M.

A true record,

ATTEST:

JAMES J. GOLDEN
Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 19, 1952

Pursuant to the vote of adjournment of March 17, 1952, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 19, 1952, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

A notice was received by the Town Clerk from the Chairman and Clerk of Precinct 11 of a meeting held on March 19 and of the election to fill a Town Meeting vacancy, as follows:

Henry P. Mason, 11 Orlando Avenue, to fill the vacancy in Precinct 11, until the next annual election, caused by the resignation of Patrick Donnelly, whose term expires in 1953.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred fifty-five (255) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred eighty-eight (188) members and thirteen (13) members-at-large attended the meeting.

The meeting was called to order by the Moderator, Mr. Harold E. Magnuson, at 8:10 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rev. Edward R. Kenealy, Curate of St. Agnes' Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

On motion of Selectman Frost, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 24, 1952, at 8 o'clock.

Article 11. (Amendment of Town By-Laws—Classification Plan and Pay Plan.)

On the substitute motion of J. Howard Hayes of the Finance Committee to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have unanimously carried on a voice vote, it was unanimously

VOTED: That no action be taken under Article 11.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Increase—Salaries or Wages.)

On the substitute motion of J. Howard Hayes of the Finance Committee to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have unanimously carried on a voice vote, it was unanimously

VOTED: That no action be taken under Article 12.

There being no further business under Article 12, the Moderator declared it disposed of.

On motion of Roscoe O. Elliott, Chairman of the Trustees of Robbins Library, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting was declared adjourned by the Moderator at 10:50 P.M., Wednesday, March 19, 1952, until Monday, March 24, 1952, at 8:00 P.M.

A true record,

ATTEST:

JAMES J. GOLDEN
Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 24, 1952

Pursuant to the vote of adjournment of March 19, 1952, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 24, 1952, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

A notice was received by the Town Clerk from the Chairman and Clerk of Precinct 12 of a meeting held on March 24 and of the election to fill a Town Meeting vacancy, as follows:

Charles W. Blackmon, 15 Linden Street, to fill vacancy in Precinct 12, until the next annual election, caused by the resignation of Watson W. Greenfield, whose term expires in 1953.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred fifty-five (255) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred eighty-seven (187) members and thirteen (13) members-at-large attended the meeting.

The meeting was called to order by the Moderator, Mr. Harold E. Magnuson, at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rabbi Herman H. Rubenowitz of Arlington, Rabbi Emeritus of Mishkan Tefila.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

Mr. Frost, Chairman of the Board of Selectmen, presented the following resolution on the demise of Right Reverend Matthew J. Flaherty, former Pastor of St. Agnes' Church, which was adopted by a unanimous standing vote:

IN MEMORIAM

By the death on March 20, 1952, of Right Reverend Matthew J. Flaherty, the Town of Arlington has lost one of its foremost citizens.

Monsignor Flaherty had served as Pastor at St. Agnes' Church from 1914 until his retirement in 1951, for a total of thirty-seven years.

During these many years, in addition to devoted service to his chosen calling, he made outstanding contributions to the civic welfare of the entire town. He was a distinguished leader in every worthwhile enterprise for the betterment of Arlington.

In the death of Monsignor Flaherty the town has suffered the loss of a great and good friend.

We sincerely mourn his passing. Therefore: Be it resolved that this Memorial be inscribed upon the records of our Town Meeting this twenty-fourth day of March, 1952, and that the Town Meeting Members stand for a moment of silent tribute to the memory of Monsignor Flaherty.

Edmund L. Frost
Walter T. Kenney
Marcus L. Sorensen

BOARD OF SELECTMEN

On motion of Selectman Frost, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 26, 1952, at 8 o'clock.

Article 13. (Town Outlays and Expenses.) (Resumed)

The Moderator announced that all the budget items under Article 13 had been voted upon before the meeting was adjourned on Wednesday evening but that the article was not declared disposed of, and inquired if there was any further businenss under Article 13.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was unanimously

VOTED: That Article 13 be laid on the table.

Article 14. (Treasurer: Power to Borrow.)

On motion duly made and seconded, after the Moderator had stated that the date "1952" as it appears in the Warrant will be treated as a typographical error and is intended to mean "1953", it was unanimously

VOTED: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1953, in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1953.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Extension of Sewerage System—Udine Street Area.)

On the substitute motion of J. Howard Hayes of the Finance Committee to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That the sum of ten thousand eight hundred ($10,800) dollars be and hereby is appropriated for the extension of the sewerage system of the Town to service a portion, part or the whole of Udine Street, Sylvia Street, Ortona Street, Avola Street and Appleton Street; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Extension of Sewerage System.)

On motion duly made and seconded, it was

VOTED: That the sum of forty-five thousand (45,000) dollars be and hereby is appropriated for the extension of the Sewerage System; said sum to be raised by general tax and expended under the direction of the Board of Public Works substantially as follows:
Extension of Sewers (including Tools and Equipment).

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Extension of Water Mains.)

On motion duly made and seconded, it was

VOTED: That the sum of fifty five thousand (55,000) dollars be and hereby is appropriated for the extension of water mains, said sum to be raised by general tax and expended under the direction of the Board of Public Works substantially as follows:
Laying and relaying water mains of not less than six inches in diameter (including Tools and Equipment.)

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Extension of Storm Drains—Hemlock Street and Pine Street.)

On motion duly made and seconded, it was

VOTED: That the sum of two thousand (2,000) dollars be and hereby is appropriated for the extension of the Storm Drain System to service a portion, part or the whole of Hemlock Street and Pine Street; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Extension of Storm Drains.)

On motion duly made and seconded, it was

VOTED: That the sum of forty five thousand (45,000) dollars be and hereby is appropriated for the extension of storm drains in the year 1952; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Repairs of Buildings—Town Yard.)

On motion duly made and seconded, it was

VOTED: That the sum of ten thousand (10,000) dollars be and hereby is appropriated for the purpose of making necessary repairs to the Buildings at the Town Yard; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 21. (Sidewalks and Edgestones—Summer Street and Forest Street.)

On motion duly made and seconded, it was

VOTED: That the sum of ten thousand (10,000) dollars be and hereby is appropriated for the construction of permanent sidewalks and for the installing of edgestones in Summer Street and Forest Street; said sum to be raised by general tax and expended under the direction of the Joint Board of Selectmen and Board of Public Works.

There being no further business under Article 21, the Moderator declared it disposed of.

Article 22. (Sidewalks and Edgestones.)

On motion duly made and seconded, it was

VOTED: That the sum of twenty thousand (20,000) dollars be and hereby is appropriated for the construction of permanent sidewalks and for the installing of edgestones in the year 1952; said sum to be raised by general tax and expended under the direction of the Joint Board of Selectmen and Board of Public Works.

There being no further business under Article 22, the Moderator declared it disposed of.

Article 23. (Maintenance of Town Ways—Chapter 90 Roads.)

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 23 of the Warrant.

There being no further business under Article 23, the Moderator declared it disposed of.

Article 24. (Reconstruction of Streets.)

On motion duly made and seconded, it was

VOTED: That the sum of sixteen thousand (16,000) dollars be and hereby is appropriated for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Massachusetts Avenue, Medford Street and Pleasant Street, within the Town, as now existing or hereafter relocated, altered or widened, including land damages, if any, under the law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose of purposes; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Reconstruction of Streets—Park Circle and Park Avenue.)

On motion of George A. Harris, duly seconded, it was

VOTED: That Article 25 be laid on the table.

Article 26. (Reconstruction of Streets—Sidewalks and Edgestones —Park Circle and Park Avenue.)

On the substitute motion of George A. Harris to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That the sum of six thousand (6,000) dollars be and hereby is appropriated for the construction of, specific repairs upon and improvements of all or any parts of Park Circle and Park Avenue, within the town as now existing, including the construction of a walk over town land and land of the Metropolitan District Commission within the confines of Park Circle, and including the construction of permanent sidewalks and the installing of edgestones, under the law authorizing the assessments of betterments or otherwise; said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 26, the Moderator declared it disposed of.

Article 25. (Reconstruction of Streets—Park Circle and Park Avenue.) (Resumed.)

On motion of George A. Harris, duly seconded, it was

VOTED: That Article 25 be taken from the table.

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 25 of the Warrant.

There being no further business under Article 25, the Moderator declared it disposed of.

Article 27. (Laying Out of Beverly Road.)

Following discussion, on motion of Charles P. Bridges, duly seconded, it was

VOTED: That Article 27 be laid on the table.

Article 28. (Laying Out of Shawnee Road.)

On motion duly made and seconded, and declared by the Moderator to have carried on a standing vote, 174 in favor, 3 opposed, it was

VOTED: That the laying out of a town way from Bonad Road to High Haith Road, substantially in the location of the private way known as Shawnee Road, as more particularly described in Article 28 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Laying Out of Fremont Street.)

On motion duly made and seconded, it was unanimously

VOTED: That the laying out of a town way from Gardner Street to Sunnyside Avenue, substantially in the location of the private way known as Fremont Street, as more particularly described in Article 29 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Laying Out of College Avenue.)

On motion duly made and seconded, it was unanimously

VOTED: That the laying out of a town way from Mystic Street to Crosby Street, substantially in the location of the private way known as College Avenue, as more particularly described in Article 30 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 30, the Moderator declared it disposed of.

Article 27. (Laying Out of Beverly Road.) (Resumed.)

On motion of Charles P. Bridges, duly seconded, it was

VOTED: That Article 27 be taken from the table.

On motion duly made and seconded, it was unanimously

VOTED: That the laying out of a town way from Mystic Street to Mystic Street, substantially in the location of the private way known as Beverly Road, as more particularly described in Article 27 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 31. (Laying Out of Davis Road.)

Following discussion, a standing vote was taken, 109 in favor, 66 opposed, and the motion of the Finance Committee as printed in its report, lacking a two-thirds vote, as required by statute, was declared lost by the Moderator.

There being no further business under Article 31, the Moderator declared it disposed of.

Article 32. (For Construction of Ways.)

On the substitute motion of J. Howard Hayes of the Finance Committee to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was unanimously

VOTED: That the sum of one hundred twenty-two thousand six hundred twenty-four and 57/100 (122,624.57) dollars be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting, including land damages, and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of twenty-two thousand six hundred twenty-four and 57/100 (22,624.57) dollars be raised by general tax, and for the balance one hundred thousand (100,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the said sum of one hundred thousand (100,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Sectin 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than ten (10) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further that the said sum of one hundred twenty-two thousand six hundred twenty-

four and 57/100 (122,624.57) dollars be expended under the direction of the Board of Public Works, substantially as follows:

Beverly Road	(Article 27)	$ 50,967.93
Shawnee Road	(Article 28)	17,951.25
Fremont Street	(Article 29)	16,203.97
College Avenue	(Article 30)	37,501.42
		$122,624.57

Frederick Stanley Glynn, Jr. served notice of intention to move to reconsider the votes under Articles 31 and 32 of the Warrant.

(See amended votes at adjourned meeting of March 31, 1952.)

There being no further business under Article 32, the Moderator declared it disposed of.

Article 33. (Easements in Land.)

On motion duly made and seconded, it was unanimously

VOTED: That the Joint Board of Selectmen and Board of Public Works be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in land adjoining the location of ways, the laying out of which is accepted at this meeting, consisting of the right to have the land of said location protected by having the surface of such adjoining land slope from the boundaries of said locations; that for this purpose the sum of five hundred (500) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of said Joint Board.

There being no further business under Article 33, the Moderator declared it disposed of.

Article 34. (Widening of Roadway, Etc.—Pleasant Street.)

On motion duly made and seconded, it was

VOTED: That the sum of two thousand five hundred (2,500) dollars be and hereby is appropriated for the purpose of widening the roadway and the reconstruction of the sidewalk and curbing of Pleasant Street, from Swan Street to Massachusetts Avenue, said sum to be raised by general tax and expended under the direction of the Board of Public Works.

There being no further business under Article 34, the Moderator declared it disposed of.

Article 35. (Sale of Land Owned by Town—Mystic Street.)

Following discussion, on motion of George A. Harris, duly seconded, it was

VOTED: That Article 35 and the motion of the Finance Committee as printed in its report, together with the substitute motion of Joseph S. Vahey to amend, be laid on the table.

At this point, a recess was taken from 10 o'clock to 10:10 P.M.

Article 36. (Sale of Land Owned by Town—Forest Street and Summer Street.)

On motion duly made and seconded, and declared by the Moderator to have carried on a standing vote, 175 in favor, 1 opposed, it was

VOTED: That the Board of Selectmen be and hereby is authorized and empowered to sell and convey the right, title and interest of the Town of Arlington in and to that certain parcel of land located at the corner of Forest Street and Summer Street, as more particularly described in Article 36 of the Warrant for the 1952 Annual Town Meeting, at either Public Auction or under sealed bids, at a minimum price of Eight Thousand ($8,000.00) Dollars and upon such terms and conditions as said Board of Selectmen may deem advisable for the best interests of the Town; and that the Board of Selectmen be and hereby is authorized and empowered in the name of the Town of Arlington to execute and affix the corporate seal and deliver all deeds and other legal documents necessary for said conveyance; and that the sum of Two Hundred ($200.00) Dollars be and hereby is appropriated for the use of said Board of Selectmen in connection therewith, said sum to be raised by general tax.

There being no further business under Article 36, the Moderator declared it disposed of.

Article 35. (Sale of Land Owned by Town—Mystic Street.) (Resumed)

On motion of Peter Kramer, Jr., duly seconded, it was

VOTED: That Article 35 be taken from the table.

On motion duly made and seconded, and declared by the Moderator to have carried on a standing vote, 150 in favor, 12 opposed, it was

VOTED: That the Board of Selectmen be and hereby is authorized and empowered to sell and convey the right, title and interest of the Town of Arlington in and to that certain parcel of land located on Mystic Street, as more particularly described in Article 35 of the Warrant for the 1952 Annual Town Meeting, at either Public Auction or under sealed bids, at a minimum price of Ten Thousand ($10,000.00) Dollars and upon such terms and conditions as said Board of Selectmen may deem advisable for the best interests of the Town; and that

the Board of Selectmen be and hereby is authorized and empowered in the name of the Town of Arlington to execute and affix the corporate seal and deliver all deeds and other legal documents necessary for said conveyance; and that the sum of Two Hundred ($200.00) Dollars be and hereby is appropriated for the use of said Board of Selectmen in connection therewith, said sum to be raised by general tax.

There being no further business under Article 35, the Moderator declared it disposed of.

Article 37. (Additional Appropriation—Additions To and Alterations—Robbins Memorial Town Hall.)

On motion of George A. Harris to amend the substitute motion of J. Howard Hayes of the Finance Committee, which was seconded and, after discussion, was declared by the Moderator to have carried on a standing vote, 79 in favor, 71 opposed, it was

VOTED: That the matter be referred to the Town Hall Building Committee for further study with instructions that said committee report to the Town Meeting at the next annual session.

Frederick Stanley Glynn, Jr. served notice of intention to move to reconsider the vote on the motion to recommit the matter to the Town Hall Building Committee for further study.

There being no further business under Article 37, the Moderator declared it disposed of.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting was declared adjourned by the Moderator at 11:25 P.M., Monday, March 24, 1952, until Wednesday, March 26, 1952, at 8:00 P.M.

A true record,

ATTEST:

JAMES J. GOLDEN
Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 26, 1952

Pursuant to the vote of adjournment of March 24, 1952, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 26, 1952, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred fifty-five (255) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred seventy-two (172) members and thirteen (13) members-at-large attended the meeting.

The meeting was called to order by the Moderator, Mr. Harold E. Magnuson, at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rev. Milton F. Schadegg, Minister of the Park Avenue Congregational Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

Mr. John O. Parker, Chairman of the Planning Board, presented the following resolution on the retirement of Herbert M. Dutcher as a member of the Planning Board, which was adopted by a unanimous vote:

HERBERT M. DUTCHER

RESOLVED, that the deep appreciation and sincere gratitude of the Town of Arlington be extended to Herbert M. Dutcher on the occasion of his retirement as a member of The Planning Board, after a period of twenty-nine continuous years of service, service that was outstanding for Mr. Dutcher's devotion to the highest standards of public office, for his conscientious attention to the details of his duties, for his exercise of an honest impartial judgment on all matters coming before the Board, and for his kind, cooperative nature, which won from his associates and fellow townspeople their complete trust and affection; and

BE IT FURTHER RESOLVED, that this resolution be entered on the permanent records of the Town and that an attested copy of it be transmitted by the Town Clerk to Mr. Dutcher.

On motion of Selectman Frost, as amended by the motion of George A. Harris to change the date from Friday evening, March 28, to Monday evening, March 31, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 31, 1952, at 8 o'clock.

Article 38. (Acquisition of Land for Municipal Purposes.)

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 38, of the Warrant.

There being no further business under Article 38, the Moderator declared it disposed of.

Article 39. (Appointment of Committee—Re—Garage for Town Owned Vehicles.)

On motion duly made and seconded, it was

VOTED: That the Moderator be and hereby is instructed to appoint a committee of five for the purpose of investigating, considering and making recommendations for the purchase or taking by eminent domain or otherwise of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; said committee to report its recommendations to the Town at the next Special Town Meeting, if any, but not later than the Annual Town Meeting of 1953; and that the sum of one thousand five hundred (1,500) dollars be and hereby is appropriated for the use of said committee; said sum to be raised by general tax.

There being no further business under Article 39, the Moderator declared it disposed of.

Article 40. (Central Purchasing Department.)

After extended discussion, on motion duly made and seconded, and declared by the Moderator to have carried on a voice vote, it was

VOTED: That no action be taken under Article 40 of the Warrant.

Edward J. Sennott served notice of intention to move to reconsider the vote under Article 40 of the Warrant.

There being no further business under Article 40, the Moderator declared it disposed of.

Article 41. (Claims or Charges of Symmes Arlington Hospital.)
On motion duly made and seconded, it was

VOTED: That the sum of thirteen thousand six hundred three and 67/100 (13,603.67) dollars be and hereby is appropriated to pay claims and charges of Symmes Arlington Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1952, to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 41, the Moderator declared it disposed of.

Article 42. (Committee on Advanced Programming and Budgeting.)

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 42 of the warrant.

There being no further business under Article 42, the Moderator declared it disposed of.

Article 43. (Transfer of Cemetery Funds.)

On motion duly made and seconded, it was

VOTED: That the sum of one thousand (1000) dollars be and hereby is transferred from (Mount Pleasant Cemetery) sale of lots and graves fund to the Cemetery Commissioners for the purchase of cemetery lots.

There being no further business under Article 43, the Moderator declared it disposed of.

Article 44. (Appointment of Committee—Re—Alterations and Reconstruction—Russell School.)

On the motion of Charles P. Bridges to amend the substitute motion of J. Howard Hayes of the Finance Committee, which was seconded and, after extended discussion, was declared by the Moderator to have carried on a voice vote, it was

VOTED: That the Moderator be and hereby is authorized to appoint a committee of five consisting of one member of the School Committee and four citizens to be known, temporarily, as the Russell School District Building Committee, for the purpose of preparing preliminary plans for a new school in the Russell School District and to report at the next special or annual town meeting, and that the sum of two thousand ($2000) dollars is hereby appropriated for the purpose; said sum to be raised by general tax.

There being no further business under Article 44, the Moderator declared it disposed of.

At this point, a recess was taken from 10:30 to 10:45 P.M.

Article 45. (Amendment of Town By-Laws.)

On motion duly made and seconded, it was unanimously

VOTED: That the By-Laws of the Town be and hereby are amended by striking out the words "Two Hundred Dollars" in the first sentence of the first paragraph of Section 2, of Article 7A, and inserting in place thereof the words "Four Hundred Dollars" so that it shall read:

In all contracts or purchases made by any department, board or committee, where the cost exceeds Four Hundred Dollars, competitive bids shall be obtained as hereinafter provided.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the sum of seventy-five (75) dollars be and hereby is appropriated for the purpose of advertising this by-law; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 45, the Moderator declared it disposed of.

Article 46. (Amendment of Town By-Laws.)

On motion duly made and seconded, it was unanimously

VOTED: That the By-Laws of the Town of Arlington be and hereby are amended by inserting after Section 3, a section to be known as Section 3A, to read as follows:

Section 3A. Peeping Tom. No person shall, not being an officer of the law acting in the performance of his legal duty, enter upon any premises in Arlington with the intention of peeping into any dwelling or spying upon any person therein.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the sum of seventy-five (75) dollars be and hereby is appropriated for the purpose of advertising this by-law; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 46, the Moderator declared it disposed of.

Article 47. (Adoption of Resolution—Re—Hoover Report.)

On the motion of William J. O'Brien, Jr. to amend the substitute motion of George A. Harris for the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That no action be taken under Article 47 of the Warrant.

There being no further business under Article 47, the Moderator declared it disposed of.

On motion of James E. McAuliffe, Jr., duly seconded, and declared by the Moderator to have carried on a standing vote, 68 in favor, 63 opposed, it was

VOTED: That the meeting adjourn.

The meeting was declared adjourned by the Moderator at 11:05 P.M., Wednesday, March 26, 1952, until Monday, March 31, 1952, at 8:00 P.M.

A true record,

ATTEST:

JAMES J. GOLDEN
Town Clerk

ADJOURNED ANNUAL TOWN MEETING, MARCH 31, 1952

Pursuant to the vote of adjournment of March 26, 1952, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 31, 1952, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Philip T. Robinson and James E. Sweeney. The lists contained the names of two hundred fifty-five (255) town meeting members.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred eighty-two (182) members and twelve (12) members-at-large attended the meeting.

The meeting was called to order by the Moderator, Mr. Harold E. Magnuson, at 8:00 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca and Mr. Walter E. Russell of the School Department, and prayer offered by Rev. John E. Sullivan, Pastor of St. Camillus' Church.

On motion of Selectman Frost, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, April 2, 1952, at 8 o'clock.

Article 48. (Ornamental Lighting—Christmas Holiday Season.)

On motion duly made and seconded, it was

VOTED: That the sum of three thousand two hundred fifty (3,250) dollars be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 48, the Moderator declared it disposed of.

Article 49. (Improvements and Reconstruction—East Arlington Branch Library.)

On the substitute motion of J. Howard Hayes of the Finance Committee to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That the sum of thirty-five thousand ($35,000.00) Dollars be and hereby is appropriated to be expended under the direction of the Library Trustees, for the enlargement, alteration, improvement and reconstruction of the present East Arlington Branch of the Robbins Memorial Library, for the purpose of providing for additional library facilities in said East Arlington Branch Library, and to provide furniture, equipment, lighting and other facilities for the said East Arlington Branch Library; that for this purpose the sum of One thousand and five hundred ($1,500.00) Dollars be taken from unexpended balances now in the Treasury as follows:

From the amount appropriated for Easements in Land under Article 25, of the Annual Warrant for 1946 ..... $1,500.00

and that the balance of thirty-three thousand and five hundred ($33,500.00) Dollars be raised by general tax.

There being no further business under Article 49, the Moderator declared it disposed of.

Reconsideration of Article 31. (Laying Out of Davis Road.)

On motion of Frederick Stanley Glynn, Jr., duly seconded, it was

VOTED: That the vote under Article 31 be reconsidered.

Following extended discussion, on a standing vote taken on the original motion of the Finance Committee as printed in its report, which was declared by the Moderator to have carried, 173 in favor, 3 opposed, it was

VOTED: That the laying out of a town way from Massachusetts Avenue to Paul Revere Road, substantially in the location of the private way known as Davis Road, as more particularly described in Article 31 of the warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Joint Board of Selectmen and Board of Public Works, be accepted, said way established and said Joint Board authorized to take land for the purpose of said way.

There being no further business under Article 31, the Moderator declared it disposed of.

Reconsideration of Article 13. (Town Outlays and Expenses.)

On motion of Selectman Frost, duly seconded, it was

VOTED: That Article 13 be taken from the table.

On motion of Selectman Frost, duly seconded, it was unanimously

VOTED: That the vote under Budget Item 13 be reconsidered.

On the motion of Selectman Frost to amend the motion of the Finance Committee as printed in its report, which was seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: That the figures $7540.00, as they appear in Budget No. 13, under the item, "Expenses", be amended to read $11,866.00, and that the figures $26,585.00, as they appear under the item, "Total", be amended to read $30,911.00.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 50. (Acquisition of Land for Public Playground Purposes.)

On the substitute motion of Edward D. Buckley, Chairman of the Board of Park Commissioners, to amend the motion of the Finance Committee, which was seconded and, following extended discussion, was declared by the Moderator to have carried on a standing vote, 167 in favor, 4 opposed, it was unanimously

VOTED: That the Board of Park Commissioners be, and hereby is authorized and empowered on behalf of the Town to purchase or take

in fee by eminent domain or otherwise acquire for the purpose of a public playground or recreation center, the parcel of land within the Town hereinafter described, any interests or easements therein and any rights or easements of way or otherwise as appurtenant thereto and subject to or with any reservations of any rights or easements therein.

This parcel of land is bounded and described as follows:

Beginning at a point on the proposed northwesterly side line of Stowecroft Road at the northeasterly boundary line of land of Town of Arlington taken for school purposes, thence northwesterly by said land of Town of Arlington taken for school purposes a distance of 307.72 feet to an angle point thence N 26° - 07′ - 00″ E by said land of Town of Arlington and by land now or formerly of the General Construction Co. Inc., a distance of 463.70 feet, to land now or formerly of John Gomatos et al, thence southeasterly by land now or formerly of John Gomatos et al, a distance of 147.9 feet more or less to a point at the division line between land now or formerly of John Gomatos et al and land now or formerly of Daisy A. Crosby, thence continuing southeasterly by land now or formerly of Daisy A. Crosby, a distance of 290 feet more or less to the proposed northwesterly side line of Stowecroft Road, thence southwesterly on said proposed northwesterly side line of Stowecroft Road, and on a line 260 feet northwesterly of, concentric with and parallel to the northwesterly side line of Mystic Street, a distance of 365 feet more or less to the point of beginning and containing approximately 158,100 square feet as shown on plans on file in the office of the Town Engineer, Arlington, Mass.; that for the purpose of such purchase, taking or acquisition the sum of three thousand nine hundred fifty-two dollars and 50/100 (3,952.50) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Board of Park Commissioners.

Edward John Doherty served notice of intention to move to reconsider the vote under Article 50 of the Warrant.

There being no further business under Article 50, the Moderator declared it disposed of.

Article 51. (Acceptance of General Laws—Re—Payroll Deduction on Account of Union Dues.)

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 51 of the Warrant.

There being no further business under Article 51, the Moderator declared it disposed of.

At this point, a recess was taken from 9:55 to 10:05 P.M.

Article 52. (Acceptance of Bill—Re—Town Manager.)

On the substitute motion of Clarence Richmond to amend the motion of the Finance Committee, which was seconded and, after extended discussion, was declared by the Moderator to have carried on a voice vote, it was

VOTED: That the Town Meeting Members of the Town of Arlington in annual meeting assembled respectfully request the members of the General Court of Massachusetts to enact legislation permitting the voters of Arlington to adopt or reject the Town Manager Form of Government, as embodied in the provisions of Senate Bill 456.

There being no further business under Article 52, the Moderator declared it disposed of.

Proposed Reconsideration of Article 40. (Central Purchasing Department.)

The motion of Edward J. Sennott to reconsider the vote of George A. Harris under Article 40 was, after lengthy discussion, put to a vote and was declared lost by the Moderator.

Reconsideration of Article 32. (For Construction of Ways.)

On motion of Frederick Stanley Glynn, Jr., duly seconded, it was

VOTED: That the vote on the motion of the Finance Committee as amended under Article 32 be reconsidered.

On motion duly made and seconded, it was unanimously

VOTED: That the sum of one hundred thirty five thousand two hundred ten and 80/100 (135,210.80) dollars be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting, including land damages, and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of twenty-five thousand two hundred ten and 80/100 (25,210.80) dollars be raised by general tax, and for the balance one hundred ten thousand (110,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the said sum of one hundred ten thousand (110,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than ten (10) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further that the said sum of one hundred thirty five thousand two hundred ten and 80/100 (135,210.80) dollars be expended under the direction of the Board of Public Works, substantially as follows:

Beverly Road	(Article 27)	$ 50,967.93
Shawnee Road	(Article 28)	17,951.25
Fremont Street	(Article 29)	16,203.97
College Avenue	(Article 30)	37,501.42
Davis Road	(Article 31)	12,,586.23
	Total	$135,210.80

There being no further business under Article 32, the Moderator declared it disposed of.

Article 53. (Appointment of Committee—Re—Child Safety and Traffic Control.)

After extended discussion, on motion duly made and seconded, and declared by the Moderator to have carried on a voice vote, it was

VOTED: That no action be taken under Article 53 of the warrant.

There being no further business under Article 53, the Moderator declared it disposed of.

Article 54. (Release and Transfer of Town Owned Land.)

On motion duly made and seconded, it was

VOTED: That the Selectmen direct the Town Counsel to investigate the title of the Town in the property known as Spy Pond Field, and obtain such releases or other instruments of law from the heirs of Hattie F. Hornblower as may be possible, or make such recommendation of action to the proper authorities as may be expedient, to the end that the said Spy Pond Field be administered or maintained, or both, so far as the law and the circumstances may allow, by the Park Department of the Town.

There being no further business under Article 54, the Moderator declared it disposed of.

Article 55. (Appointment of Committee—Re—Pennsylvania Real Estate Plan.)

On the substitute motion of Robert H. Zwicker to amend the motion of the Finance Committee, which was seconded and, after discussion, was declared by the Moderator to have carried on a voice vote, it was unanimously

VOTED: That the Moderator be and hereby is instructed to appoint a committee of five to consist of three Town Meeting Members, one citizen and one member of the Planning Board, to investigate and consider the Pennsylvania Real Estate Tax Plan, known as the Pittsburgh Plan, and its recent extension as it may apply to Arlington, and

to report not later than the Annual Town Meeting of 1953; that for the use of said Committee the sum of $50.00 be and hereby is appropriated; to be raised by general tax and expended under the direction of said Committee.

There being no further business under Article 55, the Moderator declared it disposed of.

Article 56. (Amendment of Town By-Laws—Re—Town Meeting Members.)

On motion duly made and seconded, it was

VOTED: That no action be taken under Article 56 of the warrant.

There being no further business under Article 56, the Moderator declared it disposed of.

Article 57. (Headquarters for Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington.)

On motion duly made and seconded, it was

VOTED: That in accordance with Chapter 40, Section 9 under the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of six hundred (600) dollars be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington"; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 57, the Moderator declared it disposed of.

Article 58. (Appropriation of Available Funds.)

On the substitute motion of George A. Harris to amend the motion of the Finance Committee, which was seconded and was declared by the Moderator to have been carried on a voice vote, it was

VOTED: That the sum of three hundred twenty-five thousand ($325,000) Dollars voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1952 tax rate.

There being no further business under Article 58, the Moderator declared it disposed of.

Article 3. (Reports of Selectmen, other Town Officers and Committees.) (Resumed.)

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table.

On motion of Selectman Frost, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town Officers and the committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, including also the Supplementary Report of the Town Accountant's Department, be received.

On motion of George A. Harris, duly seconded, it was unanimously

VOTED: That the permanent committee under vote of the Town passed March 24, 1919, on the Town Yard, be discharged.

On motion of Hallam T. Ring, duly seconded, it was

VOTED: That the committee under vote of the Town passed March 28, 1951, to investigate and consider the advisability of the erection and maintenance of a central garage for Town vehicles, be discharged.

On motion of J. Howard Hayes of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

Final adjournment of the meeting was declared by the Moderator at 12 o'clock midnight, Monday, March 31, 1952.

A true record,

ATTEST:

JAMES J. GOLDEN
Town Clerk

PRESIDENTIAL PRIMARY, APRIL 29, 1952

WARRANT

The Commonwealth of Massachusetts

Middlesex, ss.

To the Constables of the Town of Arlington

GREETING:

And you are directed to serve this warrant by posting attested copies thereof in, at least, five conspicuous places in each precinct, seven days, at least, before the time of said meeting as directed by vote of the Town. You are further directed to leave an attested copy of this warrant at every dwelling house in the Town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this thirty-first day of March, A. D., 1952

Edmund L. Frost)
Walter T. Kenney) SELECTMEN OF THE
Marcus L. Sorensen) TOWN OF ARLINGTON

A true copy.

Attest: FRANK K. NICKSAY, *Constable*

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, April 25, 1952

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the Town previous to said day of the meeting for the election of candidates of political parties and by posting an attested copy of said warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

FRANK C. NICKSAY
Constable of the Town of Arlington, Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in Primaries, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, April 29, 1952, at 12 o'clock Noon.

Upon receipt of the returns from the several precincts, the Town Clerk, assisted by the Registrars of Voters, forthwith canvassed the same and announced the results at 11:15 o'clock A. M. on Wednesday, April 30, 1952, as follows:

Total of Ballots Cast —— 7,000

Democratic —— 1,360

Republican —— 5,640

DEMOCRATIC PARTY

*These precincts were merged for this Primary.

All ballots, used and unused, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Presidential Primary, properly signed and sealed, were delivered to the Town Clerk to be preserved by him during the time required by law.

In accordance with Section 70 F of Chapter 53 of the General Laws, certificates of election were issued to the elected members of the Democratic and Republican Town Committees and the Chairmen of the Town Committees of the respective parties wert notified of the names of the persons elected as members thereof.

A true record,

ATTEST:

JAMES J. GOLDEN

Town Clerk

Arlington, May 1, 1952

The Town Clerk this day certified to the votes cast at the Presidential Primary held in Arlington, April 29. 1952, using therefor the blank forms supplied by the Secretary of the Commonwealth, and filed the same at the Office of the Secretary of the Commonwealth, State House, Boston.

ATTEST:

JAMES J. GOLDEN

Town Clerk

STATE PRIMARY, SEPTEMBER 16, 1952

WARRANT

The Commonwealth of Massachusetts

Middlesex, ss.

To any of the Constables of the Town of Arlington:

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in the polling places designated for the several precincts in said Town, viz:

Precinct 1, Crosby School, entrance on Winter Street
Precincts 2-4, Hardy School, entrance on Lake Street
Precincts 3-5, Junior High School East, entrance on Tufts Street
Precincts 6-8, Town Hall, entrance on Mass. Avenue
Precinct 7, Russell School, entrance on Medford Street
Precinct 9, Russell School, entrance on Mystic Street
Precincts 10-12, Cutter School, entrance on Robbins Road
Precinct 11, Highland Hose House, entrance on Mass. Avenue
Precinct 13, Peirce School, entrance on Park Avenue North
Precinct 14, Locke School, entrance on Park Avenue

TUESDAY, THE SIXTEENTH DAY OF SEPTEMBER, 1952

at 10 o'clock A.M., for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

GOVERNOR for this Commonwealth

LIEUTENANT GOVERNOR for this Commonwealth

SECRETARY OF THE COMMONWEALTH for this Commonwealth

TREASURER AND RECEIVER-GENERAL for this Commonwealth

AUDITOR OF THE COMMONWEALTH for this Commonwealth

ATTORNEY GENERAL for this Commonwealth

SENATOR IN CONGRESS for this Commonwealth

A REPRESENTATIVE IN CONGRESS for the 5th Congressional District

A COUNCILLOR for the 6th Councillor District

A SENATOR for the 6th Senatorial District, Middlesex County

In Precincts 1, 3 and 5, TWO REPRESENTATIVES IN GENERAL COURT for the 25th Representative District, Middlesex County

In Precincts 2, 4, 6, 7, 8, 9, 10, 11, 12, 13 and 14, TWO REPRESENTATIVES IN GENERAL COURT for the 28th Representative District, Middlesex County

A CLERK OF COURTS for Middlesex County

A REGISTER OF DEEDS for the Southern District, Middlesex County

TWO COUNTY COMMISSIONERS for Middlesex County

The polls will be open from 10 A.M. to 8 P.M.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicu-

cus place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this twenty-fifth day of August, in the year of our Lord one thousand nine hundred and fifty-two.

Edmund L. Frost)
Walter T. Kenney) SELECTMEN OF THE
Marcus L. Sorensen) TOWN OF ARLINGTON

A true copy,

Attest:

FRANK K. NICKSAY, *Constable*

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, September 11, 1952

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the Town previous to said day of the meeting for the election of candidates of political parties and by posting an attested copy of said warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

FRANK K. NICKSAY

Constable of the Town of Arlington,

Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in Primaries, met in their respective polling places in said Town on Tuesday, September 16, 1952, at 10 o'clock in the forenoon.

Upon receipt of the returns from the several precincts, the Town Clerk, assisted by the Registrars of Voters and Mr. Carmen Foritano, Town Accountant, forthwith canvassed the same and announced the

results at 3:30 o'clock A.M., on Wednesday, September 17, 1952, as follows:

JAMES J. GOLDEN

Town Clerk

Arlington, September 17, 1952

The Town Clerk this day certified to the votes cast at the State Primary held in Arlington, September 16, 1952, using therefor the blank forms supplied by the Secretary of the Commonwealth, and filed same at the Office of the Secretary of the Commonwealth, State House, Boston.

ATTEST:

JAMES J. GOLDEN

Town Clerk

REFERENDUM — SEPTEMBER 16, 1952

WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any of the Constables of the Town of Arlington:

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections to meet in the polling places designated for the several precincts in said Town, viz:

Precinct 1, Crosby School, entrance on Winter Street
Precincts 2-4, Hardy School, entrance on Lake Street
Precincts 3-5, Junior High School East, entrance on Tufts Street
Precincts 6-8, Town Hall, entrance on Mass. Avenue
Precinct 7, Russell School, entrance on Medford Street
Precinct 9, Russell School, entrance on Mystic Street
Precincts 10-12, Cutter School, entrance on Robbins Road
Precinct 11, Highland Hose House, entrance on Mass. Avenue
Precinct 13, Peirce School, entrance on Park Avenue North
Precinct 14, Locke School, entrance on Park Avenue

TUESDAY, THE SIXTEENTH DAY OF SEPTEMBER, 1952

at 10 o'clock A.M., to vote on the following question:—

SHALL A DECLARATION BE MADE BY POPULAR REFERENDUM, PURSUANT TO THE HOUSING AND RENT ACT OF 1947, AS AMENDED, THAT A SUBSTANTIAL SHORTAGE OF HOUSING ACCOMMODATIONS EXISTS WHICH REQUIRES THE CONTINUANCE OF FEDERAL RENT CONTROL IN THIS TOWN AFTER SEPTEMBER 30, 1952, UNTIL THE CLOSE OF APRIL 30, 1953, IN ACCORDANCE WITH THE PROVISIONS OF SAID ACT?

YES	
NO	

The following directions will be placed on the ballot immediately above the foregoing question:—

(a) If the voter desires that this town shall declare by popular referendum that a substantial shortage of housing accommodations exists which requires the continuance of federal rent control in this town after September 30, 1952, and until the close of April 30, 1953, in accordance with the provisions of the Housing and Rent Act of 1947, as amended, he will vote "YES" on the question.

(b) If he desires the federal rent control shall cease to be in effect in this town at the close of September 30, 1952, he will vote "NO" on the question.

The polls will be open from 10 A.M. to 8 P.M.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk, on or before the day and hour of said meeting.

Given under our hands, at said Arlington,

this twenty-fifth day of August, in the year of our Lord one thousand nine hundred and fifty-two.

FRANK K. NICKSAY, *Constable*

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, September 11, 1952

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein specified by causing a printed attested copy of said warrant to be left at every dwelling house in the Town previous to said day of the meeting for the purpose of voting on the question relative to the continuance of rent control in Arlington and by posting an attested copy of said warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

FRANK K. NICKSAY

Constable of the Town of Arlington,

Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in their respective polling places in said Town on Tuesday, September 16, 1952, at 10 o'clock in the forenoon.

The election officers who were assigned to serve at the State Primary also had the duty of serving as election officers for the referendum on the question of the extension of rent control in the Town of Arlington, which, by special State law, "Chapter 620 of the Acts of 1952", was required to be held at the same time and in the same places as the State Primary.

Upon receipt of the returns from the several precincts they were tabulated and the Town Clerk announced the result of the referendum ballots concurrently with his announcement of the results of the State

Primary ballots at 3:30 o'clock, A.M. on Wednesday, September 17, 1952, as follows:

Total of Ballots Cast—9934

ATTEST:

FRANK K. NICKSAY

Constable, Town of Arlington,

CONSTABLE'S RETURN

Arlington, Mass., Oct. 31, 1952

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the

purposes herein-named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local papers.

FRANK K. NICKSAY

Constable, Town of Arlington, Mass.

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in their respective polling places in said Town on Tuesday, November 4, 1952, at 7 o'clock in the forenoon.

Within one hour after the hour for the closing of the polls, the Town Clerk completed the delivery of all envelopes received by him purporting to contain absent voting ballots, together with the applications therefor, to the election officers in the several voting precincts. The number of absent voting ballots received, cast and rejected in each precinct were, as follows:

Precinct	**1**	**2**	**3**	**4**	**5**	**6**	**7**	
Service Persons	12	17	14	15	25	32	18	
Ballots Cast	9	17	14	15	24	32	18

Report of the Registrars of Voters

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit the following report for the year 1952:

Assistant Registrars were again appointed by our Board to assist in the annual listing of every person twenty years of age or over, following which the True and Alphabetical Lists were compiled and copies thereof were prepared and distributed, as required under the law. The number of adult residents listed for 1952, according to precinct and alphabetical order, was as follows:

PRECINCT	*RESIDENTS*	*ALPHABETICAL*	
1	2,047	A - 998	N - 473
2	2,517	B - 2,440	O - 877
3	1,436	C - 3,084	P - 1,451
4	2,314	D - 1,887	Q - 116
5	2,509	E - 424	R - 1,396
6	1,884	F - 1,360	S - 2,596
7	1,813	G - 1,399	T - 1,014
8	2,021	H - 1,983	U - 25
9	1,751	I - 86	V - 230
10	2,118	J - 528	W - 1,521
11	2,421	K - 1,161	X - 3
12	2,462	L - 1,475	Y - 123
13	2,102	M - 3,618	Z - 117
14	2,990		
	30,385		30,385

During the year, the Board held thirty-three evening sessions in various public buildings throughout the Town for the registration of voters at which 3,049 persons were qualified to vote in elections. An additional 2,637 persons were so qualified during the regular business hours at the Office of the Town Clerk. A total of 5,686 names were, therefore, added to the voting list.

The total number of registered voters at the close of registration for the State Election on October 3, 1952, was 26,990, divided into voting precincts, as follows:

Precinct	1	1686	Precinct	8	1854
	2	2283		9	1670
	3	1335		10	1918
	4	1968		11	2134
	5	2035		12	2265
	6	1693		13	1913
	7	1699		14	2537

In connection with the two elections and two primaries, 12 articles submitted to your Board on petition of registered voters for insertion in the Warrant for the Annual Town Meeting, and 422 nomination papers were certified. For these four elections, held respectively on March 3, April 29, September 16 and November 4, the Registrars were in session throughout the entire periods during which the polls were opened, after which they assisted in the tabulation of the returns of votes from each of the precincts until 12:45 A.M. on March 4; 11:15 A.M. on April 30; 3:30 A.M. on September 17, and 4:00 A.M. on November 5.

The voting lists and all other records of voters of Precincts 10, 12 and 14 are now in the process of being changed to read respectively, Precincts 10A and/or 10B, 12A and/or 12B, 14A and/or 14B, so as to conform to the Order adopted by your Board, which became effective on December 31, dividing each of such precincts into two contiguous parts for the sole purpose of facilitating voting therein.

Respectfully submitted.

TIMOTHY J. BUCKLEY, Chairman

ARTHUR P. WYMAN

ERNEST HESSELTINE

Compiled by Arthur F. Wells, Executive Sec'ty, Board of Assessors

Nov. 14, 1952.

Report of the Finance Committee

The Finance Committee of 1951-52 held 13 meetings from January 4, 1952 to March 1, 1952 and reported to the Annual Town Meeting on Monday, March 17, 1952.

The Finance Committee of 1952-53 was organized on May 20, 1952, as follows:

Precinct
1 - Edwin A. Barnard
2 - William H. Dunn
3 - Martin F. Roach
4 - Paul E. LaJoie
5 - Warren H. Daniels
6 - Arthur D. Saul, Jr., Vice Chairman
7 - Henry E. Halpin
8 - William H. Farrow
9 - John N. Loud
10 - James R. Robson (Secretary)
11 - William H. Bennett, Secretary, (Resigned) Donald O. Johnston
12 - Wallace Gorton
13 - Percival E. Richardson
14 - J. Howard Hayes, Chairman
Member at Large, John J. Driscoll
Executive Secretary, T. Gordon Smith

Mr. William R. Bennett resigned on September 30, 1952 due to ill health and was succeeded as a member by Mr. Donald O. Johnston, and as Secretary by James R. Robson.

Sub-Committees

Selectmen, Police, Fire Departments, etc.
William H. Farrow, Chairman
Wallace Gorton
Paul E. LaJoie

Public Works Department, Streets, etc.

Respectfully Submitted,
JAMES R. ROBSON
Secretary

Report of the Board of Selectmen

We submit herewith, the 146th annual report of the Board of Selectmen for the year ending December 31, 1952.

Much of the work of the Board of Selectmen has been routine during the past year, so this report differs very little from the reports of previous years. The one big event of 1952 is the change to Town Manager form of government, so voted by referendum in November of this year. But since this act does not become effective until the annual meeting of 1953, much that might be written must wait. We give the new Board our encouragement in the inauguration of same.

During 1952, we held the regular meetings of the Board of Selectmen on Monday afternoons, leaving the evenings free for hearings and for meetings with the Joint Board. Special Meetings were often held during other days of the week, in addition to conferences with the Finance Committee, Planning Board, Department heads, etc. We also represented the Town of Arlington at many out-of-town conferences, namely. Mass. Dept. of Public Works, D. P. U., County Commissioners, M. D. C., M. T. A., Legislative hearings and others. We represented Arlington at the Mass. Selectmen's Ass'n convention in Great Barrington; also the Middlesex County Selectmen's Ass'n. monthly meetings. We trust that these efforts proved beneficial to the town.

We do not submit detailed reports of the various departments under our jurisdiction, since these reports, submitted by the department heads, appear elsewhere in the annual report. We do comment on a few items of interest as follows:

ORGANIZATION

At the first meeting of the new Board in 1952, Edmund L. Frost was elected Chairman.

FIRE DEPARTMENT

Fire fighter James P. O'Brien retired on pension on August 17, 1952, because of ill health.

Modernizing by replacing obsolete equipment with new. 1951 purchase of 1000 gallon Seagrave pumper to replace old Engine 4, delivered in 1952. New open type 65 foot all steel Seagrave aerial ladder contracted for and delivered, replacing old Ladder 2.

Recommend replacing Engine 1, purchased in 1926 and Engine 2, purchased in 1927, during 1953 and 1954.

Replacement being made of main underground fire alarm signal cable on Mass. Ave. between Fire Headquarters and Park Avenue.

Recommend a special committee be appointed to investigate need of fire station on Indian Ridge in Morningside section, because of extensive recent development. This committee could also study need for new central signal station and drill tower.

Request has been made of the N. E. Fire Rating Ass'n. to review rates under Class B risks, in an effort to eliminate inequalities.

POLICE

During the year, this department lost, by death, a most faithful member—Officer William A. Scanlan. He had served the town conscientiously for many years.

Patrolman John Y. Duggan was promoted to the rank of Sergeant.

Several conferences have been held with the Chief and the Planning Board regarding additional off-street parking. The Planning Board will report to the Town Meeting on this matter.

Many new one-way streets have been initiated, and others are under consideration.

We are happy to report that no major crime occurred in Arlington during 1952.

WELFARE

The appropriation of the annual meeting of 1952 to this department was insufficient. The cause was the increased benefits granted to recipients by the State Legislature, with no provision for payments. On Monday, Sept. 22, the Board of Selectmen declared a state of emergency in this matter. As a result, the State Director of Accounts granted authority to the Town of Arlington to pay bills incurred or to be incurred by this department through December 2. This is in accordance with the provisions of Section 31 of Chapter 44 of the general laws, as amended. The remainder of December was provided for through transfer of emergency funds from the Finance Committee. This prevented the necessity of a special town meeting, which appears costly to the taxpayers.

GENERAL

The Board of Selectmen met with the remaining members of the Library Trustees to accept the resignation of Llewellyn B. Parsons. John B. Fox was then appointed to serve until the next annual election. This was according to the provisions of Section 11 of Chapter 41 of the General Laws. We also met with the remaining members of the Arlington Housing Authority to accept the resignation of W. Dale Barker. James A. Coffey was then appointed to serve in his place until the next annual election.

During the year, additional polling facilities were provided in precincts 10, 12, 14, so that these precincts now have two polling places. This change was made following study of the report of Frank H. Lansing's committee to review precinct lines.

As required by law, the boundary lines of Medford - Arlington were perambulated by our Executive Secretary, Frank K. Nicksay, and representatives of Medford.

As reported last year, a special bill was enacted by the Legislature to provide for the retirement of Town Accountant Clarence Needham. After many years of faithful service to the Town, he was retired with pension on March 1, 1952. Carmen T. Foritano was then appointed Town Accountant.

The Board has retained the services of James A. Whipple, of the

law firm of Kneeland and Splane, to investigate claims for those eligible for Workmen's Compensation Insurance.

Many meetings have been held with Civil Defense Director Daniel McFadden regarding matters of Civil Defense. Local purchases for attack warning and communications equipment are now on a basis of 50% participation by the Federal Government.

For general information, we list the various departments under the jurisdiction of the Board of Selectmen: Boards of Appeal, Civil Defense, Dog Officer, Fire Department, Fire and Police signals, Inspector of Animals, Inspector of Buildings, Moth Suppression, Police Department, Public Buildings, Registrars of Voters, Sealer of Weights and Measures, Town Accountant, Town Hall Grounds, Veterans' Service Department, Welfare Department.

The Board desires to record the death of George R. Seaver of the Inspection department on March 8, 1952. In his passing the Town lost a valuable employee who gave many years of faithful service as Inspector of Plumbing and Gas.

We express sincere appreciation for the splendid cooperation of our Executive Secretary, Frank K. Nicksay; also for that of his two able and overworked assistants, Mrs. Catherine Harrigan and Mrs. Christine Callahan. To the personnel of other departments, our gratitude for their cooperation in assisting us in making Arlington a better town.

EDMUND L. FROST
WALTER T. KENNEY
MARCUS L. SORENSEN
Selectmen of the Town of Arlington

Annual Report of the Department of Civil Defense

In compliance with Section 3 of Chapter 3 of the By-Laws, I submit herewith the annual report of the Department of Civil Defense.

The Town of Arlington was declared eligible in June, 1952, to participate in the the first program to be offered by the Federal Civil Defense Agency, wherein selected cities and towns would receive fifty per cent aid in the purchase of certain items of equipment. Requisitions submitted by the Town were approved by the Federal Agency in September and with the final approval of the Board of Selectmen, contracts were then awarded for equipment totalling $12,400.00 Of this amount the cost to the Town of Arlington will be $6,200.00.

Although all items purchased under this program are earmarked for the exclusive use of Civil Defense units only, our underlying objective in taking advantage of this aid was the procurement of equipment needed not only by Civil Defense but also by the various town departments in normal daily operation. Specific items thus purchased will be mentioned throughout this report.

In December, 1952, the Town was again declared eligible for further aid in the procurement of equipment, with the Federal Government furnishing fifty per cent of the total cost. We have not as yet received information as to the total amount of aid to be offered or the types of equipment to be approved for purchase. Until such data has been received, the extent of our further participation cannot be determined.

The installation of our air raid alert signal, which consists of all sirens and horns in use during World War II, was completed by our Fire and Police Signal Department in April. 1952. Our present signal is far from being adequate in many sections of the town. We have therefore ordered nine additional sirens and have contracted for the installation of a powerful air horn at the Park Circle Fire Station, this being similar to the horn in use at Central Fire Headquarters. This equipment was ordered under the Federal matching fund program.

The steam whistle at the Metropolitan District Commission Pumping Station is no longer available as part of our air raid signal, due to its recent conversion to deisel equipment. A recommendation has been approved by the Board of Selectmen that an air horn also be installed at this location during 1953, with Federal aid if possible. The addition of these two air horns should be earmarked for use as a no-school signal after the present emergency has ceased.

In conjunction with a region-wide test, a full scale local alert was held on May 15, 1952, with all traffic required to halt and the general public required to take shelter. Since the schools were in session at the time of the alert at 10:30 a.m. each school executed its particular plan to disperse the children to the safer areas within the building. The results of this test were excellent because of the complete support of the general public, our police department and its auxiliary, the merchants throughout town who performed the function of wardens, our school personnel, local newspapers and businessmen.

Fourteen tests were held in Arlington during the year, all being

tests of communications within the community or with higher levels of command, except the above mentioned test and another regional test. wherein units of our Police, Fire, Public Works and Welfare departments were dispatched to the Watertown Arsenal area to test our program of mutual aid within the cities and towns of Greater Boston.

A survey of all buildings within the community to determine their possible use as air raid shelters was completed by our Public Shelter Committee. Although no building in Arlington actually meets the requirements of a safe shelter in this atomic age, thirty-seven buildings, both publicly and privately owned, were selected as comparatively safe shelters and with the cooperation of the Board of Public Works, signs designating each building as a public shelter were prepared and erected.

In accordance with directives by the State Civil Defense Agency, a total of three hundred thirty-five vehicles including those municipally owned have been identified for emergency use by means of a decal placed on the front windshield. This has not proved a satisfactory procedure and a study is now being made of a new identifying system for local use, limiting to a much greater degree the number and kinds of vehicles to be allowed to travel within emergency areas.

There are presently enrolled for some phase of Civil Defense a total of 1,709 residents of the community, not including all municipal employees who will cooperate fully in an emergency. Forty-five resignations have been received during the year, due in most part to residents moving out of town. Although the majority of these volunteers are not actively engaged in local training, still, by professional qualifications or by nature of their work, it would appear that little training would be necessary and that now would not be the time to institute such training. For example, three hundred twenty persons have registered for our medical program who are highly trained and actively engaged in some phase of the medical profession. The use of four hundred fifteen vehicles for transportation and public works, including heavy construction equipment, has been volunteered for emergency use through contact with the owners. Name, address and telephone of both owner and driver of these units have been recorded and equipment classified as to potential use.

Under the leadership of Chief Archie F. Bullock, our Police auxiliary continues to grow. We now have three hundred eighteen auxiliary policemen with a sound training program established for each platoon. Sufficient equipment was locally available from World War II to provide each auxiliary with a helmet, night stick and badge. Traffic straps have been purchased for those of our auxiliary who are assigned to traffic duty.

Our Fire auxiliary under Chief Richard J. Tierney is also engaged in active training with a nucleus of sixty-five volunteers. It has been difficult to interest young men in this most important phase of our effort, but our present group provides a well trained, well equiped auxiliary, well able to expand as more volunteers enroll.

Equipment such as hose, nozzles, connections, deluge sets, ladders, etc., have been purchased through the Federal aid program. All equipment so purchased are standard items of our regular department. Rubber boots and fire helmets have also been furnished and half of the cost of these items will be recovered through Federal reimbursement during the early part of 1953.

The purchase of new apparatus for the regular department has provided our Fire auxiliary with two pumpers retired from regular service. These units, together with the additional equipment referred to above, provide a well equipped auxiliary force.

Our radio control centre has been established at the headquarters of the Park Commission, 33 Ryder Street. By use of our present Police-Fire channel, and with two-way mobile radio units for which an order has been placed under the Federal aid program, the major services of Police, Fire, Medical, Public Works, Utilities and Transportation will be in direct radio communication. These new units provide an opportunity to establish radio communication for normal functions in our Department of Public Works and at Symmes Arlington Hospital both during and after this emergency period.

Another channel for radio communication has been well established on the six meter band by our ham radio operators. Thirteen mobile radio units are now operating every Tuesday evening, with five more units to be established during the coming year. The hams, contrary to existing practice in other communities wherein Civil Defense must supply this equipment, have constructed these units at their own expense. Each unit if purchased from a manufacturer would cost about $225.00, and the saving to the Town of Arlington by their sacrifice and devotion to serve the public interest is obvious.

These units provide an excellent channel of communications for our program and although primarily assigned to district control centres, can be quickly dispatched to the scene of any incident.

In our control centre we will have four radios assigned for control of the local six meter band, communications with Sector control, other communities, and for our local ten meter operation. These units are also being constructed by this group with Civil Defense paying the cost of materials only.

Two courses in First Aid were initiated this Fall with forty-three enrolled for classes. Kenneth A. Cameron, our First Aid Chairman, and Russell E. Peterson, both of the School Department, have qualified as expert instructors in First Aid as a result of an intensive refresher course. These men will provide a much needed impetus to our First Aid program, and are deserving of special praise in this report for their willingness to devote so much time and effort not only in First Aid, but to our Police auxiliary in which they serve as Lieutenants, to the program of Civil Defense in schools and the many other assignments which they have accepted willingly and very efficiently executed.

Many of our functions in the welfare and medical phases are now being well handled by the local chapter of the American Red Cross. Mr. William F. Larkin, Jr., local Red Cross Disaster Chairman, together with Mr. George V. Morse, Director of our Welfare Service, are presently engaged in developing a combined program for the community to provide for future expansion of these activities, maximum use of trained personnel and facilities and thus avoid duplication in this program.

Our program has made favorable progress during the year, but still remains for the most part, in skeleton form. We do not feel that pre-

sent conditions warrant a complete activation of all phases, but would also agree that the final perfection of our defense effort can rest only in the hands of well trained personnel who are able to devote full-time to this program.

A complete and effective program can be quickly developed from our present nucleus when conditions may demand a change in existing policy. The success of such expansion would depend upon the appointment of a Director who can devote full-time to this most involved program. Full-time leadership, especially for the execution of present plans in training volunteers and for the development of procedures would receive top priority even over financial requirements. The personnel required for the execution of a full program can be readily obtained from within our present municipal organization.

It is impossible to enumerate in a report of this kind the many individuals who have actively assisted or supported our program, but to all concerned and especially our Deputy Directors, who are with few exceptions municipal employees, may we express our grateful appreciation.

We are particularly indebted to the Board of Park Commissioners for use of its facilities and equipment; and to the Board of Selectmen for its assistance and counsel during the year.

Respectfully submitted,

DANIEL J. McFADDEN

Director of Civil Defense

Report of the Police Department

HONORABLE BOARD OF SELECTMEN:

Gentlemen:

I herewith submit my twenty-third Annual Report for the year ending December 31, 1952:

TOWN OF ARLINGTON, MASSACHUSETTS

Population—47,000 (approx.)
Area—5½ Square Miles
Public Streets—71.77 Miles
Private Streets open to travel—36.00 Miles

The net cost of operation of the Police Department for 1952 including maintenance of Police Headquarters and equipment was $295,996.57.

Salaries	$269,512.88	
Maintenance of Building and other Expense	28,584.01	
Gross Cost		$298,096.89
Less Receipts as follows:		
Court Fines turned over to Treasurer	1,682.05	
Bicycle Licenses	211.50	
Revolver Permits	101.00	
Taxi Operator Licenses	73.00	
Miscellaneous	32.77	
Total Receipts		2,100.32
Net Cost of Department for 1952		$295,996.57
Per Capita cost based on population of 47,000		6.29

AUTOMOBILE ACCIDENTS

Fatalities	2	2
Involving Personal Injury	241	239
Involving Property Damage	187	207
Total	430	448

There was a total of four hundred forty-eight (448) accidents during the year; two (2) being fatal accidents; two hundred thirty-nine (239) involving personal injury and two hundred seven (207) involving property damage only.

As a result of these accidents there was a total of four hundred two (402) persons injured.

The two fatal accidents were as follows:

On January 13, 1952 at 4:50 A.M. Norman R. Tomaino, twenty (20) years of age, of 21 Mead Street, Cambridge, while riding as a passenger in an automobile which came in contact with a telegraph pole on Massachusetts Avenue between Forest Street and Clark Street, received injuries which resulted in his death at 7:15 A.M. on January 19, 1952.

On June 10, 1952, at 3:40 A.M. John J. O'Brien, thirty-nine (39) years of age, of 124 Calumet Street, Roxbury, while operating his car in the direction of Cambridge, on Massachusetts Avenue, between Orvis Road and Lake Street, came in contact with the inbound safety island, receiving injuries which resulted in his death at 11:30 P.M. on June 11, 1952.

There were three hundred seventy-six (376) accidents investigated and a total of nine hundred forty-three (943) persons interviewed, this last total being arrived at as follows:

Total number of operators interviewed	618
Total number of witnesses interviewed	169
Total number of injured persons interviewed	156
Total number of persons interviewed	943

TOTAL	1,121

During 1952 the following measures were put into effect for greater safety.

New areas were designated as Danger Zones and signs were erected to warn motorists. Signs were erected and arrows were stenciled on the street on Mystic Street to facilitate the movement of traffic and to channelize traffic into proper lanes. New pedestrian signals were installed in the traffic signal system at Mystic Street and Mass. Avenue and at Medford Street and Mass. Avenue for the convenience and safety of pedestrians using these areas.

Cross-walk changes were also made at the above locations after a study of pedestrian traffic. New cross-walks were made at the Senior High School. A special bus stop was also put into effect for safety of these pupils. The Metropolitan Transit Authority co-operated in this measure.

At the Safety Islands at Mass. Avenue and Lake Street the rail-

road type of warning flashers were installed. New flood lights were added, and the entire assemblies were raised in order that motorists would have sufficient warning of the islands. Many hours of study were made before these changes were effected and then only after special permission was granted by the State Department of Public Works. It is believed that island accidents will be eliminated by the changes.

New traffic signals were installed at Lake Street to replace the old signals which were installed in 1929. The new signals control traffic a great deal more efficiently and assist the pedestrians crossing Mass. Avenue.

Mass. Avenue between Cleveland Street and Winter Street was widened as a safety measure in conjunction with the changes made at the islands.

All streets from Franklin Street to Marathon Street were made One Way to facilitate the flow of traffic and to ease the parking problem. All signs erected were reflectorized for night driving. Plans have been made to make additional streets One Way in East Arlington to expedite the traffic flow and eliminate the parking problem.

In the vicinity of all playgrounds new signs designed by the Traffic Department were erected for greater safety to children using these areas in vacation months. At the Reservoir Beach parking was eliminated on the beach side.

At all railroad crossings the approach is clearly marked by stenciled railroad warnings. All cross-walks at signalized locations were marked Cross only on Red and Yellow, in the colors named. This measure was adopted in order to educate the pedestrian for his own safety at points of heavy traffic.

Through the co-operation of the Safety Supervisor of Schools and the Jenny Oil Co., hundreds of bicycles were registered this year and Scotchlite reflectorized tape was installed on the bicycles of children for their protection if they were riding at dusk.

A survey is also under way with the co-operation of Mr. Reid of the Wire Department to increase lighting at Church and School areas to give greater protection to pedestrians attending night services or classes. Traffic studies are also in progress for Broadway and Mystic Street for the installation of additional lights for school and general traffic.

The State Department of Public Works have consented to assist in recommendations in contemplated changes in the Arlington Center Area.

PARKING METERS

The following is the report of the maintenance of the Parking Meters for 1952:

Many of the meters were jammed throughout the year, some due to mechanical failure, others with sticks, pins, keys, gum and paper, etc. A number of posts were bent due to the removing of snow by the sidewalk plows and many base plates were broken and loosened. Posts have been straightened and tightened.

Meters repaired because of jamming	610
New timers exchanged	38
New parts used	76
Meters which had to be removed because of damage by automobiles	5
Meters removed from in front of fire hydrants	3
Meters removed from crosswalks	2
Meter violation Decals installed	150

During the year the installation and rearrangement of all traffic signals in Arlington Center from Mill Street to Franklin Street were completed by the State at a cost of $25,000. and turned back to the Town for maintenance.

Traffic signals (pedestrian actuated) have been completely installed at Broadway and Cleveland Street for the protection of children and other pedestrians crossing this heavily travelled way to the stores at this intersection.

My request to the State Department of Public Works to install traffic signals at Broadway and Oxford Street, Broadway and Bates Road, Broadway and Wyman Street, and Mystic Street and Columbia Road has been granted and work on these signals is to start immediately. The entire cost will be borne by the State and upon completion will be turned over to the Town for maintenance.

AUXILIARY POLICE

This fine group of citizens of our Town, which now has a total enrollment of 310, have been well trained in all functions of the Police Department and are ready to give of their time in the interest of Arlington in any emergency. In addition, they have given many hours of their time working with the youth of Arlington. They have again this year carried on with their baseball leagues for boys up to seventeen years of age; their regular Friday night dance for the High School youngsters and their firearms instruction. They also support, under John Babine, one of the finest hockey teams in this part of the country.

We feel that a youngster busy with some properly directed sport has not time to get himself involved in any serious trouble. I consider the Town of Arlington to be very fortunate to have such a fine group of citizens as the Arlington Auxiliary Police give so freely of their time and effort in this most worthy work which has proven such a decided success in curbing juvenile delinquency.

The finest cooperation has existed between the Superintendent of Schools, the various Principals and this Department in the investigation and correction of delinquency. Credit must also be given to the character building organizations, such as, the churches, the Boys' Club, the Boy and Girl Scouts, the C.Y.O. and other orgganizations who have done yeoman service for the benefit of juveniles.

MISCELLANEOUS DUTIES

This particular report section shows an increase of 566 separate cases attended to over that of 1951.

A glance through this report will show the multiplicity of work per-

formed by the members of this Department in the safety and welfare of the citizens of the Town.

Take the sick and injured cared for—this shows 369 person, 3,258 separate cases investigated. There were 106 lost children care for. In some instances with children, three, four and five years of age, they were held at police headquarters for hours before parents were aware they were missing.

In addition, investigations were made for several different Federal Agencies including the Federal Bureau of Investigation and Civil Service Department. Also many investigations were conducted for various commercial organizations throughout the country on persons who had sometime resided in Arlington.

Under the head of Miscellaneous Duties can be found an enormous amount of detail work accomplished.

I am sincerely grateful to the members of the Arlington Auxiliary Police Association who have never failed to assist the Department wherever their services were requested during the year.

To the Federal, State and Town Departments I am deeply grateful for their earnest and kind assistance, especially grateful to the members of my own Department. I sincerely appeciate the wholehearted attention to duty exercised by all members of this Department during the year. It was through their diligent attention to their many duties, in all kinds of weather, that Arlingon continues to be comparatively free from crime and a good place in which to live.

In closing I wish to express my sincere appreciation to your Honorable Board, Officials of the Town Government, as well as the citizens of Arlington for their splendid assistance and cooperation during the year.

Respectfully submitted,

ARCHIE F. BULLOCK
Chief of Police

Report of the Fire Department

To The Honorable Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

As the Chief Executive Officer of the Arlington Fire Department I submit my Fourth Annual Report of its activities and condition for the year ending December 31, 1952.

MANUAL FORCE

The force consists of 94 men: The Chief, 4 Deputy Chiefs, 10 Captains, 8 Lieutenants, 70 Fire Fighters. and an Assistant Superintendent of the Fire and Police Signal System; also a Department Surgeon, Dr. Edward W. Feeley, and a Department Clerk, Anna B. Hurley.

APPOINTMENTS

February 3, Robert C. Blomquist, in Military Service since January 13, 1951, returned to duty as Permanent Fire Fighter.

September 21, Daniel J. Devlin, appointed Permanent Fire Fighter; replacement for James P. O'Brien who retired.

RESIGNATIONS

August 16, James P. O'Brien was retired on disability pension after many years of faithful performance of duty .

DEPARTMENT CHAPLAINS

January 15, Reverend Father Charles A. McCarthy, Curate at St. James Church, appointed Catholic Chaplain for the Department.

May 26, Reverend Milton F. Schadegg, 18 Hillside Avenue, Minister of The Park Avenue Congregational Church, appointed Protestant Chaplain for the Department.

FIRE FIGHTERS

Effective May 13, Chapter 45 of the Massachusetts Acts of 1952, reclassified the title of FIREMAN to FIRE FIGHTER.

APPARATUS

At Headquarters.

Engine 1 in service since 1926, 750-gallon pumping unit;
Engine 4 purchased in 1952, 1000-gallon unit;
Aerial Ladder 1 in commission since 1937, motor completely overhauled in 1952;

Special Service Truck purchased in 1945, equipped for emergency calls and usable as ambulance;

Life Boat purchased in 1952, a 14-foot metal boat with outboard motor and life-saving equipment;

Chief's car and the deputy's car both purchased in 1951, and 1½-ton utility pick-up truck bought in 1952 are in use for departmental duties.

At Highland Station.

Engine 2 in service since 1927, 750-gallon unit;
Aerial Ladder 2 purchased in 1952, 65-foot steel aerial ladder.

At Park Circle Station.

Aerial Ladder 3 in service since 1949, a Quintuplet Unit comprising 750-gallon centrifugal pumper, 65′ steel aerial ladder, booster pump with attachment, hose carrier, and complement of hand ladders.

In Active Reserve.

Engine 5 purchased in 1929, 750-gallon unit, is complete and ready to aid or replace disabled pumping units.

Apparatus in Retirement (not dependable for emergency service.)

Old Engine 4 purchased in 1931 and old Ladder 2 purchased in 1925 are assigned to the Auxiliary Fire Force for any possible emergencies arising from enemy activities.

For Civil Defense.

Two 500-gallon trailer pumps purchased in 1941 for Civil Defense.

RESPONSE

The Department responded to 1030 calls of which 221 were Box Alarms, 648 Still Alarms (telephone calls), and 161 Mutual Aid (out-of-town calls). There were no Multiple (two-alarm) fires.

This is the greatest yearly number of alarms to which the Department has responded in its history.

In 1951 there was a total of 850 calls.

A summary of alarms revealed that the greatest number of such calls occurred in the month of November; that more occurred on Saturday than any other day of the week, and also that of these calls the largest number were between the hours of 11:00 a.m. and noon and between 3:00 p.m. and 4:00 p.m.

Seventy-four false alarms were sounded as compared with 34 in 1951.

The Special Service Rescue Unit responded to 46 First Aid emergency calls where the Resuscitator and the Inhalator were requested for the administration of oxygen to persons in critical condition through serious illness or who were accidentally overcome by toxic fumes.

FIRE LOSSES

Sixty-seven losses occurred, 8 of which accounted for $26,241.25 of the entire yearly loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and the amount of insurance paid are as follows:

	Assessed Value	*Insurance*	*Damage*	*Insurance Paid*
Buildings	$ 966,200.00	$ 1,058,000.00	$ 27,547.77	$ 27,547.77
Contents	108,300.00	107,300.00	8,362.62	8,162.62
Total	$1,074,500.00	$ 1,165,300.00	$ 35,910.39	$ 35,710.39

FIRES WHICH CAUSED LOSS OF MORE THAN $1,000

February 4, Edna Lovering, 91-93 Summer Street	$ 3,372.20
February 13, Arlington (Town of), 730 Massachusetts Avenue	4,326.00
April 13, Orlando Fanuele, 102 Gloucester Street	3,601.45
July 7, Albert Martins, 35-35A Lafayette Street	2,499.00
September 1, William Kirchner, 60 Hamlet Street	1,900.00
September 5, Antonio Malva-Gomes, 11 Kimball Road	4,500.00
December 22, Moore Realty Company, 20 Ernest Road	3,025.00
December 31, Maurice Kenney, 96 Jason Street	3,017.60

APPROPRIATION

1952 Appropriation	$400,857.77
Expended	396,886.33
Balance	$ 3,971.44

CREDITS

Fees for 47 permits to blast	$23.50
Fees for 12 permits for inflammables	6.00
	$29.50

REPORT OF DEPARTMENT SURGEON

Dr. Edward W. Feeley, Department Surgeon, rendered the following services in 1952: House calls 8, office calls 25, station calls 3, and physical examination 1. In addition he responded to many alarms and had conferences with the Chief on medical matters pertaining to the Department.

REPORT OF CHAPLAIN

Reverend Charles A. McCarthy, Chaplain, submitted the following report: "It has been a pleasure and a privilege to serve for the past year as Chaplain of the Arlington Fire Department. I have visited the Circle and Highland Stations about twice a month, and the Headquarters Station about once a week. I have been available to the men at all times at the Rectory.

"I have visited four fire fighters who were in the hospital and two who were sick at home. I also attended the funeral of the father of one of the men.

"I have had numerous visits from the men at the Rectory and have tried at all times to be of help to them.

"The off-duty members of the Department attended Mass in a body at St. James Church during the month of May and took part in a Communion Breakfast at St. James School immediately afterwards. They were addressed by representatives of the Public Works Department of the Town and the Board of Selectmen. The principal address was given by Rev. Charles R. Flanigan, Principal of St. Sebastians School.

"I marched with the Fire Department Detail on Memorial Day, taking part in the Service at Mt. Pleasant Cemetery. I also took part in the Service on Memorial Sunday. I have responded to many alarms and I hope to be of service to you, the Officers and Members of the Department during the coming year."

FIRE PREVENTION

All places of business, public buildings, schools, hospitals, convalescent homes, and places of public assembly were inspected each month, a yearly total of 9,100 inspections.

Record was made of existing conditions with the date when corrections were made.

Nine fires occurred in these regularly inspected places, causing a loss of $6,156.60. It is quite noticeable that losses by fire sustained in mercantile establishments during the year were almost at a minimum. In a large measure our routine inspections are responsible for such a small fire loss.

Recharged 250 fire extinguishers in these buildings.

INSPECTION OF DWELLINGS

The Twenty-ninth Annual Voluntary Inspection of the cellars of every home in Arlington by the Fire Fighters was made during Fire Prevention Week, October 5-11 when 9,173 houses were inspected. A record was made of each inspection.

The Fire Fighters, who donated their off-time for this tremendous task, called attention to possible fire hazards existing many times unknown to both owner and occupant. It is through simple precautionary measures that lives and homes can be saved from destruction by fire.

One-half of the lives lost by fire occur in dwellings, and ninety per cent of all fires can be prevented by the elimination of common hazards.

Fifteen fires occurred in cellars of residences, and of these 8 were caused by defective oil burners. There were 25 cellar fires in 1951.

The following is compiled as a result of Dwelling House Inspections:

Total houses	9,173
Singles houses	5,942
2-apartment houses	3,021
Of more than two apartments	210
Vacant apartments	—
Combustible roofs	2
Houses with power oil burners	6,731
Houses with range oil burners	4,427

INSPECTIONS

Dwellings	9,173
Mercantile	9,100
Power oil burners	700
Range oil burners	50
Total inspections	19,023

FIRE DRILLS IN SCHOOLS

The annual fire drill under the supervision of the Officers of the Fire Department was conducted in public, parochial and private schools.

A record was made of the number of classrooms, pupils, exits used and the time required to vacate each building, a copy of which was sent to the School Department.

TRAINING OF FIRE FIGHTERS

Routine drills were held but in a modified manner for we are without the advantage of a drill tower most essential for the proper training of personnel.

COMMITTEE ON RULES AND REGULATIONS

In 1949 the National Board of Fire Underwriters in its Survey recommended that a Bureau of Fire Prevention, a Division of the Fire Department be established with a code of rules and regulations. As a result of the 1951 Town Meeting, such a committee was appointed to formulate these rules. The Committee is still in active discussion.

AUXILIARY FIRE DEPARTMENT

Standing by and willing to assist is our Auxiliary Fire Force of about 40 members who organized March 9, 1951.

RECOMMENDATIONS

For the year 1953 recommend that $404,147.29 be appropriated to include the replacement of Engine 2 in service since 1927.

Requested the appointment of 8 new men and asked for the consideration of plans for new drill tower and yard.

CONCLUSION

To the Members of the Board of Selectmen for kind indulgence and interest in the welfare of the Fire Department, my sincerest thanks. To the Finance Committee for continued support and understanding, my appreciation. To the various Boards and Heads of Town Departments for cooperation, my gratitude. To the Auxiliary Fire Force, ever ready to assist. my warm praise. To my own Officers and Men for their support and loyalty, my deepest thanks.

Respectfully submitted,

RICHARD J. TIERNEY
Chief, Fire Department

Report of the Fire and Police Signal System

To The Honorable Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

As Superintendent of the Fire and Police Signal System I submit my Fourth Annual Report for the year ending December 31, 1952.

The System is maintained by Assistant Superintendent Lester W. Cameron together with Signal Maintainers Nicholas J. Bucciero and Frederick J. Manning.

March 2, Nicholas J. Bucciero appointed Signal Maintainer to replace Kenneth B. Colbert who resigned February 9.

FIRE ALARM AND POLICE SIGNALS

Many open circuits occurred. Some were caused by aerial lines and cable breaking during storms and others when poles and pedestals were damaged by automobiles. Many difficulties were experienced as the result of general breakdowns in spliced connections in the System throughout the Town.

Automobiles struck and damaged:

Box 31 Massachusetts Avenue - Medford Street, twice
Box 712 Brattle Street - Summer Street
Box 42 Police Box, Massachusetts Avenue - Lexington Line

Box 15, Massachusetts Avenue - Winter Street, moved 5 feet for street construction.

Box 753, Park Avenue Extension - Blossom Street, moved to Park Avenue - Branch Avenue.

Box 841 moved 200 feet and installed on Wollaston Avenue - Wachusett Avenue.

Installing the following new fire alarm boxes:

42 Massachusetts Avenue - Swan Place
332 Columbia Road - Upland Road West
376 Woodside Lane - Hazel Terrace
8612 Dow Avenue - Rhinecliff Street
8451 Appleton Street - Udine Street
8651 Concord Turnpike - St. Camillus Church
844 William Street - Perth Road

Peerless 3-fold boxes replaced following (1890) Gardner-type boxes:

Box 512 Massachusetts Avenue - Mill Street
55 Massachusetts Avenue - Brattle Street
533 Massachusetts Avenue - Prentiss Road

Installed following new police boxes:

Box 433 Summer Street - Franklin Avenue
216 Mystic Street - College Avenue

Police Box 6 in Cell Room at Police Headquarters replaced by 3-Call Box.

CABLE CONSTRUCTION

Replaced 10-conductor underground cable:

Lake Street from Box 15, Massachusetts Avenue to Freeman Street;
From Test Terminal on Massachusetts Avenue to Box 71, Lowell Street.

Replaced 6-conductor aerial cable:
Florence Avenue from Park Avenue to George Street;
Park Avenue Extension - Forest Street from Lowell Street to Forest Street to Winchester Line;
Highland Avenue from Massachusetts Avenue to Eastern Avenue;
River Street from Warren Street to Exeter Street.

Replaced 6-conductor underground cable:
Park Avenue Extension from underground pole on Park Avenue Extension to Peirce School.

Warren Peirce Playground, 6-conductor underground cable, installed 3-inch conduit from High School to Police Box 321 at Gate to ball field.

REPLACING BATTERIES

Installed new batteries in local and main Battery, 39 cells; and 49 cells in Battery 1 and Battery 8.

Repaired Air Compressor for Whistle at Fire Department Headquarters.

Bell signals at Highland Station and Arlington Heights discontinued; towers in need of repair.

Steam Whistle on Metropolitan Pumping Station was disconnected when Station converted to diesel power.

AIR RAID SIGNALS

The following air raid sirens controlled from Fire Department Headquarters were tested April 25 at 7:30 p.m:

Florence Avenue - George Street
Summer Street - Mill Street
Summer Street - Park Avenue Extension
Broadway - Everett Street
Lake Street - Margaret Street
Highland Avenue - Ottawa Road
Mystic Street - College Avenue

SPECIAL DETAILS

Made 28 transfers of lines to new poles.

Painted all fire and police signal boxes throughout the town.

Installed 12-v Two-way Radio on new Engine 4; replacing old 6-v radio.

Arranged Christmas lighting and decorations at the Town Hall, Library, on Tree at Monument Park, at Fire Department Headquarters and at Highland Station.

SURVEY COMMITTEE

The Committee appointed in 1951 to survey the Fire and Police Signal System held several meetings and made surveys primarily to report and recommend replacement of 66-conductor cable extending from Fire Department Headquarters to the Highland Station. This Committee has requested the appropriation of funds to purchase the necessary cable. It will continue actively in an effort to improve the Fire and Police Signal System.

APPROPRIATION

1952 Appropriation	$19,295.09
Expended	18,971.17
Balance	$ 323.92

RECOMMENDATIONS

For the year 1953 recommend that $24,392.34 be appropriated to include installation of 15 fire alarm boxes and 5 police signal boxes.

CONCLUSION

To Lester W. Cameron, Assistant Superintendent of the Fire and Police Signal System for his untiring efforts in maintaining this System, my gratitude.

Respectfully submitted,

RICHARD J. TIERNEY

Superintendent

Fire and Police Signal System

Report of the Inspector of Buildings

January 12, 1953

To the Honorable
Board of Selectmen
Arlington, Massachusetts

Gentlemen:

I herewith submit my report of the inspection of building, plumbing and gas for the year ending December 31, 1952.

Four Hundred and Seventy-eight (478) building permits were issued, classified as follows:

239	Dwellings, 1-Family	$2,249,000.00
1	Church	45,000.00
2	Reroof Buildings	155.00
1	1-story Building	5,000.00
1	Move Diner	500.00
1	Elevator	300.00
5	Additions to Buildings	2,750.00
42	Additions to Dwellings	83,875.00
1	Addition to Parish House	100,000.00
1	Addition - Porch	10.00
27	Alteration to Dwellings	35,625.00
4	Alteration to Buildings	1,225.00
1	Lubritorium	5,500.00
68	Reroof Dwellings	22,863.70
1	Tent	00.00
31	Signs	6,301.00
13	1-car Garage	9,020.00
10	2-car Garage	13,900.00
22	Demolish Buildings	2,230.00
4	Demolish Dwellings	975.00
1	Demolish Greenhouse	50.00
2	Service Stations	20,000.00
478		$2,604,279.70

FEES

Fees for the year 1952 are as follows:

478	Building Permits	$1,597.00
813	Plumbing Permits	1,280.50
606	Gas Permits	302.50
	Total	$3,180.00

Respectfully submitted,

HERBERT J. LEARY
Inspector of Buildings

Report of the Boards of Appeals

December 31, 1952

To the
Honorable Board of Selectmen,
Arlington, Massachusetts

Gentlemen:

The Boards of Appeals herewith report on their activities for the calendar year ended December 31, 1952.

The combined Boards held hearings on forty-two (42) cases. As of the close of the year there are two (2) cases on hand, they having been entered shortly before December 31st. The hearings have been scheduled for January 7, 1953. It may be noted that this total of cases represents a marked decrease from the case-loads of prior years, dating back to the inception of the Boards as presently constituted.

The Zoning Board of Appeals heard thirty-three (33) cases. Of these twenty-six (26) were appeals from decisions of the Inspector of Buildings. The Board allowed twenty-three (23) appeals, two (2) subject to stated conditions. Of the appeals heard two (2) were denied and the Board took no action with respect to one (1) appeal. This last mentioned situation was determined to constitute an existing use of property as of the effective date of the amendment to the by-law. Nine (9) peitions were presented to the Zoning Board of Appeals. The Board allowed six (6), three (3) subject to restrictions. Two (2) petitons were denied and permission was granted for the withdrawal of one (1) without prejudice to the petitioner.

The Board of Appeals, under the Building Code, heard seven (7) appeals from rulings of the Inspector of Buildings. Of the cases heard six (6) appeals were allowed, five (5) subject to conditions. The Board dismissed one (1) appeal.

Respectfully submitted,

JOHN R. SALMON

CLIFFORD E. LANSIL

ROBERT W. BLAISDELL

Report of the Wire Department

January 12, 1953

To the Honorable Joint
Board of Selectmen and
Board of Public Works
Arlington, Massachusetts

Gentlemen:

I respectfully submit herewith my thirteenth annual report as Inspector of Wires for the year ending December 31, 1952.

STREET LIGHTING

The street lighting in service December 31, 1952 was as follows:

800	Lumen Incandescent Lamps	1601
1,000	Lumen Incandescent Lamps	19
2,500	Lumen Incandescent Lamps	34
4,000	Lumen Incandescent Lamps	23
6,000	Lumen Incandescent Lamps	381
10,000	Lumen Incandescent Lamps	128
15,000	Lumen Incandescent Lamps	10

INSPECTION OF WIRES

One thousand, eight hundred and nineteen (1,819) permits for electrical work were issued during the year. Fees collected amounted to eight hundred and eighty-one dollars ($881.00).

Mr. Walter McCulloch received a temporary appointment April 8, 1952 as Assistant Inspector of Wires, and received his permanent appointment November 17, 1952.

POLES AND WIRES ON STREETS

The Boston Edison Company replaced twelve (12) poles and the New England Telephone and Telegraph Company replaced seventy-nine (79) poles during 1952.

Due to an overload of work and lack of trained men, both utility companies have been slow to remove replaced poles. This condition is being overcome and replaced poles are to be removed more promptly.

I wish to express my thanks to your Honorable Board and the various Departments of the Town for their cooperation and courtesy during the year.

Respectfully submitted,

ROBERT L. REID

Inspector of Wires

Report of the Sealer of Weights and Measures

Gentlemen:

I respectfully submit my fourth annual report as Sealer of Weights and Measures for the year ending December 31, 1952.

Scales	*Adjusted*	*Sealed*	*Condemned*
Platform, over 10,000 lbs.	—	3	—

Totals	11	380	18

This Department has turned into the Town Treasurer the sum of $173.40 which was collected as Sealing fees. The Town Treasurer also received $150.00 in payments for Hawker's and Peddler's licenses.

I would like to take this opportunity to extend my appreciation to the Honorable Board of Selectmen and their staff for their cooperation during the year.

Respectfully submitted,

JAMES J. DOLAN

Sealer of Weights and

Measures

Annual Report of Department of Veterans' Services

The Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

Submitted herewith is the eighth annual report of the Department of Veterans' Services covering the calendar year 1952.

The department is bound by law to furnish financial assistance to veterans of all wars and their legal dependents who qualify under the terms of Chapter 115, General Laws of Massachusetts, and to the dependents of service men and women during periods of war when pay and allotment checks are delayed for some reason or other. A thorough investigation must be made in each case. These types of aid are called Veterans' Benefits, War Allowance and Burial Aid. The enactment of Chapter 723 of the Acts of 1945 and subsequent amendments thereto have made it mandatory that this department furnish to veterans, their dependents and other kin such information, advice and assistance as may be necessary to enable them to procure the benefits to which they are or may be entitled relative to employment, vocational or other educational opportunities, hospitalization, medical care, pensions, compensation and other veterans' benefits. It also provides that the department shall have on hand copies of current booklets and other printed matter pertaining to the statutory rights of war veterans provided under state and federal laws. The Director must work in close co-ordination with the U. S. Veterans Administration, Army, Navy and Air Departments, the Selective Service Boards, the Department of Labor and other Federal agencies which have to do with service men, veterans and their dependents as well as with our various state departments and the organizations of veterans. All such activities come under the head of Veterans' Services, a tabulation of which follows:

Photostatic copies made	3,891
Documents notarized	136
Discharges recorded in Town Archives	1,780
Counsel and information	
At office	781
By telephone	432
Housing, Employment and Civil Service	
Office interviews	131
Telephone calls	720
Letters	114
Selective Service, Allotments, Discharges From Service, Etc.	
Office interviews	419
Telephone calls	635
Letters	218
Administrative, Business, Etc.	
Office interviews	223
Telephone calls	401
Letters, history entries and records	1,345

Veterans Administration Matters

Office interviews	526
Telephone calls	931
Home visits	81
Hospital visits	51
Other visits	386
Veterans Administration forms completed	184
Letters	287
Total for the year 1952	13,672

A study has been made of the results obtained from contacts with the U. S. Veterans Administration in the prosecution of claims for compensation, pension, insurance, hospitalization, G. I. Bill benefits, etc., during the past seven years and the manner in which the Town of Arlington has benefited is shown in the following tabulation:

Total number of claims handled since October 1, 1945	538
Claims initiated in this office since 1945	263
Claims initiated elsewhere but taken over by this office	275
Claims successfully prosecuted and awards obtained, continued, confirmed or increased	184
Total of cash benefits accruing to claimants during the calendar year 1952	$120,131.08
Estimated total of money saved to the Town of Arlington by reason of successful prosecution of claims of persons who would otherwise be beneficiaries of this department	$ 95,208.28
Number of applicants for Veterans' Benefits who were kept off of our rolls, or, if aided, were dropped from the rolls or had their aid substantially reduced by reason of awards made	103

Of the 538 claims abovementioned many were for benefits provided by the so called G. I. Bill of Rights, for hospitalization and medical and dental treatment. Such claims as these did not often bring direct cash benefits but, indirectly, brought about a saving to the veterans and to the Town. If, for reasons of economy, Congress should vote to repeal laws which provide pensions, hospitalization and other benefits for disabled veterans whose disabilities have not been shown to be due to their war service, it is conceivable that our roster of aid cases would be tripled and, maybe, quadrupled and the cost (of aid) to the Town increased to $100,000.00 per year or more.

In addition to the Veterans Administration claims, this office has also assisted claimants for Social Security, U. S. Employees Compensation, Railroad Retirement and other benefits.

A tabulation of administrative work connected with the disbursement of financial aid to needy veterans and their dependents and to the needy dependents of persons on active duty with the armed forces of the United States, the amounts disbursed under the several classificaitons of aid and the sums recaptured and returned to the General Fund of the Town follows:

VETERANS' BENEFITS, WAR ALLOWANCE AND BURIAL AID

Office visits (applications, interviews, investigations, etc.)	787
Home visits (applications, interviews, investigations, etc.)	333
Hospital visits (applications, interviews, investigations, etc.)	31
Other visits (Interviews and investigations)	291
Telephone calls	1,912
Applications completed, history entries, records and letters	3,264
Total for year 1952	6,618

Cases on rolls:

(a) Settled in Arlington	83
(b) Settled in another community	4
(c) State settled	2
Applications and re-applications received	121
Applications and re-applications accepted	89
Applications and re-applications rejected or withdrawn	20
Applications referred to other communities or elsewhere	12
Refund cases	4

Disbursements to or on behalf of veterans, service men and their dependents for the period January 1, 1952, through December 31, 1952, were as follows:

Veterans' Benefits (Needy cases, State participation 50% of authorized payments)	$26,907.37	
War Allowance (Needy dependents of persons in active service. Full reimbursement by State)	603.55	
Burial Aid:		
Chapter 115, General Laws of Mass. (Needy cases, State participation 50% in Arlington settled cases and 100% in all other cases)	450.00	
Chapter 573, Acts of 1946, (Reimbursement of recognized organizations of veterans for expenses incurred in providing military honors at funerals of veterans who died overseas in World War Two and the Korean War. State participation 100% of authorized expenditures)	66.00	
Total disbursement		$28,026.92

Reimbursement received by Town Treasurer from State Treasurer in year 1952		
Veterans' Benfits	$11,011.54	
War Allowance	214.30	

Burial Aid:		
Chapter 115	0.00	
Chapter 573	79.80	
Received from other municipalities	226.00	
Refunds from beneficiaries	110.00	
Total returned to Town Treasury		11,641.64
Net expenditures		$16,385.28

Following the pattern of the previous year there was an increase in costs all along the line. During the last month there was evidence that a peak had been reached and that living costs at least would be somewhat lower during the year 1953. Fortunately there has been no unemployment problem. We have had no employable person on our aid rolls for more than a few weeks and then only because of some unforeseen emergency.

In conclusion we wish to state that the help and co-operation of the Board of Selectmen, their secretary, Mr. Nicksay, and the members of the Advisory Board of the Department of Veterans' Services and the efficient and faithful service of the employees of the department are gratefully acknowledged.

Respectfully submitted,

CHARLES R. ARMOUR

Director

Report of the Arlington Housing Authority—1952

(Incorporating Report of Robert Hauser, the Executive Director)

We are pleased to submit this our fourth annual report for the calendar year 1952.

At the annual meeting of the Authority, Mr. Myron D. Chace was re-elected Chairman, Mr. Joseph S. Vahey, elected Vice-Chairman, Mr. Cornelius J. Brosnan, Treasurer, Mr. John P. Kedian, Assistant Treasurer. Mr. W. Dale Barker, resigned from the Authority in March. At a joint meeting of the Board of Selectmen and the remaining members of the Arlington Housing Authority on April 28, 1952, Mr. James A. Coffey was appointed to fill this vacancy.

The outset of the year 1952 found the Arlington Housing Authority engaged in two major enterprises. First, the management of 126 apartments in project 200-1; second, the construction of 50 additional apartments of project 200-2. As to the new apartments, the work progressed through the first part of the year so that initial occupancy was achieved in August. These were completely occupied by October. The total cost of this project will be approximatedy $690,000.00, and will yield rents of approximately $2,000.00 per month. The Authority reviewed more than 400 applications for housing in order to accomplish the selection of 50 families for occupancy. In the construction of these 25 duplex homes, veterans and their families have been properly and adequately housed in a development of which the town can be justifiably proud.

From the 126 apartments previously completed and operating, the Authority has collected over $62,000.00 in rents for the year ending 1952. In March of 1952 the Authority paid to the town the sum of $3,003.88, in lieu of taxes. This is over five times the amount the town would have realized in actual taxes if the land had remained at the same assessed valuation as of the time the Authority purchased it. Twelve vacancies occurred during the year. These vacancies were immediately filled with other needy veteran families.

The Authority wishes to thank all the various departments of the town for their help and cooperation in various matters affecting the Arlington Housing Authority.

Respectfully submitted,

Arlington Housing Authority

MYRON D. CHACE, Chairman
JOSEPH S. VAHEY
CORNELIUS J. BROSNAN
JOHN P. KEDIAN
JAMES A. COFFEY

Report of the Joint Board of Selectmen and Public Works

The Forty-Ninth Annual Report of the Joint Board of Selectmen and Board of Public Works for the year ending December 31, 1952, is herewith submitted in accordance with the provisions of Section 3 of Article 3 of the Town's By-laws.

At the Annual Election held on March 3, 1952, Mr. Marcus L. Sorensen was re-elected as a member of the Board of Selectmen and Mr. Thomas J. O'Neill was re-elected as a member of the Board of Public Works, both to serve for a period of three years and by virtue of their re-election became members of the Joint Board.

The Board organized at the meeting held on March 10, 1952, at which time Mr. Edmund L. Frost was elected to serve as Chairman and Mr. Thomas R. Rawson as Vice-Chairman.

In accordance with past custom semi-monthly meetings were held with the exception of the months of July and August. At the first meeting in September, however, the Board voted to hold meetings every two weeks until further notice. This resulted in a total of twenty-two regular meeting and five special meetings throughout the year.

Detailed activities of departments under the jurisdiction of the Joint Board being covered elsewhere in this report, we offer the following informative facts as a supplement thereto.

STREETS

Continuing the policy pursued during the past few years, the Board again considered a street construction program and voted to again sponsor such a program, but due to legal difficulties encountered in the past two years, reverted to its original policy whereby the construction would include sidewalks and property changes, which had been previously deleted to curtail the cost of betterments. Out of twenty-six applications received, the Board voted its intention to accept and construct eleven of these streets, but in view of the objections raised at the subsequent hearings to the expense involved for such construction, only five streets were ultimately recommended for acceptance and construction. All five streets were built under private contract.

Under Chapter 90 of the General Laws, contracts were awarded for the repair, reconstruction and widening of the following ways:

Massachusetts Avenue, from the Cambridge Line to Orvis Road

Pleasant Street, from the Concord Turnpike 700′ (more or less) northeasterly

Pleasant Street widening at Lakeview

Medford Street, from Warren Street to the Mystic Valley Parkway

The State and County shared in these improvements with an allotment of $32,000.00, from the State and the County and Town each contributed $16,000.00 as their proportionate share.

Request has again been made of the State and County for projects to be considered under Chapter 90 allotments in 1953, for the following locations:

Massachusetts Avenue, from Orvis Road to Franklin Street	$42,120.00
Summer Street, from Mystic Street to Brattle Street	$36,600.00

SIDEWALKS AND EDGESTONES

The installation of permanent sidewalks and granite edgestones, under the provisions of law authorizing the assessment of betterments, has been continued at the instigation of abutters applying for such improvements. An appropriation of $20,000.00 was voted at the Annual Town Meeting for this purpose and the Public Works Department again undertook the task of performing this construction with Town labor.

STREET LIGHTING

The street lighting schedule has been continued throughout the year and additional lighting has been installed on public and private ways wherever it was considered necessary. Surveys were conducted on Pleasant Street and Medford Street, which resulted in the installation of lights of greater lumen power, as well as more lights on these streets, for the protection of the public.

BOARD OF SURVEY PLANS

The Board, sitting as a Board of Survey, held public hearings and approved the following changes and Board of Survey layouts, in accordance with the General Laws:

Change of Name

Langley Road, from Upland Road to South of College Avenue, name changed to Adamian Park

Change of Grade

Orient Avenue, from Station 2 + 75 to Station 4 + 40

Westmoreland Avenue, from Station 2 + 50 to Station 6 + 60

Oldham Road, from Station 3 +25 to Station 6 + 75

Arrowhead Lane, from Station 4 + 0 to Station 6 + 82.43

Change of Lines

Oldham Road, from west of Country Club Drive to Ridge Street

Layouts Accepted

Memorial Way, from Gardner Street easterly to its end
Longmeadow Road, from Old Middlesex Path to Windmill Lane
Part of Arrowhead Lane, from Windmill Lane southerly
Part of Old Colony Road, from Windmill Lane to Arrowhead Lane
Part of Crosby Street, from south of Upland Road to north of Spurcliff Road
Regis Road, from River Street to Everett Street
University Road, from River Street to Everett Street
Yale Road, from River Street to Everett Street
Everett Street, from Ernest Road to Yale Road
Granton Park, from Fremont Street southerly to its end
Cherokee Road, from Old Middlesex Path to Ridge Street
Old Colony Road, east of Old Middlesex Path to Cherokee Road
Old Middlesex Path, from Longmeadow Road to Old Colony Road
Morton Path, from Spring Street to the Concord Turnpike

ITEMS OF GENERAL INTEREST

During the year petitions were received from the Boston Edison Company and the New England Telephone and Telegraph Company for the location and relocation of poles, underground cables, conduits and manholes upon or beneath the surface of public ways in the Town.

The Board wishes to extend its sincere appreciation for the cooperation and assistance received during the past year from other Boards, heads of departments, appointed committees and personnel under its jurisdiction, with particular commendation to its immediate staff for their efficient service.

Respectfully submitted,

EDMUND L. FROST

WALTER T. KENNEY

MARCUS L. SORENSEN

THOMAS R. RAWSON

JOSEPH P. GREELEY

THOMAS J. O'NEILL

Joint Board of Selectmen
and Board of Public Works

Report of the Board of Public Works

The Board of Public Works herewith submits its annual report for the year ending December 31, 1952.

After due consideration of the results of the examination held for the position of Secretary and Head Clerk, Public Works Department, and certification by Civil Service, Warren E. O'Leary was appointed Secretary and Head Clerk, Public Works Department. Mr. O'Leary had performed the duties of this position for a period of four years from April of 1948 or since the death of the previous incumbent.

At the Town Meeting held on March 3, 1952, Thomas J. O'Neill was elected a member of the Board of Public Works for a term of three years. The Board organized on March 10, 1952 with the choice of Thomas R. Rawson as Chairman.

During the year the Board held forty-eight regular and five special meetings.

The following are the net expenditures made under the direction of the Board:

General Administration	$ 48,728.23
Highway Maintenance and General, including Snow & Ice	246,196.93
Capital Outlay	45,322.32
Construction of Ways	107,993.59
Construction of Ways (1951)	31,307.16
Construction of Ways (1950)	1,363.91
Construction of Fremont Street (1949)	542.80
Reconstruction of Streets	24,452.11
Reconstruction of Streets (1951)	36,276.80
Reconstruction of Streets—Sidewalks and Edgestones, Park Circle	4,294.06
Widening of Roadway, Reconstruction of the Sidewalk and Curbing, Pleasant Street from Swan Street to Massachusetts Avenue	2.706.46
Storm Drains	46,707.95
Sanitary Division	197,043.19
Sewer Extensions	76,666.33
Sewer Maintenance	21,364.65
Water Maintenance	143,779.81
Water Extensions	74,024.86
Sidewalks and Edgestones	18,769.87
Sidewalks and Edgestones, Summer Street and Forest Street	18,167.25
Repairs of Buildings, Town Yard	571.14
Special Compensation for Town Officers and Employees	23,657.67
Increase Salaries or Wages, Article 9	36,709.41
	$1,206,646.50

RECONSTRUCTION OF STREETS
(RELOCATION, ALTERATION, AND WIDENING, CONSTRUCTION OF, SPECIFIC REPAIRS UPON AND IMPROVEMENT OF ALL OR ANY PARTS OF MASSACHUSETTS AVENUE, MEDFORD STREET AND PLEASANT STREET)

Appropriation	$16,000.00
Received from State	11,680.32
Received from County	5,840.16
	$33,520.48
Expenditure	24,452.11
Balance, December 31, 1952 (Carried forward to 1953)	$ 9,068.37

Massachusetts Avenue, both sides from the Cambridge Line to the vicinity of Grafton Street was reconstructed by the John P. Condon Corporation. This work was done under Chapter 90 of the General Laws, the State contributing 50% and the County and Town 25% each. The final payment has not been made to the Contractor. Contract for the reconstruction of Pleasant Street from the Concord Turnpike a distance of 850 feet; a section of Pleasant Street about 120 feet south of Spring Valley and extending in a northeasterly direction for about 650 feet; and Medford Street, from Warren Street to Mystic Valley Parkway has been awarded to the Vulcan Construction Company and will be completed in the early part of 1953.

RECONSTRUCTION OF STREETS (1951)
(RELOCATION, ALTERATION, AND WIDENING, CONSTRUCTION OF, SPECIFIC REPAIRS UPON AND IMPROVEMENT OF ALL OR ANY PART OF BROADWAY, MYSTIC STREET, PARK AVENUE, MASSACHUSETTS AVENUE OR PLEASANT STREET)

Balance brought forward	$ 9,961.80
Received from State	18,243.12
Received from County	9,121.56
	$37,326.48
Expenditure	36,276.80
Balance, December 31, 1952 (Carried forward to 1953)	$ 1,049.68

In conjunction with Chapter 90 work for 1951, the following were completed early in 1952—Broadway, from Bates Road to the Somerville Line; Mystic Street Widening at Beverly Road; and Park Avenue, from Cedar Avenue to Concord Turnpike. The State contributd 50% and the County 25% toward the cost of this work.

RECONSTRUCTION OF STREETS
SIDEWALKS AND EDGESTONES—PARK CIRCLE

Appropriation	$ 6,000.00
Expenditure	4,294.06
Balance, December 31, 1952	$ 1,705.94
(Carried forward to 1953)	
This work to be completed in 1953	

WIDENING OF ROADWAY, RECONSTRUCTION OF THE
SIDEWALKS AND CURBING, PLEASANT STREET,
FROM SWAN STREET TO MASSACHUSETTS AVENUE

Credit for Article 9 for nine months	8,083.80
	$197,043.19

On November 1, 1952 the contract with Frank Reynolds Estate for the conveying of garbage from the Town of Arlington expired. The Board, after considering all factors, decided to advertise for the pick-up, removal, and disposal of garbage from the Town of Arlington by contract. Upon opening the bids it was determined that a substantial savings could be made by awarding contract for the pick-up, removal and disposal of garbage.

ARLINGTON WATER WORKS

Arlington, Middlesex County, Massachusetts

Population by census of 1950, 43,984.
Date of construction low service, 1872; high service, 1894.
By whom owned, Town of Arlington.
Source of supply, Metropolitan Water System.

Consumption

1. Estimated total population at date, 45,000
2. Estimated population on lines of pipe, 45,000
3. Estimated population supplied, 45,000
4. Total consumption for the year, 1,197,700,000 gallons
5. Percentage of consumption metered, 100%
6. Average daily consumption, 3,272,400 gallons.
7. Gallons per day per capita, 73

Distribution

(including auxiliary supply from old Reservoir)

Mains

Ten thousand, one hundred and twenty seven feet of new water mains were laid during the year and connected with the Metropolitan System. Nine hundred and seven feet of mains were re-laid during the year. Details of regular water main construction will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 10,127.
4. Number of feet renewed during year, 907.
5. Discontinued during year, 907.
6. Total now in use, 108.375 miles.
7. Cost of repairs per mile, $143.11.
8. Length of pipe less than 4 inches in diameter, 283 feet.
9. Number of hydrants added during year, 15.
10. Number of hydrants now in use, 1,141.
11. Number of stop gates added during year, 72.
12. Number of stop gates now in use, 2,603.
13. Average pressure on mains at center of Town, 110 high system, 65 low system.

Services

Two hundred and eighty eight new services have been added during the year and four were abandoned. There are for all purposes 4,053 on the low, 5,989 on the high, and 3 on the old reservoir system. On the Metropolitan water supply there are 75 services for municipal purposes, 33 sprinkler services, and 44 for sewer flushing purposes included in the above. On January 1, 1953, 262 services were temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron and lead, 3 inch to 6 inch cast iron.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 288.
4. Number of services abandoned during year, 4.
5. Number of services now in use, 10,042.
6. Percentage of services metered, 100%.

Meters

Two hundred and eighty eight meters were set during 1952 on services installed in 1951-1952. The total number of meters in use January 1, 1953 is 10,042.

The members of the Board wish to take this opportunity to express their appreciation to the various Boards, Town Officials, Department Heads and Employees of the Public Works Department for their co-operation during the entire year.

Respectfully submitted,

THOMAS R. RAWSON

JOSEPH P. GREELEY

THOMAS J. O'NEILL

Board of Public Works

Report of the Town Engineer

To the Honorable Joint Board of Selectmen and
Board of Public Works
Town Hall
Arlington, Mass.

Gentlemen:

The following is the annual report of the operations in the Engineering Department for the year ending December 31, 1952.

This department was taxed beyond capacity in 1952 because of the construction of five newly accepted streets, the large number of sewer, water and storm drain main extensions, building applications, lien requests, several takings, benefited area, acceptance and construction plans in addition to an unusual amount of miscellaneous work.

It has been impossible to keep the records and plans of installation of underground structures up to date and we have been delayed in the levying of assessments for various projects because of lack of employees which is due primarily to the low wage scale now in force.

It was necessary for the employees of this department to work overtime in order to keep pace with plans and calculations that were absolutely necessary and that could not be delayed until some future date.

The time thus spent amounted on an average of sixty hours per week for the entire year.

I wish to take this opportunity to express my appreciation of the cooperation of the various Board members, Town officials and employees of the Department.

Annexed to this report is a table of general statistics pertaining to the Town and a list of public and private streets as of January 1, 1953.

Respectfully submitted,

J. M. KEANE

Town Engineer

GENERAL STATISTICS

Arlington is situated six miles northwest of Boston, in latitude 42 deg., 25 min. north; longitude 71 deg., 09 min. west, at an elevation above mean tide of from 4 to 377 feet.

Massachusetts Avenue at Cambridge line, elevation 10 feet.
Massachusetts Avenue at Pleasant Street, elevation 48 feet.
Massachusetts Avenue at Park Avenue, elevation 155 feet.
Park Circle at Eastern Avenue (base of standpipe), elevation 377 feet.
Crescent Hill Avenue at Park Place, elevation 281 feet.

The Town and a part of what is now Belmont were set off from Cambridge and incorporated as West Cambridge in 1807. The name was changed from West Cambridge to Arlington in 1867.

Area of Town, including that covered by water, 3,517½ acres, 5½ square miles; area covered by water, 268.2 acres.

Parks:Town 148.24 acres; Metropolitan, 52.25 acres.

Total cemetery areas, 51.20 acres.

Public streets and Town ways; Macadam, 21.40 miles; Macasphalt, 0.27 miles; Colprovia, 0.29 miles; Kyrock, 0.47 miles; oiled gravel, 25.18 miles; concrete, 0.87 miles; bituminous concrete, 23.19 miles; total 71.77 miles.

State Highways and parkways, 5.87 miles.
Private streets open for travel, 36.00 miles.
Length of proposed private street, 9.84 miles.

Permanent sidewalks; Tar concrete, 15.73 miles; brick, 3.12 miles; artificial stone, 56.85 miles.
Edgestones, 50.78 miles.
Sewer system, 98.54 miles.
Water system, 109.38 miles.
Storm drain system, 55.78 miles.
Catch basins, 2233.

Report of the Town Counsel

December 31, 1952

Honorable Joint Board of Selectmen
and Board of Public Works,
Robbins Memorial Town Hall
Arlington, Massachusetts

Gentlemen:

I herewith submit my report for the year 1952 in compliance with Section 3 of Chapter 3 of the By-Laws of the Town.

There have been twenty-two claims against the Town this year. Three have been settled as authorized by the Selectmen, six have brought suit and seventeen are in abeyance. Of the previous years' claims and suits, eleven were abandoned by the claimants without suit, one at the time it was reached for trial, and three were settled as authorized by the Selectmen. There was one verdict against the Town in the amount of $156.71, but the Town's position in all other claims was successfully defended. There were no cases in the Supreme Judicial Court.

The position of the Board of Assessors before the Board of Tax Appeals, the Arlington Board of Appeals before the Emergency Housing Commission and the Inspector of Buildings and Board of Selectmen before the Outdoor Advertising Authority, has been defended.

Substantial amounts of money for aid rendered by the Board of Health and by the Symmes Arlington Hospital have been collected and turned over to the Town Collector.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen and regular and special meetings of the Board of Public Works, has rendered opinions as requested by said Boards as well as other Boards, Departments, Committees and Officers, has attended hearings at State Boards and Commissions, and has been vigilant in all other matters affecting the interests of the Town.

At the biennial state election in the current year, the Town of Arlington accepted Chapter 503 of the Acts of 1952, being "An act establishing a Town Manager Form of Government for the Town of Arlington." Prior to the acceptance thereof, your Counsel issued no formal or official statements or rules thereon.

Since the acceptance of said Act, your Counsel has been subjected to many and varied questions as to its operation, not only by the several Boards and Heads of Departments but also by the Employees and Townspeople. While your Counsel realizes that he is employed primarily for consultation and advice to officials, he has not only spent many hours going over said act and the law relating thereto but has

also taken a great deal of time with Boards, Committees and individuals particularly interested therein.

Your Counsel has endeavored, in the interest of the Town, to answer such queries as they arise, according to his best judgment, in order that the operation of said Act may not be handicapped by assumptions and misinterpretations. There are lawyers and laymen who would disagree with certain rulings and opinions; however, your Counsel is confident that if the rules and opinions are followed, no harm will fall upon the Town under the operation of said Act. Your Counsel has admittedly been cautious but has been so for the best interests of the Town. Thus, in the event any ruling or interpretation of the wording of said Act is submitted to a Court of Law, your Counsel is again confident that as to all official rulings and opinions made by him, the actions of the Town Officials, the Town Employees and the Town Meeting up to that point will not be illegal, regardless of the decision of the Court.

For the kind consideration and cooperation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Board of Public Works, I desire to record my sincere appreciation.

Respectfully submitted,

RUSSELL T. HAMLET

Town Counsel

Report of the Public Welfare Department

January 21, 1953

Honorable Board of Selectmen
Town Hall
Arlington, Massachusetts

Gentlemen:

I herewith submit my report for the Public Welfare Department for the year ending December 31, 1952.

DISABILITY ASSISTANCE

Total Expenditures		$38,292.50
Less Reimbursements and Grants:		
Federal Grants	$ 8,639.91****	
State	13,606.66	
Transfer from A.D.C.—Federal Grants—Aid	4,652.59	26,899.16
Net Expenditures		$11,393.34

**** $8,838.43 Total Federal Grants received in 1952.

198.52 Forward to 1953.

DISABILITY ASSISTANCE was granted to 50 persons.

Our Annual Report for 1951 contained a brief analysis of the new category commonly called Disability Assistance, Chapter 118 D of the General Laws, as enacted by Chapter 741 of the Acts of 1951. This new aid program became effective November 1, 1951.

Disability Assistance was referred to as an additional category of assistance with Federal and State participation which would ease the burden of cities and towns in respect to their General Relief costs. Federal and State reimbursement combined is 75% with 25% to be borne by the community granting the aid. The provisions of the Settlement Law, Chapter 116 of the General Laws, are not applicable to Disability Assistance.

This agency estimated a year ago that 33 1/3% to 50% of the General Relief or Welfare Aid case load would eventually qualify for Disability Assistance. After one year and two months of operation the General Relief load has decreased by 29% in number of cases and by

about 16% in total costs. Meanwhile the Disability Assistance rolls have climbed steadily from 18 to 37 due largely to new applicants who would not have been eligible for General Relief, but who have qualified for Disability Assistance because of its more liberal eligibility requirements with respect to resources. The net gain to the Town of Arlington so far has been approximately 1%, or $605.96, the difference between $54,095.07, the Welfare Aid net cost for 1951, and $53,489.11, the combined net cost of Welfare Aid and Disability Assistance for 1952.

The largest expenditure, of course, was for Old Age Assistance. The lien law against the property of any applicant or recipient was mainly responsible for a drop in case load of about 8%. However, at the same time State Budget Adjustments which are mandatory for cities and towns, have been responsible for an over-all increase in expenditure of about 12%. It is anticipated there will be further increase in State budgetary standards during 1953.

The Agent wishes to express his sincere appreciation to the Honorable Board of Selectmen, and to Town Officials and employees for their friendly cooperation throughout the year. He also desires to thank the staff of the Public Welfare Department and those private agencies, service organizations and individuals who, by their mutual interest and guidance, were responsible for bringing a measure of happiness to less fortunate individuals and families.

Respectfully submitted,

GEORGE V. MORSE,

Agent.

Report of the Inspector of Animals

January 2, 1953

Subject: Annual Report of Inspector of Animals

To: Board of Selectmen

A total of 140 animals in Arlington were examined and quarantined for biting during the past year.

There were no cases of rabies in Arlington in 1952.

It was necessary to remove the head from one animal, and deliver it to the Wasserman Laboratory in Jamaica Plain to be examined. It was found to be free of rabies.

Respectfully submitted,

JOHN J. MURPHY, JR., D.V.M.

Report of the Town Physician

January 5, 1953

Honorable Board of Selectmen,
Town Hall,
Arlington, Massachusetts.

Gentlemen:

I have the honor to submit herewith the report of Medical Inspector of the Department of Public Welfare for the year ending December 31, 1952.

	House	*Office*	*Total*
Aid to Dependent Children	35	99	134
Old Age Assistance	226	323	549
Temporary Aid	50	138	188
Disability Assistance	16	32	48
Veterans' Services	14	30	44

The total number of calls for the year 1952 has been 963.

245 visits were made to the Clinic for Dental Care.

Respectfully submitted,

EDWARD W. FEELEY, M.D.

Report of the Dog Officer

January 5, 1953

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1952 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me are as follows:

Dogs impounded	551
Court complaints	None
Dogs destroyed at pound	21
Dogs returned to owners	135
Dogs contacted on Warrant	1230
Dogs caused to be licensed	1112
Dogs licensed	2035

Complaints registered with me to remove dead or mutilated animals from the highways as follows :

Dogs	109
Cats	161
Skunks	27
Squirrels	43
Pigeons	36
Rats	6
Rabbits	26
Raccoon	1

At this time I wish to thank the Board of Selectmen for advice rendered me in settlement of controversies arising between Dog Owners and Complainants, and to thank Chief Bullock for his splendid co-operation through his department.

My thanks to the Dog Owners of Arlington for prompt attention in the licensing of their dogs during the past year.

SAMUEL F. FEMIA

Dog Officer—Town of Arlington

Report of the Board of Health

The Board of Health herewith submits its Annual Report together with the reports of its appointed officers for the year ending December 31, 1952.

At this time the co-members with Dr. Ernest R. Brooks on the Arlington Board of Health wish to express appropriate and fitting recognition of the long and faithful service that he has performed for the Town of Arlington in the capacity as a member of the Board of Health.

Seldom, if ever, does an individual devote his time and service over such a long period of time in the interest of his Town.

March 1, 1920, Dr. Ernest R. Brooks was elected a member of the Arlington Board of Health. From that time at each election when he sought re-election, he was returned to the office. This year he has announced his intention of not being a candidate when his term expires in March. It was with great reluctance that we accepted this decision, for to be deprived of the services of one who has given so whole-heartedly and unstintingly to the interest of the Town of Arlington is surely a great loss.

In our relationship with Dr. Brooks we have always found him to be cooperative, fair and unbiased in his judgments, true to the Vermont tradition, that problems be settled rationally, economically and quickly—always tempered, however, with prime consideration for the individual, the family and the Town. At no time were his acts motivated by any selfish interest.

As Dr. Brooks retires from active participation in public office, we his co-workers wish him continued health and retention of interest in the affairs of the Town of Arlington that he loves so well.

ARLINGTON BOARD OF HEALTH

Report of the Cemetery Department

Hon. Board of Selectmen,
Arlington, Massachusetts

January 12, 1953

The report of the Cemetery Commissioners for the year ending December 31, 1952 is herewith submitted.

The Board organized March 12, 1952 with Arthur R. Kimball, chairman, and Mrs. Mabel G. Robinson, clerk.

During the year 1952 considerable progress was made in the development of the property on the westerly side of Mill Brook. Several sections of future burial plots were graded, loamed and seeded, and are now considered to be ready for cemetery use. It is our intention to continue work on this property until such time as the entire section has been completed.

Once again we wish to express our appreciation and sincere thanks to the Board of Public Works, Park Commissioners and the Tree Warden for their assistance at various times during the year. Without their cooperation and the use of some of their equipment the cost of developing this property would have been considerably more.

During the year of 1952 Mr. Henry J. Smith, who has been with the Cemetery Commission since 1918, retired. The Cemetery Commissioners would like at this time to express their appreciation to Mr. Smith for his long and faithful services in Mt. Pleasant Cemetery.

There were 324 bodies interred in Mt. Pleasant Cemetery during 1952.

Following are the amounts received by the Board of Cemetery Commissioners:

Sale of Lots and Graves	$ 9,959.00
Annual Care	2,119.50
Foundations	1,533.41
Opening Graves	6,835.00
Miscellaneous	2,288.00
Perpetual Care	12,355.00
Income from Funds	8,240.92

Commissioners

Report of the Planning Board

The Planning Board submits herewith its report for the year ending December 31, 1952.

At the town election of March, 1952, Mr. William R. Dunn and Mr. Hallam T. Ring were elected for three-year terms. The Board organized, and Mr. John O. Parker was elected Chairman, and Harvey C. Abbott was elected Secretary of the Board on March 10, 1952.

Mr. Herbert M. Dutcher, upon completion of his current term in March, 1952, retired from the Board, after having served continuously as a member of the Board from March, 1923 to March of 1952. His long creditable service to the Board and to the town was recognized by an appropriate resolution which was adopted unanimously by the annual Town Meeting.

The Planning Board continued its representation on the Advanced Programing and Budgeting Committee, and Mr. Ring was the Planning Board representative on this Committee.

The Board continued to cooperate and confer with the Joint Board of Selectmen and Public Works concerning proposed street changes at Arlington Center.

The Board continued studies as to potential sites for off-street parking, particularly in the Arlington Heights area, conferred on several occasions with the Board of Selectmen concerning this matter and made definite recommendations to the Selectmen in connection with its studies.

The Board also conferred with representatives of the School Department in connection with potential new school sites for the town.

The Board has been consulted in regard to miscellaneous matters of a local or neighborhood nature and has met on several occasions with representatives of business and light industry concerning potential development in the Town.

The Board has met on several occasions with the Chief of Police of the Town in regard to planning matters.

The Board is currently having studies made by a professional planning consultant in regard to the best land uses for certain areas and neighborhoods in the Town.

The Board has furnished information to and cooperated with engineers of the Metropolitan Transit Authority in connection with extensive studies now being made by that Authority concerning the Town.

The Board again considered proposed restrictive legislation as to land use on the Concord Turnpike, and re-affirmed the position taken by the Town Meeting at the annual meeting that the zoning power should be retained by the Town Meeting and not delegated to the Legislature.

The Board remains a member of the State Federation of Planning Boards, and has maintained its contact with the State Planning Board.

Regular meetings of the Board have been held throughout the year.

The Planning Board wishes to express its appreciation to all of the other Town Board and Department Heads who have rendered assistance to it during the year.

Respectfully submitted,

JOHN O. PARKER
HARVEY C. ABBOTT
JOHN B. BYRNES, JR.
HALLAM T. RING
WILLIAM R. DUNN

Annual Report of the Park Commission

The Board of Park Commissioners herewith submits its annual report for the year ending December 31, 1952.

At the Annual Town Election held on Monday, March 3, 1952, Edward D. Buckley was re-elected a member of the Board for a term of three years. Regular meetings were held on Monday evenings at the Park Department office in the Town Hall.

Pursuant to the action of our Town Meeting, under Article #50 of the Warrant for our 1952 Annual Town Meeting, about three and one-half acres of land located adjacent to the Bishop School were taken by eminent domain on September 29, 1952 for the purpose of a playground or recreation center. Pending its final development since new grades for the area must be established, this parcel of land was seeded this fall so that it can be used as a play area next spring.

Permission was received from the Board of Selectmen to use a portion of Town owned land at Pheasant Avenue for a small children's play area. About one acre was graded and seeded this fall and, with the installation of playground equipment next spring, a much needed children's area in a fast growing section of town will be available.

Asphalt surfaced multi-use areas were installed at Medford and Robbins Playgrounds. These areas offer a suitable surface for basketball and other court games, in addition to a sprinkler system during hot weather and ice skating in the winter. The wading pool at North Union Playground was also resurfaced.

A small children's area was established adjacent to the picnic area at Menotomy Rocks Park affording the residents in the vicinity of the Park playground facilities reasonably close to their homes. The children's area at Robbins Playground was relocated in the recently developed lower portion of the playground.

Work continued on Summer Playground with sufficient fill received from street construction to loam and seed about two acres of the undeveloped part of this playground so that a children's area can be established next spring .

In accordance with a directive received from the Department of Public Safety, Commonwealth of Massachusetts, one-third of the foot and seat boards in the Wayne grandstand adjacent to the railroad at Warren A. Pierce Field were replaced and the entire wooded portion of all grandstands in this area was given two coats of paint.

A new baseball diamond was constructed at Thorndike Playground with new chain link backstops erected at this area and at Summer Street.

Playground equipment at Crosby Playground was relocated and new equipment added to prevent the playing of baseball which had been prohibited for this area. The new layout proves attractive as indicated by the increased use of equipment.

Large ice skating areas were daily attended in season at Meadowbrook and Menotomy Rocks Park. Evening skating under floodlights continued to be available at both areas and proves most popular. Small areas for ice skating were maintained for the younger children on the asphalt surfaces at Robbins, Medford and North Union Playgrounds.

Additional playground equipment and park benches were installed during the year in many areas. Trees were planted at Medford, Linwood and Robbins Playgrounds. These include white pines, hawthornes and silver maples. Flower plots were maintained with seasonal flowers throughout the Town.

All areas were maintained as required in season with special emphasis placed on the preparation of areas to be used during particular periods by the many groups and organizations of the community. Special preparation for daily athletic activity by the many baseball and softball leagues during the spring and summer months has become a major factor in our maintenance of outdoor facilities. Organizations staging special events especially at Warren A. Pierce Field have received the full cooperation and assistance of this Board in the preparation of plans and in the installation of special facilities for their events.

Precinct boxes throughout the town were maintained by the department for the Board of Selectmen. In addition six new precinct boxes were constructed and erected for the new subprecincts. Also constructed were the indoor voting facilities necessary for the establishment of these subprecincts in the Brackett School. The Honor Roll located at Monument Park in Arlington Centre was also maintained by the department through year.

The facilities of the Park Department at 33 Ryder Street were made available for the administration of Civil Defense and for the establishment of a radio control centre. This building was used throughout the year as a place of meeting for the various phases in the Civil Defense program.

It is especially interesting to note the increasing popularity of Menotomy Rocks Park as a picnic area for both adults and children. In a period of six weeks from May 15th through June 30th, the picnic area was reserved almost daily.

Our Summer Playground Program was again conducted on sixteen playground areas for an eight week period beginning June 30, 1952. Programs were established for the first time at Menotomy Rocks Park, the Locke and Bishop schools. These areas will be continued in the summer of 1953.

A total of 1,363 children registered on the playgrounds during the

first week of the program with a total playground attendance of 49,269. Four days were lost during this period because of inclement or very warm weather.

Our program offered a variety of games, sports, crafts, trips, picnics and special events. Highlight of the season was again our Annual Children's Parade and Festival held on August 20, 1952. Approximately three thousand adults and children were in attendance at Warren A. Pierce Field for the field events following a most colorful parade of the children, with costume and playground floats from Robbins Library. Prizes, candy and ice cream were distributed to the children.

A new feature of our program this year was our first weenie roast for all playgrounds at the picnic area in Menotomy Rocks Park. Over 1,000 adults and children were present for hot dogs and tonic, following a community sing fest and amateur show.

Reservor Beach was opened for supervised bathing on June 15, 1952 and, weather permitting, was open daily through Labor Day. Swimming instruction was offered daily by our lifeguards and special classes were arranged for groups of Cub Scouts and Girl Scouts.

Other activities conducted by the department during the year included playground baseball leagues, a softball league, two bowling leagues, basketball leagues, Little League, badminton, golf and indoor swimming instruction.

In conclusion, may we express our grateful appreciation for the continued support by the many individuals, merchants and organizations in providing the children of Arlington with awards, prizes and refreshments in connection with our recreation program.

We also wish to acknowledge the fine cooperation of other Town Boards, department heads and their employees. To those in our employ either on a full or part time basis during the past year, we express our sincere thanks for their loyalty, and conscientious effort.

Respectfully submitted,

EDWARD D. BUCKLEY
EVERETT J. HENDERSON
FRANKLIN W. HURD, Chairman

Annual Report of the Personnel Board

January 12, 1953

Honorable Board of Selectmen
Robbins Memoiral Town Hall
Arlington, Massachusetts

Gentlemen:

The Personnel Board herewith presents to the citizens of Arlington its annual report for the year ending December 31, 1952.

The membership of the Board which was reorganized in May 1952, is as follows:

M. Norcross Stratton, Chairman, Arthur J. Mansfield and Warren E. O'Leary.

M. Norcross Stratton was reappointed for a one year term May 1, 1952.

Arthur J. Mansfield was reappointed for three years May 1, 1952.

Warren E. O'Leary was nominated by the Town employees for a three year term May 1, 1952, to succeed James J. Flynn.

Mr. Flynn had served conscientiously and faithfully for three years giving of his time and energy to the many problems presented to the Board.

The Executive Secretary served as a provisional appointee of the Board until, as a result of a competitive Civil Service examination, A. Lee Morris was permanently appointed April 30, 1952.

The study of vacation leave, sick leave and lunch periods as practiced in various town departments has continued. The Personnel Board will present an article for consideration at the Town Meeting which will, if accepted, bring about a more equitable and uniform method of administering these matters.

It should be noted that the Cost of Living Index has resulted in two salary adjustments of approximately 3% for all Town employees.

Under the plan the index figure of 167.1 was established as the base in July 1951; a rise to 172.1 resulted in the first increase. On July 31, 1952 the index figure was 177.1 which resulted in the second increase.

A $208.00 permanent salary increase was voted to all classified full-time Town employees at the 1952 Town Meeting.

On January 1, 1953 the index figure was 176.8.

No classification plan can ever be static. Changes in duties, increased responsibility and changes in classifications mean adjustments. When such adjustments become necessary, other grades must be adjusted also if the plan is to be equitable. Those factors mean contin-

uous study and re-evaluation of the schedules which have, in the opinion of the Board, justified the additional changes presented in this year's warrant.

Consideration of salary adjustments is by no means the only function of your Personnel Board. The following activities are listed for your interest.

Approximately 500 Civil Service cases processed.

Innumerable communications from Department Heads and individuals received and acted upon.

Compilations of salaries and wages paid in other communities.

Compilations of job analyses for all payroll jobs in Arlington have been made.

Conferences with the Director of Civil Service 3; Labor Division 13; Certification Division 38; and Classification Division 45.

The Board has held twenty meetings and has had hearings with eighteen individuals, eleven committees and three boards this year. The Executive Secretary has had numerous conferences with Department Heads and employees on matters pertaining to Civil Service and on the operation of the Classification and Pay Plan.

For your interest there are at present 528 full-time, 17 part-time, 35 temporary, and 11 seasonal temporary employees in Arlington. These figures do not include school teachers or elected officials.

The Board appreciates the continued cooperation and assistance given by officials, boards, the Town Counsel and employees in our effort to fairly administer its duties and responsibilities.

Respectfully submitted,

WARREN E. O'LEARY
ARTHUR J. MANSFIELD
M. NORCROSS STRATTON, Chairman

Annual Report of the School Department

REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1952

To the Citizens of Arlington:

The inflationary forces in the United States, prevalent since the end of World War II, continued to reflect increased costs of equipment, supplies and labor in the School budget for the past year. Most serious thought has been given to this matter by your Committee. Economies have been made wherever possible, commensurate with good management, but not so as to endanger the educational opportunities or to jeopardize the high professional standards our citizens expect of our School System.

The increase in elementary population, as more fully expressed in the report of the Superintendent of Schools, will provoke problems in Buildings and Plant in the immediate future years.

In accordance with our Modernization Program, during this year the second floor of Crosby School was remodeled. This included installation of tile floors, acoustical ceilings, restful wall colors and adequate fluorescent lighting. In 1953 the remainder of Crosby is expected to be completed, followed by the Locke and Cutter Schools.

Our lighting program provides for approximately 25 foot candles in the classrooms to replace hazardous conditions where as low as 5 foot candles existed. A positive step to better sight through better light.

An important change will take place in 1953 with the advent of the Town Manager Form of Government whereby the future maintenance of School buildings will be removed from the jurisdiction of the School Committee and placed by law under the Town Manager. It is our sincere hope that the Modernization Program, now over 50% completed, will be continued by the incoming Town Manager as a necessary investment in the health of the pupils and a preventive of obsolescence in school facilities. It would be false economy otherwise.

During the year the following teachers, having reached retirement, age, after long devotion to duty were retired:

Mildred Emerson, Teacher of Music, Jr. High West, 1926-1952 in Arlington

Dorothy Evans, Teacher of Music, Jr. High East, 1934-1952 in Arlington

Agnes Sweeney, Teacher at Jr. High West, 1942-1952 in Arlington

The following resignations from the staff were reluctantly accepted:

Barbara Farnum, Teacher at Bishop School
Betty Jane Jalley, Teacher at Crosby School
Carolyn Livingston, Teacher at Cutter School
Joyce Tyler, Teacher at Hardy School
Jacqueline Miller, Teacher at Parmenter School
Norma Hartman, Teacher at Russell School
Alice Vartabedian, Teacher at Jr. High School West
Ann Horrigan, Teacher at Senior High School

At the close of the year the Department lost a faithful and conscientious worker in the sudden passing of Michael Reddan, senior custodian at the High School. Mr. Reddan served the Department for thirty-four years.

It should be noted that certain items in the School Budget are in part reimbursed by the State although such reimbursements do not reflect as credits in the School Budget but rather become General Funds of the Town.

The following schedule reflects receipt of funds from the Commonwealth of Massachusetts:

Item	Receipts for 1952	Estimated Receipts for 1953
State Aid of Public Schools	$168,882.	$171,416.
Arlington Vocational School	13,500.	22,725.
Arlington Evening Trade School	460.	1,581.
Arlington Evening Practical Arts	2,577.	4,808.
Vocational Tuition	1,672.	1,950.
Americanization Program	232.	328.
Tuition & Transportation — State Wards	6,508.	5,243.
School Construction Claims for State Aid	43,648.	43,648.
	237,479.	$251,699.

Respectfully submitted,

(Signed) JOHN H. ALLISON,
Chairman

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS FOR THE YEAR 1952

To the School Committee of Arlington

Ladies and Gentlemen:

It is my privilege to submit for your consideration the following report of the schools for the year 1952. I am including in my report excerpts from the annual reports submitted to me by various principals, supervisors and committees.

REPORT TO COMMITTEE ON ADVANCED PROGRAMMING AND BUDGETING

Each year the School Committee has reported to the Committee on Advanced Programming and Budgeting its estimated future capital expenditures over a six year period. By enlarging on this report the townspeople will be informed as to our future school housing needs. The report of the School Committee is based on our enrollment figures and on the growth of housing throughout the town. We have been anticipating an increase in enrollment in the lower grades of the elementary schools for several years and this increase has become evident this year.

	High School (Including Vocational School)	Jr. Highs	Elementary (grades 1-6)	Kindergarten	Total
1951	1310	1231	2880	621	6042
1952	1272	1234	2969	751	6226

In 1953 the report calls for the construction of a replacement of the present eighty year old Russell building. The plan also calls for the erection of a four room addition to the Bishop School. The tremendous growth in the Bishop area has filled the school beyond its capacity. The school library is now being used for a classroom and at least one, if not two, classrooms must be maintained in the assembly hall by next September.

Although the Six Year Program does not call for the erection of a school in the upper Ridge Street area until 1955, it is evident from the tremendous housing growth that serious consideration must be given immediately to the construction of a building situated somewhere between the Ridge-Winchester Street area and the present Pheasant Avenue property. In view of the fact that the Pheasant Avenue lot is still owned by the Town, it may be desirable to construct a building there, although this area is slightly off center in comparing the distances between the Cutter, Peirce and Bishop Schools.

Growth in the Appleton Street area has extended to the point where both the Locke and Brackett Schools are filled to capacity. It is the intention of the School Committee to take some land adjacent

to the Florence Avenue playground to provide for the erection of a modern elementary school on that site. This actually is needed in 1953, but should be a must in 1954.

In 1954 the Program calls for an extensive study of the Senior High School plant with the view of constructing a substantial addition by 1956 or 1957. The lot line must be extended by land-takings before that time. Additions to the Parmenter, Crosby and Junior High School West are included in the plans for 1954.

In 1955 it is apparent that an addition will have to be made to the Junior High School East. Consideration has also been given to an additional Junior High School building by 1958 or 1959 in the upper Ridge Street area.

DIVISION OF PUPIL PERSONNEL SERVICES

The Division of Pupil Personnel Services is concerned with—

1. Educational and Vocational Guidance of each pupil including post school planning and job placement. This is centered largely in the High School.
2. Group guidance with pupils in the Junior High Schools.
3. Study and therapy with pupils from Kindergarten through Grade Twelve who fail to make satisfactory academic and social adjustments, or who may be emotional problems.
4. Psychological testing throughout the school system.
5. Chronic school attendance problems.
6. Handicapped and special class pupils.
7. Homebound pupils who may profit from a visiting teacher.
8. Remedial work throughout the Elementary grades.
9. Mental Health and human relations instruction in Elementary and Junior High Schools.
10. Pupil Accounting (census) as required by State Law.

The work carried on by the High School Guidance Department has been described in previous Annual Reports. However, it is constantly necessary to evaluate the counseling which takes place in order to make certain that the results of the guidance work is effective. One of the most satisfactory procedures for evaluating this work is through follow-up studies in terms of how these pupils adjust to school and employment after they graduate from High School. For this reason a one year and a six year follow-up is made of each graduating class.

Of the graduates of the Class of 1952, 51% continued their education in colleges or other schools and 44% went to work. Approximately 5% enlisted in the Armed Forces. It is significant to note that a good proportion of those who are working are also engaged in part-time formal education. About 2 out of every 10 pupils in the business course have gone on to business colleges and about 1 out of every 10 pupils in the college course has gone into employment.

Although it might be regarded as questionable guidance to have

pupils from the college course going into employment, actually these situations arise from changes in family situations and plans, or changes in the vocational objectives of the pupils. In any event, the proportion of such cases is small.

About 19% of the class graduated from the general course and of this group a little more than half went into such employment as stock clerks, shipping clerks, office messengers, and semi-skilled industrial employment. More than a quarter of the general course group are now attending technical, business and preparatory schools. A little less than a quarter of the group enlisted in the Armed Forces. From what has been revealed so far on this one year follow-up, it is our feeling that this general course group so far has made a satisfactory adjustment and that the proportion of graduates in this group who are still floundering around is very small. But, we also feel that the course content in this curriculum should be constantly re-examined in order to present as interesting and useful material for such pupils as can be provided.

An analysis of the progress in school of this class of 1952 reveals that

38% began with the college course in Junior High School and continued with it through graduation.

36% began with the business course in Junior High School and continued with it through graduation.

6% began with the general course in Junior High School and continued with it through graduation.

This indicates that eight out of every ten pupils in this class made their course selections in Junior High School on the basis of the counseling, testing, and parent conferences and followed through on these courses to graduation.

The guidance efforts were not as successful with:

7% who were unable or unwilling to do the work of the college course and changed to the business or general courses.

4% who were unable to do the work of the business course and changed to the general course.

9% who made changes to and from the several curricula because of changes in their vocational or educational goals.

The reasons for pupil failure in school subjects is a constant source of concern to the Administration and the Guidance Department. Absence from school and tardiness are very closely associated with subject failure. The importance of good school attendance is also recognized by industry for it is the first and most common question among prospective employers of our High School graduates. Another common reason for subject failure is lack of interest in the particular subject; the least common reason is lack of ability. One of the major functions of counseling is to keep pupils from getting in "over their heads", but this occasionally does happen because of pupil or parental insistance that, despite all the evidence against it, the pupil be allowed to try a particular course or subject.

About 80% of the graduates of the Class of 1952 were placed on jobs by the High School Guidance Department. A follow-up with these employers has just been completed to determine how well our graduates are doing and to find out from employers in what way our training program can be improved. A number of excellent suggestions were made and these were turned over to the High School administration. Some of the general comments were so flattering we have taken to liberty to include them in this report. The original letters are on file in the Guidance Office and are available for inspection.

American Mutual Liability Insurance Company—For many years we have had a number of fine girls from the Arlington High School and we would like to have a great many more.
Boston Herald—We were interested in your annual survey and believe you are to be congratulated on having such an active Guidance Department.

Cambridge Savings Bank—We appreciate your interest in following the careers of your alumni.

Christian Science Publishing Society—We appreciate the fine training Mr. K. received in the Arlington High School which shows in his application to his work and in his cooperative attitude.

Dewey and Almy Chemical Company—You must be aware that I have always enjoyed my association with your Guidance Department and our repeated requests for its assistance in our recruiting only emphasize the point. I would like to take this opportunity to thank you for the help which you have given us in the past.

Federal Reserve Bank of Boston—Our experience with Arlington Graduates has always been very good and I can offer no suggestions for improving the excellent services we have had from your Guidance Department.

First National Bank of Boston—We are very pleased to have R. on our staff and if you have any others like him we shall be very glad to discuss employment opportunities with them.
Frost Insecticide Company—The girls we have been getting from the Arlington High Schcol, over a long period of time, have been of very high type.

General Electric Compny of Lynn—I know of no other school that follows through in such a fine way as does Arlington. Based on your survey and your follow-up of each of your graduates who are in industry, I, too, can only feel that you should be very helpful not only to the student but to industry as well. I hope that other schools will follow in your footsteps.

John Hancock Mutual Life Insurance Company—We have found that your graduates have worked out very satisfactorily in our organization. Certainly you have done a fine job in evaluating the students for placement in the John Hancock.

Harvard University—Briefly, Harvard's experience has been that the training is good. We only wish that you produced a greater quantity of your product.

Hathaway Bakeries, Inc.—Both girls have worked out very well. Thanks again for your usual fine cooperation in getting us valuable employees.

Massachusetts Institute of Technology—Miss R. is considered to be outstanding. We would be more than happy if you could send us more girls of her calibre. In at least one department, whenever there is a need for someone, they always ask that we check with Arlington High before calling other schools.

Negea Service Corporation—It is our opinion that the girls obtained through Arlington High are very desirable.

New England Telephone and Telegraph Company—We find Arlington one of the most cooperative schools with which to deal.

O'Brien Russell Company—If you turn out pupils like this one, we do not think you could improve your services to anyone.

Polaroid Corporation—We feel that your sincere interest in attempting to help your pupils in every way is a worthy service.

John H. Pray and Sons—We find the technical and scholastic achievements of your students to be excellent and it has been a pleasure working with them.

Recording and Statistical Corporation—I would also like to say that of all the high schools which have given us employees, the Arlington High School is the only one with enough interest and acumen to follow-up with a survey of its training and placement results.
United States Trucking Corporation—Miss M. is a credit to the training program of Arlington High School. Your interest in, and concern for your pupils is worthy of commendation and we are glad of the opportunity to endorse heartily your program of guidance.

The results of the six year follow-up made with the graduating class of 1946 revealed that more than one quarter of the boys continued their education beyond the level they had anticipated because of the availability of the G.I. Bill. Where 42% had gone into higher education in 1946-47, 54% of the class are now graduates from colleges or technical schools. About 45% of the boys in this class served in the Armed Forces. Space does not permit the listing of occupations in which members of the class are now engaged, but the range covers highly skilled professional workers to factory and unskilled labor with a predominance of office and business positions. This would seem to justify the prominent position given the business curriculum in the High School course of studies. The large number of graduates engaged in mechanical and trade work indicates the importance of the Voca-

tional School in the training of Arlington pupils for their future occupations.

Throughout the year the Guidance Department has continued to conduct series of vocational conferences for different groups of High School pupils. During the present school year the following topics have been covered:

Your High School Record - Does It Count?
Preparation for College
Employment Opportunities for Arlington Graduates
Careers for Men and Women in Chemistry and Physics
Careers in Music and Allied Fields
Techniques of Job-Seeking

With the appointment of a Reading Consultant this year for the Elementary Schools some significant changes have been made in the reading program. During the past fall reading readiness tests were given to all first grade pupils. It is generally recognized by reading experts that one major cause of failure in beginning reading is the introduction of the child to a formal program of reading instruction before he is sufficiently matured in the functions that are essential to his success in reading. These tests provided the first grade teacher with evidence of the range of maturity of her pupils and indicated their particular learning problems. If we are to insure greater success with our pupils in reading, more emphasis must be given to reading readiness. Through our Reading Consultant, facilities are now available whereby pupils with reading difficulties may be examined individually, and diagnoses and appropriate remedial suggestions are made to the teachers. A follow-up of these cases is maintained by the Reading Consultant.

Plans are now underway to have a systematic testing of reading each fall at the opening of school for each grade. This type of testing would aid in determining the range of individual differences within each grade and would enable the teacher to instruct each child on the basis of his or her needs and capacities. In this way each teacher would know on what level of achievement to begin her work regardless of the actual grade in which the student was enrolled. This procedure should aid considerably in alleviating a number of the type of reading problems we are meeting in our schools now.

Home instruction has been provided for 27 children who were handicapped for a period of two months or more during the past calendar year so that they would not fall behind in their school work. During this same period there were 269 home visits made for interviews with parents of children who were having difficulty making satisfactory adjustments in school. A number of these involved school attendance problems.

An important innovation in the Pupil Personnel Services program has been the human relations or mental health units conducted for all pupils in the Junior High Schools one period each week and in the 4th, 5th and 6th grades in the Elementary Schools. It is hoped that next year we shall be able to bring our mental health program into the

3rd, 2nd and 1st grades. This is a partial solution to the following problem presented by these statistics which the New York Committee on Mental Hygiene compiled. "Out of every hundred school children in the United States, failure to reach emotional maturity will blight the lives of thirteen; eight will be shattered by emotional breakdowns; four will end up in mental hospitals; one will turn to crime."

Every attempt is made to discover pupils who present symptoms of emotional disturbances and where it seems feasible therapy is attempted by the staff of the Division with permission of parents. In extreme cases referrals are made to appropriate agencies. An arrangement has been made whereby assistance is obtained from the psychiatric staff of the Metropolitan State Hospital with pupils who receive therapy in the schools. Although this procedure is not too satisfactory, it serves a very important function until such time as more comprehensive psychiatric services may be made available to our children.

SUMMER INSTITUTE

For experimental purposes the emphasis of the Institute during the summer of 1952 was changed from purely creative activities to motivation of reading. A workshop for training of five of our teachers in remedial reading techniques was set up and provided for the opportunity to assist thirty-five selected Elementary School pupils who needed help. A project with one of the Little League teams in reading motivation was also undertaken as part of this program. A group of boys, by making use of books and library facilities, constructed weather predicting instruments under the supervision of a Massachusetts Institute of Technology professor. The Theatre Group did some research in dramatic production and presented a series of one act plays at a public performance. A Nature Study Group made a series of field trips in their study of insects, animals and plants, as well as making use of available literature at the age level of the group. Crafts, which attracted the largest group, experimented with techniques of having pupils read up on the projects which they were interested in constructing, and on reporting upon them to the group.

A preliminary survey with those enrolled in the Summer Institute has revealed that there is some definite carry-over with Elementary School pupils in the motivation of reading when it can be stimulated by their particular interests. It is hoped that this experiment may be continued along these same lines because of the important implications which may be revealed in the motivation of reading. Already the program of this Institute has received national recognition from reading specialists and educators.

THE SENIOR HIGH SCHOOL

The school plant has been improved in each of the past few years. Redecorating, fluorescent lighting and surfacing the parking area are in progress with part being done each year. The redecorating is nearly completed throughout the school. It has improved morale and given the pupils pride in their school. We feel that the townspeople can now be proud of the appearance of our forty year old school, even though

some of its facilities are inadequate for a modern school program. The fluorescent lighting helps immeasurably. We feel that there is a correlation between the paving of the parking area and the decrease in the number of windows broken by stones at night as well as improving the cleanliness of the building.

The Vocational High School added a teacher and requested another room half-time. Its classes now use three shops and four classrooms full time and another room on alternate weeks. Their current enrollment is 124. They used three classrooms on the first floor of the new building where all the other rooms are needed by the Home Economics Department. Their shops and one classroom are on the basement level. The fifth classroom is on the second floor. Their time schedule differs from the regular High School and difficulties arise when the two schools use adjoining rooms. A temporary solution could be made by taking over the space now used by the Maintenance Department. This would not solve the problems caused by the present location of the machine shop and the dispersed location of the various units. The permanent solution is to have a separate building for Vocational High School.

Each year we try to improve the curriculum, both by change in subjects which we offer and in the content of the subjects, to better serve our pupils and the society which supports the school. There are valuable subjects which we might add, but subjects required to meet pupils' objectives leave little time for them. About thirty per cent of our pupils enter four-year degree-granting colleges. Four or five of the subjects that they take each year are established by college requirements. Forty percent of our pupils choose vocational training for commercial work. The knowledge required to make them vocationally competent determines most of their subjects. Many of them prefer to repeat skill subjects, or to add commercial work instead of work of more cultural or homemaking emphasis. The Guidance Counsellors try to help pupils to choose programs best suited to their needs as individuals, but a free choice of subjects is restricted, except in the general course.

Courses accordingly compete with each other for enrollment. Changes occur for causes beyond mere decrease in school population. Home Management has dropped to one division although it is planned specifically to prepare girls for the home life that will come to most of them. The enrollment in foreign languages steadily decreases as colleges allow other subjects as substitutes for their former language requirements. Music Harmony and Appreciation did not enroll enough pupils to justify its continuance this year, but we hope that it will increase for next year. Salesmanship and Consumer Education, which seems to be well taught and to have many direct contacts with the community, still enrolls only enough for one division and its pupils come almost entirely from the general course. We would like to offer a third year of Foods but there is insufficient enrollment.

Last year we arranged a series of assemblies for all boys of draft age as preparation for military service, and taught a special unit in our social studies classes to give them the background of our present international situation with special reference to its effects on their

individual lives in the near future. We seem to be pioneering in such work in this area. We now hope to improve the program by combining the assembly approach with some small group instruction given by men teachers who have had military experience.

Driver Education and Training is divided into two distinct parts—classroom instruction called Driver Education and behind-the-wheel practice called Driver Training. All eleventh and twelfth grade pupils are urged to take the classroom work. It requires about 25 class periods. It is offered during the winter term when driving conditions are bad. Pupils who complete the course and earn a grade of 80% or higher on an examination approved by the Registry are excused for a year from the mental part of their examination for an operator's license. This year 225 pupils started the work; 207 passed with grades of 80% or higher. Driver Education is a prerequisite for Driver Training. Pupils are taken in groups of three every period for Driver Training. About 30 periods of 45 minutes are needed to train a group of three for their operator's examination. This year one teacher gave full time to the program so that he had six groups of three as classes every day. In addition two teachers alternated in teaching after two-thirty, taking a group of three for two hours every other day. They instructed 128 pupils of whom 122 received licenses. 98 were taught during the school day; 30 in the afternoons. The Registry Inspector said that 75 is considered a good number for a school to train in one year with one car. The program is much more concerned with creating attitudes of responsibility and safety among our young drivers than in merely training pupils to drive. The Registry of Motor Vehicles is conducting a long-term survey of the number of accidents involving drivers who have had the training in the school program; preliminary results fully justify the costs of the Driver Education Program in comparison with others in their age group.

There are certain broad fields in which one may estimate the success of a large High School in addition to studying the placement of its graduates and we would like to mention three at this time. School absences are carefully checked. It is an ever-present problem. Reports from industry indicate that absenteeism for minor reasons is much more prevalent than a generation ago and we see the same reflected in the school population. Part-time employment affects attendance. A survey shows that about 35% of our pupils are employed an average of about sixteen hours a week. We feel that irregular attendance is a symptom of an undesirable condition and we make every effort to correct it. Our percentage of attendance, though never as high as we want it to be, indicates a very healthy condition.

If a school did not meet the needs and wants of its pupils, there would be a large number of drop-outs. We try to recognize symptoms of conditions that lead to dropping out of school and remedy them before they reach that stage. We follow the careers of the drop-outs later for several years. We recognize that in some cases there is a point of diminishing returns, when under existing conditions it is actually better for a pupil to leave school, but such cases fortunately are rare here. A survey shows that our percentage of drop-outs is very small. We keep no record of the number of pupils who have been dissuaded from plans to leave school, but we know that there are many.

The percentage of pupils who fail to be promoted and the percentage of subject failures are other indications of how well a school is fulfilling its purpose. No failing marks may indicate an absence of standards or challenge to pupils; too many failing marks indicate a condition that needs correction. In the two years of 1937 and 1938 when enrollment was approaching its peak, 18% of the graduating class had taken four years to complete the three-year course; now only about 3% require the additional year. Of the final marks last June only 4% were failures. A study of the average marks which the Class of 1952 received from grades nine through twelve indicates that, of the total marks

9.3% were A's	16.8% were D's
32.2% were B'c	2.6% were F's
39.1% were C's	

This healthy condition is the result of many efforts. Effective counselling by the Guidance Department, adjustment of courses to meet pupil needs and abilities, recognition of individual differences, increased opportunities for extra help through our special period, smaller classes, and decreased teacher load are contributing factors. The progress of our graduates leads us to believe that this reduction in failures has been accomplished without lowering our standards in college preparatory subjects or the preparation of our commercial graduates for the demands of commercial work.

ARLINGTON VOCATIONAL HIGH SCHOOL

In Arlington Vocational High School we are giving training in three trades, Automobile Repairing, Machine Shop work, and Radio and Television Servicing or Electronics. The school is supplying an important part of our overall educational plan by preparing boys, that are unable to go on for higher education, for positions in industry where there is a demand for our graduates. The increased enrollment indicates that the school is accepted by the parents and we are placing all of our graduates in jobs for which they have been trained. Our graduates all receive a High School diploma besides the certificate of trade experience and are active in the High School extra curricular activities such as athletics, band, student council and school paper. A member of the machine shop group is president of the High School senior class and we are represented in the student council.

The Radio and Television Shop is one of the best equipped shops in the state and trains the boys in all phases of electronics. The students build and analyze a five tube AC-DC super heterodyne receiving set and then advance to the servicing of all kinds of receiving sets and the construction of transmitting sets. Training is given in the construction of television sets and the servicing and maintenance of them. A television set was built on a display board and exhibited at the American Vocational Association Convention. This piece of apparatus is being used as a teaching aid with the senior boys in Television. The department operates an amateur transmitting and receiving set on short wave length. The graduates have all been placed with service men and laboratories in and around Arlington.

The Automobile Shop is one of the largest in the State with 7200 square feet of floor area and has ample room for 20 cars. The equipment in use is complete and of the latest type. Students are trained in modern methods of lubrication, motor tune-up, brake service, engine reconditioning, electrical and cooling system service, repairing of clutches, transmissions and differentials. The students have set up eight engines on stands and four chassis with engines, which are being used by the Sophomores for instruction. Graduates from this department are constantly in demand by the local automotive service stations and garages, with starting salaries that are above average. An additional room in the High School is being used for classes in automobile related work.

The Machine Shop is equipped with modern machine tools and the boys receive training on engine lathes, bench lathes, drill presses, milling machine shapers and precision grinders. Many projects are carried through from the steel bar or rough casting to the finished product including heat treating. Ten machines and an electric welder have been added to the Machine Shop during the year. Eight of these machines were procured from the State Department of Education with no cost to the town except for transportation. These machines are being completely overhauled and new parts are being made by the students as part of their training. Our graduates of this department have all been placed in machine shops at good wages with unlimited opportunities for advancement.

A safety committee has been organized among the students from different departments and periodic checks are made in the shops. We are pleased to report that the Armed Services recognize our training and the boys receive preferential treatment while advancing rapidly to higher ratings .

FROM THE JUNIOR HIGH PRINCIPALS

A teacher's handbook has been introduced to facilitate the teaching of Guidance in grades seven and eight. Already improvement has been felt and the teaching is more effective.

An experiment is being performed at the Junior High East and Junior High West in the teaching of French. The results of this experiment will be available shortly and we hope to use them to improve our French teaching in the Junior High Schools.

Under the direction of Mr. L. Hassler Einzig, Supervisor of Music, a cooperative concert with Lexington was arranged. The combined orchestras of Junior High East, Junior High West and Lexington gave a concert for the students at each of the two Arlington schools and also at Lexington. We feel this stimulated interest in music and we hope this may become an annual affair.

Cooperating with the Civil Defense Authorities, air raid drills have been rehearsed in our schools so that students and teachers can get to appointed shelter areas in a very short time. We feel that our schools are ready for any emergency that should occur.

Each year we invite representatives from the Senior High School and Vocational School to speak to parents of grade nine students who will enter grade ten the following year. Parents are given a resume of courses that their children may pursue at these schools and any questions they have are answered at this time. We feel this custom has been successful and so plan to make it an annual affair.

It should be mentioned here that both schools are being rapidly filled and with the increased numbers entering from grade six and the new homes being built in the town, more space must be made available soon at both buildings.

THE JUNIOR HIGH INDUSTRIAL ARTS SCHOOL

The fact that requests for information concerning this school are constantly being received leads us to use the annual report as the best medium for informing the public about our work. It may be that the great number of citizens attending Adult Education Classes in our building have become cognizant of our work, or that public interest in Special Education is increasing, or that the growing need for such training for boys and girls has focused attention on this school. Regardless of the reason it seems proper that public relations should be expanded.

The Junior High Industrial Arts School is a part of the Public School System of Arlington. It is a Special School meeting the requirements of the State Board of Education for the purpose of individual study, guidance and training of the pupils enrolled therein. The flexible, inventive program of the school requires ingenuity of special methods for teaching atypical boys and girls carried out by a specially trained staff with state certification. Communities which have not included such a school in their system recognize the benefits derived from the training and often request the enrollment of their pupils for a nominal tuition. Parents desire to extend the period of training at their own expense in some cases. Obviously, too many of these pupils cannot be accepted, but several are enrolled thus bringing reimbursement to Arlington.

ELEMENTARY PRINCIPALS' REPORT

The first of two immediate problems at the elementary school level is the acquisition of teachers who meet the standards set by the School Committee. As we may interview only the students in the upper quarter of the graduating classes at the Teachers Colleges, and applicants who have at least one year of successful teaching experience, the field is very limited. The only exceptions to the above rule are graduates of the recognized kindergarten training schools who are in the upper quartile. With the great need for elementary teachers, the problem is becoming acute.

The second of our immediate problems is the lack of classrooms for the added enrollment, as explained earlier in this report. With a substantial increase in kindergarten enrollment and large classes in

the primary grades, this has become a serious situation. Some rooms now in use were never intended to be classrooms.

Carrying on the policy of curriculum evaluation established several years ago, we are revising and preparing a new Teacher's Guide in Arithmetic for kindergarten through grade six. We have been fortunate in securing the services of Mildred B. Stone from the Salem State Teachers College to give a course in the teaching of arithmetic in the Elementary Schools. This was accomplished through the cooperation of Harvard and Boston University. Sixty elementary teachers are taking the course.

The program of better lighting, painting, renovating and re-furnishing the older buildings is a forward step in meeting the educational needs of Arlington.

This department continues to have principals' meetings with the Superintendent on a weekly basis. Department heads, supervisors, textbook and visual aids representatives and specialties having business to conduct with the Elementary Schools are presented at these meetings. The fundamental purpose of these meetings is to coordinate functions of the Elementary Schools.

PHYSICAL EDUCATION

Physical education has changed with the times and today presents a markedly different appearance from that of the past. Today we note an added emphasis on the consideration of individual differences. We should always be cognizant of helping each individual to know and understand his abilities and limitations. By providing varied activities in our program of physical education we allow each individual to find experiences suited to his needs, interests and abilities. We should remember that physical education is a "doing process" rather than a "memorization and recitation process". It is a development of such desirable social traits and sportmanship, loyalty, group cooperation, leadership, pupil participation in purposing, executing and judging. Physical education also offers rich opportunities in developing skills, knowledge and appreciation in recreational activities which may be used in later life.

The Arlington schools were chosen to put on the physical education demonstration for the State Convention. At the Junior High West our pupils gave excellent performances of the regular physical education work, showing the progression of the various activities from grade one through Senior High School. We wish to commend the physical education teachers in the Junior and Senior High Schools and the classroom teachers in the Cutter, Locke and Brackett Schools who conducted the Elementary School part of the program for their superior work. The visiting supervisors and teachers from all over the State were very appreciative of the new ideas they received here in Arlington.

By the appointment of one new teacher in the girls' physical education department and by making a few changes in the assignments of the other teachers all major problems have been solved. Now all

phases of the health and physical education program are covered, and what is more important, taught by teachers best equipped by education and experience to do their particular part, so that the pupils are now receiving the maximum value from the program.

Corrective classes have now been established for girls in the Junior High West, Junior High East and Senior High School. Already progress is noticeable even in the short time since the organization of the classes in September. The corrective program in the Elementary Schools has been going on for many years with changes for the better each year. Last May on the re-examination given by the school physicians there was an improvement in 64% of the postural and foot defects. Even better results are expected this year because of more time granted for these classes and by including kindergarten pupils in the program. Special help is now being given to the poorly co-ordinated pupils. The non-skipper in grade one, the one-way slider in grade two and the upper grade pupils who lack rhythm and sport skills are not happy because they cannot do as well as the rest of the class. Special individual help to these pupils not only results in their better physical development but also aids their mental health. Much needed assistance has been given in the teaching load at the Senior High School. Here an extensive after-school program offers varsity sports, field hockey, basketball, softball and tennis, as well as intramurals, Girls' Athletic Association activities and modern dance. More time is now available for supervisor to help the many new Elementary School teachers in the afternoon session and after school. A workshop has been started in the Hardy School where teachers, new within the past few years in Arlington, can "learn by doing" the various dances, rhythms, stunts and games that they are required to teach in the all-inclusive course of study in our Elementary Schools.

The intramural sports program under faculty guidance has expanded to such an extent today that the goal of "A Sport for Everyone and Everyone in a Sport" is rapidly becoming realized. Intramurals are designed to provide wholesome competition within the school. Opportunities are provided for the pupil to participate in a wide variety of activities which allows each to find action suited to his interests and abilities. All athletic facilities and equipment in the school system used in the required physical education program are also used in the intramural program, making for maximum usage. As a result of our intramural program it is interesting to see how much our pupils are being benefited as they move from Elementary to Junior High School to Senior High School levels. There is always a close relationship between the activities being taught in physical education and the ones played as an intramural sport.

The following sports are offered:

Touch football	Life saving (Junior and Senior High
Soccer	Bowling School boys only)
Basketball	Softball
Track	Badminton-Tennis-Modern Dance (girls only)
Gymnastics	Field Hockey

HEALTH PROGRAM

School health education is a vital part of the whole educational process by which each child in school is guided and helped in his efforts to develop physically and mentally to his fullest possible extent. The achievement of each child toward his own optimum health depends upon some sort of correlation between school health education, parent education and general community-wide health education. In seeking solutions to health problems, particularly those concerned with pupils in school, it is necessary to have close teamwork. On this team will be teachers, parents, doctors, nurses, dentists and other organizations whose activities relate to the welfare of the children.

As an outgrowth of meetings held with our School Health Council, described in the 1951 Annual Report, it was recommended that meetings be held with all grade teachers to discuss health education and procedures for implementing a specific program. This was carried out with teachers in each grade throughout the system, meeting separately.

Today a total functioning school health program consists of three main areas:

1. Health Services:

   That part of the health program which includes all of the measures which might be used in evaluating the health status of the child; i.e., screening and examinations, daily inspection, pupil observation, careful follow-up, corrective classes, nurse-teacher-parent conferences, safety, first aid, cumulative health records, etc.

2. Health Instruction:

   That part of the total health program which is concerned with the organization of learning experiences directed toward the development of favorable health knowledge, habits and attitudes.

3. School Environment:

   That part of the health program dealing with the environment which surrounds children during school hours; i.e., cleanliness, safety of the buildings and grounds, lighting, ventilators, recreation, sanitation, facilities provided for eating lunch, etc.

OUR PROGRAM OF CHILD SAFETY

The safety program for this year has been successful and the result of cooperation between the Superintendent of Schools, the Chief of Police, the Police Safety Division and the Arlington teachers and parents. At the beginning of the school year every school danger zone was marked, every crosswalk was ready for the children. All major crossings were covered by a police officer and every other crossing was protected by a school patrol leader.

Patrol leaders were selected in May for their "In-Service" training. In September and in February a general meeting of all patrol leaders was held for training purposes. Periodical inspection of patrols in action is a very necessary and very immediate part of keeping patrols at a high level of efficiency.

This year at the request of Civil Defense Director, Daniel J. McFadden, we have initiated a program of Civil Defense and have conducted drills in all its procedures.

Another phase of our progam was a meeting of our school authorities with the Fire Chief and his officers. This meeting resulted in a formation of routine procedures for fire drills and a clarification of fire alarm systems. The helpful attitude of Chief Richard Tierney and the cooperation of his Department cannot be overestimated in its value to the safety of our children.

During the month of December, the Safety Officer, Sergeant Philip Sweeney, and the Safety Director visited every school in Town and talked to the children about home and street safety for the holidays. Later in the year, the safety program for our schools was presented to the Arlington Council of P.T.A.'s through an illustrated talk.

One of the primary factors in our work is to make the position of patrol leader a desirable one and a position to be aspired to by younger boys and girls. Through the mutual efforts of Police and School Department and with the aid of the merchants of the Town, a Christmas party, complete with gifts and refreshments and Santa Claus, is given to all the patrol leaders each Christmas. This party is the only one of its kind in the State and it is an occasion which the patrol leaders anticipate throughout the year. Through the courtesy of the High School Athletic Department the patrol leaders have been allowed to attend baseball and football home games by presenting their credentials. At the close of the school year, through the courtesy of the Red Sox baseball team and arranged by Mr. Russell Peterson and supervised by members of the School and Police Department, every patrol leader in Town attended a league ball game at Fenway Park.

The willing cooperation of every person and department has tended to make this safety program of our School Department one of the best programs in the country. The Analysis of Annual Inventory of Traffic Safety Activities, 1951, shows the high percentage of efficiency of our program. Our percentage grade for 1951 was 83. The only reason this grade is not higher is that the survey includes certain factors such as the operation of school buses which our schools have no reason to require. Our percentage of safety coverage has increased steadily since our program began. We feel that we have progressed towards our ultimate goal and our achievement has been noteworthy.

DEPARTMENT OF ADULT EDUCATION

Community interest in Adult Education continues to be exceptionally high; here, as throughout the nation, the trend cannot be mistaken. The people, people beyond high school and college age, are seeking educational opportunities. They look to their own community to provide these opportunities in ever widening fields of interest. According to a recent survey by the National Education Association, enrollments in Adult Education in communities like Arlington are on the increase and at present are 87% over those in 1947.

Our 1951-52 program closed with an Exhibition and Fashion Show at Arlington High School on April 2nd. We used both halls at the High School and there were over 3000 persons who came to see work which had been taught and done in forty-four classes by about nine hundred persons.

Our 1952-53 program began with registration which was held on September 24, 25 and 26 at three centers,—the High School, Industrial Arts and Junior High East. We registered 1046 persons in a program made up as follows:

Business Education	2 classes
Adult Civic Education	2 classes
Distributive Education	1 class
Vocational Extension	6 classes
Practical and Home Arts	41 classes

This is a State-aided program with the exception of the two courses in Business Education, namely Typewriting. The High School, Junior High East and the Industrial Arts are open four evenings a week, Monday through Thursday, for Adult Education and four classes also meet in the morning and afternoon at the Industrial Arts School. Automotive Mechanics, Beginners' English, Blueprint Reading, Citizenship, Cookery, Machine Shop Practice, Sewing, Radio, Starting and Operating a Small Business and Typewriting are taught at the High School. Furniture Refinishing, Lamp Shades, Leather Craft, Millinery, Pottery, Rug Braiding, Rug Hooking, Slip Covers, Tailoring, Textile Painting, Tray Painting and Upholstery are taught at the Industrial Arts School. Home Mechanics, Metal Craft and Sewing are taught at Junior High East. Registration in virtually all of these classes was very heavy, so much so that there were waiting lists in almost all of them. It is worthy of note that for three weeks following registration this office was besieged with inquiries, both by telephone and in writing, from persons who had not been aware of the dates of registration and wanted to enroll in some class. As noted above, 95% of the entire program is State-aided. Therefore, Arlington is reimbursed to the extent of over 50% of the cost of this program. Attendance, a factor which is very significant in a program such as this, has been satisfactory. We closed the 1951-52 season with an over-all attendance of 78%. Attendance in the 1952-53 program (since September) has been over 85%. English for Beginners is taught twice each week at the High School along with a class in Citizenship. These two classes are meant to be of special assistance to the foreign-born living in Arlington. At present, there are thirty-two enrolled and they represent eleven nationalities. Last spring special closing exercises were held at the Robbins Library Hall at which those who had been attending classes in English and Citizenship received recognition for their efforts from the School Committee, the D.A.R. and the American Legion.

MUSIC

The Music Department feels that students taking part in the various musical activities should receive not only sound theoretical instruction but also opportunities of performing before an audience. With this in mind we have tried to maintain a program so that each musical unit will perform before an audience. We hope that this experience will stimulate them to greater efforts.

Two of our musical organizations, composed of 90 students, participated in the Massachusetts State Music Festival on May 3 in Everett. The combined Junior High orchestra received 96 points for an Honor I (Superior) rating in Class D. The Cutter Elementary School Band received 100 points for an Honor I (Superior) rating. The Cutter School Band is the first musical organization ever to have received a perfect score at a Massachusetts State Music Festival. On May 23 the Elementary instrumental classes gave their "Ninth Annual Spring Concert" at the High School. Approximately 225 song flute pupils, 100 pupils studying band instruments, 50 string students, and 9 pupils from the piano classes took part in this concert.

REPORT ON SCHOOL CAFETERIAS

When school opened in September our three school cafeterias showed an increase of student participation in the National School Lunch Program. The pattern for this program is set by the Federal Government and is based on the nutritional requirements of the school child. Children of all ages need three good meals a day. The school meal provides one-third to one-half of a child's nutrition needs for the entire day. Breakfast and dinner are the responsibility of the home. A Type A Lunch which we serve in our cafeterias is a complete meal, and must contain one-half pint of whole milk, two ounces of fresh or processed meat, poultry, fish, cheese or eggs, three-fourths of a cup of vegetables, or fruit, one portion of bread, two teaspoons of butter or fortified margarine. We also include a nourishing dessert. In order to serve this lunch for twenty-five cents per student, we receive assistance from two sources. First, a Federal subsidy of nine cents for each hot meal served. and two cents for each half-pint of milk sold apart from the complete meal.

We also receive valuable assistance from the Government in a monthly distribution of surplus commodities. This year we have had orange juice, cheese, canned vegetables, shell eggs, hams and turkeys. Our second source of financial aid is from the Town appropriation. In addition to our own daily receipts, and the Federal help, we have found it necessary to ask for a Town appropriation in order to follow the School Lunch requirements, and to meet food and labor costs. This is especially true where the school enrollment does not allow a volume of business large enough to cover operational costs. The School Lunch Program has become a part of our educational system and its objective is to safeguard the health and well-being of the school child by offering and encouraging him to eat more nutritious food.

CONCLUSION

In conclusion, may I express to the School Committee, to all fellow workers in the Department and to other officials, my appreciation for your kind help and support.

Respectfully submitted,

CLIFFORD R. HALL,
Superintendent of Schools

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

The highlight of the Robbins Library year of 1952 was the construction of the East Branch. This beautifully appointed building, opened on January 1, 1953, gave the citizens of this section of the town what they themselves wanted and recommended. It is the trustees' understanding that the residents of East Arlington are pleased with the result. Provision for air conditioning will complete the work, if the town meeting appropriates the money for this purpose.

Painting and decorating done at the main library, particularly the Junior Library Hall, and at the Dallin Branch, have done much to make them more attractive. Plans are in the making to improve the lighting in the big reading room at the main library, funds permitting.

Our librarian, Miss Judith Stromdahl, in her report mentions the work done with our school age young people. We are sure that parents of teen agers will appreciate this work which supplements school work. The large volume of recorded music handled demonstrates conclusively that music is a popular department. While these two departments are singled out for comment chiefly because they are relatively new, we have nothing but good to say for the others.

Dr. Llewellyn B. Parsons, trustee, was and is Director of Research for Lever Brothers Company. When their new laboratories were opened in New Jersey last June, he was compelled to resign. At a joint meeting the Board of Selectmen and the remaining library trustees voted to appoint Mr. John B. Fox to Dr. Parsons' place until the next election. Mr. Fox is Assistant Dean of the Harvard Graduate School of Business Administration.

We believe the librarian and her staff are performing a conscientious and efficient service to the community. They and the trustees are always ready to receive any suggestions or constructive criticism offered by our fellow townspeople.

Trustees of the Robbins Library

ROSCOE O. ELLIOTT, *Chairman*

Report of the Librarian for the Year 1952

Using the only tangible criteria available to libraries in evaluating the success or failure of their work, namely figures, the Robbins Library of Arlington can report 1952 as a highly successful year. Gains have been reported in all department with the exception of the East Branch which was closed from August 21 through December 31 for remodeling; increased interest in the Library has been manifest through the success of the many activities carried on by the Library during the year.

There was an increase of 13,516 volumes in the circulation for the system during the year, in spite of the fact that the East Branch circulated many fewer volumes than in 1951. A total of 281,513 books and magazines and 9,875 albums of music were borrowed for home use by the people of Arlington, the largest number since 1941. The following table illustrates this fact.

Table for increase in book circulation from 1942-1952

YEAR	*CIRCULATION*
1942	280,541
1943	217,402
1944	210,335
1945	211,272
1946	212,313
1947	225,292
1948	239,317
1949	255,967
1950	262,357
1951	266,929
1952	281,513

REGISTRATION

Closely allied with the circulation figures are the registration records. In January, in an effort to establish an accurate account of the number of borrowers using the Library, and with the aim of instituting a method of keeping the registration figures as accurate as possible, reregistration of all borrowers was begun. By December 31 almost 10,000 residents of Arlington had been given new cards including 2,226 issued to new borrowers. This reregistration of borrowers will continue in 1953 until all Library users have been issued new library cards.

SERVICE TO YOUNG PEOPLE

One of the most recent services instituted by the Library is the establishment of special reading guidance to young people. Quoting from the report of the Young People's Librarian, "the department's aims are twofold: to supply intelligently and sympathetically, materials needed for execution of school assignments and to supply recrea-

tional reading of such scope and quality as to appeal to the wide range of readers and encourage them to further and better reading. To find a book that is of high quality, that meets requirements and that interests the boy or girl calls for patience, for interest in the individual's reading background and taste, as well as a facility for estimating his reading level. Straight reference work with High School students involves everything from simple questions such as 'What are the colors of the United Nations' flag?' to such taxing requests as material for a thesis to be called 'Will man ever conquer the universe?' During the nine school months of 1952 the number of recorded reference questions from these young people amounted to 1515."

During the year, a special effort was made to purchase material of special interest to young people, including teen-age literature as well as adult books suitable and appealing to them. In cooperation with the Principal and teachers of Junior High East, a course in the use of the Library was given to the ninth grade students of that school during the fall months, and a special project, started last spring by the Young People's Department together with the acting Librarian of the Arlington High School, was continued during the fall season, namely a book reviewing club for students of the High School.

JUNIOR LIBRARY ACTIVITIES

The Children's Librarian reports "the total circulation for the Junior Library for 1952 was 42,952, a gain of 7,961 over last year. Every month except August showed a substantial gain. . . . Perhaps the novelty of television has worn rather thin and children are again turning to books. Some of the new books which are being published are so well written and beautifully illustrated that it is no wonder that children seek them. The number of good biographies is increasing. . . . It is encouraging that there is a return to books."

In addition to working directly with the children, the Junior Library has sent books to the schools for class room and school library use; classes have visited the Library for Library instruction; the Children's Librarian has given book talks to 77 classes; story hours for both the pre-school age group and those of school age have been held; and summer reading activities have been planned and executed, the aim always being to help the child develop through reading.

REFERENCE WORK

In 1952, 7,889 reference questions were answered. According to the Reference Librarian "many new reference books have been added during the year which we feel will help us to give better and broader reference service to the public. . . . Some of the more important ones are as follows: INDEX TO PLAYS IN COLLECTIONS, DIRECTORY OF NEW ENGLAND MANUFACTURERS, 1952, ANNUAL SURVEY OF AMERICAN LAW, STATISTICAL ABSTRACT OF THE U.S. 1951, THOMAS' REGISTER OF MANUFACTURERS, 1952, ESSAY AND GENERAL LITERATURE INDEX, COLUMBIA-LIPPINCOTT GAZETTEER OF THE WORLD, SHAKESPEARE COMPANION, BOOK ABOUT AMERICAN POLITICS, AMERICAN CATHOLIC 'WHO'S

WHO, HARPER'S BIBLE DICTIONARY, PROTESTANT DICTIONARY, CONTEST PICTURE ENCYCLOPEDIA, THE YEARBOOKS FOR THE MOODY'S INVESTOR SERVICE." In all, 103 reference titles and 580 pamphlets for reference use were added to the collection.

SERVICE TO SYMMES ARLINGTON HOSPITAL

Once a week during 1952 with the wholehearted cooperation of the hospital staff, a member of the Robbins Library Staff has visited patients at Symmes Arlington Hospital with her book wagon filled with books and magazines offering those ill or convalescent an opportunity to borrow books. During the year, 2,852 patients were contacted and 4,724 books and periodicals were circulated. These figures represent the best year since the service began ten years ago. The following table will show the growth of this hospital service.

Table for increase in book and periodical circulation per year from 1943-52.

YEAR	*CIRCULATION*
1943	1,587
1944	1,244
1945	969
1946	812
1947	819
1948	924
1949	1,280
1950	711
1951	1,306
1952	4,724

MUSIC

The growth and use of the Record Collection has been gratifying. During the past year 9,875 albums have been circulated; 7,856 of these were LP and the rest were 78. Translated into terms of records, there were 16,611 circulated during the year, 9,384 of them LP. The following tables will show the use of the record collection since the department opened in October, 1951, and the popularity of the various types of records.

Table showing entire album circulation per month from October 1951 through December 1952.

Month	*LP*	*78*	*Both*
Oct.	227	338	565

Dec	957	152	1109

KIND OF MUSIC

Table for entire album circulation in 1952 according to the kind of music.

KIND OF MUSIC	*ALBUM CIRCULATION*	*KIND OF MUSIC*	*ALBUM CIRCULATION*
Language	43	Bolero	9
Dance	124	Concerto	1,156
Opera	726	Chamber	167
Musical	941	Suite	705
Sacred	1,164	Piano	739
Song	373	Harp	71
Orchestra	541	Children	1,207
Symphony	1,589	Poetry	60
Overture	141	Drama	76
		History	43

In addition to records, 791 scores, 239 librettos, 167 pamphlets and 552 pieces of sheet music and 306 periodicals have circulated from the department.

INTER-LIBRARY LOAN

In 1952, 259 books were borrowed from other libraries for the use of Arlington citizens who needed material not included in the Robbins Library collection. This service has been increasing with the years as the following table will show.

Table showing increase in the number of books borrowed on Inter-library loan from 1942-52.

YEAR	*NUMBER OF BOOKS*
1942	60
1943	50
1944	60
1945	57
1946	40
1947	62
1948	71
1949	86
1950	103
1951	195
1952	259

BRANCHES

Both Branches reported a busy, active year. Many new borrowers were registered, activity with the schools increased, story hours were held for the younger boys and girls, and summer reading projects were conducted.

According to the Dallin Branch Librarian, "there has been an upward trend in circulation for several years at the Dallin Branch and 1952 has been the best since 1942. And the Librarian of the East Branch writes, "during the closing days of 1952, East Branch was literally transformed from the 'Ugly Duckling' to the 'Beautiful Swan' of the Robbins Library system. From one small store we are now a beautiful, spacious, modern library. East Branch closed August 21 for the purpose of rebuilding; on December 31 East Branch was again ready to serve the public of East Arlington."

LIBRARY ACTIVITIES OF 1952 IN BRIEF REVIEW

Seven monthly recorded concerts have been held with the cooperation of Mr. John Hasson, Mr. John Bartlett, Mr. Leonard Murasco and Mr. America Chaves.

The Great Books Discussion Group met regularly every other Monday evening from January to June under the leadership of Mr. Klaus Epstein.

A course in Music Appreciation was sponsored by the Library during the month of October with Mr. John Hasson as lecturer.

During Book Week in November, a "get acquainted Tea" for teachers of all Public Schools of Arlington was held in the Junior Library Hall with Mr. Floyd Rinker of Newton as the speaker. Displays of books and other materials useful to teachers in their classroom work were exhibited.

In recognition of the 60th anniversary of the gift of the Robbins Library Building to the Town of Arlington by Mrs. Maria Robbins in memory of her husband Eli, a well attended Open House was held on Sunday afternoon, December 7.

Dcring 1952, the Arlington Advocate from 1871 through 1901, and for the year 1951 was microfilmed. This work will continue until all the newspaper records owned by the Library including the Arlington Advocate, Arlington News, and the Arlington Press have been transferred to this new medium. This change will result in providing valuable shelf space, to say nothing of the convenience to the borrower having occasion to consult the newspaper files.

Two Library groups met in the Robbins Library during the year, one in April when a group of Children's Librarians held a morning meeting to discuss the new Spring Children's books and the other in November when the Robbins Library was host to the Charles River

Library Club comprising Librarians from about 20 surrounding libraries.

Members of the Library Staff attended and took part in a number of Library meetings and also gave talks to many local groups.

For greater efficiency and more accuracy, a time-saving, mechanical charging machine was put into use early in the year in both the Main Library and its Branches.

Much use has been made of the Library Halls by community groups during the past year. 423 meetings were scheduled in the Main and Dallin Branch Auditoriums and conference rooms. This figure does not include the use of the Halls made by the Library for story telling purposes.

NOT TO BE OVERLOOKED

One of the departments with which the Public is usually unfamiliar is the Cataloging Department. As the Head Cataloguer explains it, "the essential objective of any cataloging department is to provide readers with keys to the use of the Library's collection—by the information provided in the card catalog, and by a convenient subject arrangement of books on the shelves. The work of the Cataloger is thus basic to the usefulness of the Library . . . good cataloging involves anticipating what information and arrangement of books will best serve the reader, and requires sound judgment as well as knowledge of cataloging procedures.'

1952 has been a year of reorganization in the Catalog Department. New, and it is hoped, more efficient techniques have been put into practice with the aim of making the catalog more useful to the Library's patrons.

During the past year the Cataloging Department processed 6,818 volumes which were added to the Library collection and withdrew 901 books. Of the titles added, 3074 were new to the Library collection which, at the end of the year included 95,959 volumes.

A WORD OF APPRECIATION

TO

The Arlington newspapers, the Advocate, News and Press which have been generous with their space for Library publicity.

Those citizens and groups of Arlington who have presented the Library with gifts of books, magazines, music and other materials.

The Art Committee of the Arlington Woman's Club for its interest in providing the Library with exhibits of paintings by local artists.

Those residents of Arlington who have loaned exhibits of one kind or another to the Main Library as well as to the Branches.

To the Staff for its support and cooperation in carrying out the Library Program.

A TRIBUTE

An unusually alert group of citizens form the Library Board of Trustees. These citizens are vitally interested in the educational and social welfare of the community; they recognize the importance of books to education, information, recreation and morale. To supply adequate and good library service to the Town is their goal. For their help during 1952 we thank them.

STATISTICAL REPORT

JUDITH E. STROMDAHL

Librarian

Report of the Tree Warden and Superintendent of the Moth and Town House Grounds Department

January 12, 1953

The Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

I herewith submit my report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1952.

During the year 222 trees were planted on new streets that were recently constructed by the Public Works Department and also in various sections of the Town to replace trees that had died or for some other reason had to be removed.

Public Hearings were held on petitions of property owners for the removal of twelve trees for various reasons: all twelve petitions, due to the fact that there were no objections were granted. The Joint Board of Selectmen and Public Works ordered out nineteen trees due to construction of new streets and sidewalks.

A continuation of our program of trimming and raising trees to alleviate obstruction from high delivery trucks and buses traveling along our highways is still in progress. We still continue to get requests each year for trimming and cutting back trees that are growing close to houses and overhanging roofs and porches; so it seems that we must make this a part of our program from year to year. An extensive project of trimming and pruning the trees in the Hillside and Claremont Avenue section of Arlington Heights was undertaken this year with much more to be done before it is completed.

During the course of the year many severe windstorms did serious damage to our trees which required surgical work. The ice storm of December 23rd caused very heavy damage throughout the Town especially in the Heights.

Trees were trimmed and removed for the Cemetery, School and Park Departments at the request of the respective Boards and Department Heads.

The motor equipment of the Department was used by the Public

Works Department during the winter months for snow plowing and snow removal whenever requested by the Superintendent.

GYPSY AND BROWN TAIL MOTH DEPARTMENT

The regular spraying schedule of this department was carried on as usual with an extra dormant spray given to the Elms to combat the Scolytus Beetles which is the carrier of the Dutch Elm Disease. During the year seventeen cases of this disease were found in the Town making a total of thirty-two that has been found to date. Even though this figure is relatively small compared to 16,522 trees that have been afflicted in the state as of August 21, 1952, every precaution must be taken so it will not spread further. At the present writing there is no known cure for the disease outside of removing the trees and burning them up or burying them. Spraying at the proper time and a continuation of our sanitation program will still be adhered to in the future.

The Japanese Beetle continues to be a major problem as it is in every community surrounding us, and we are still making a concentrated effort to control them.

An infestation of Tent Caterpillars was found in the Arlmont Village section this year, the first time we have had any for about eight years. Due to this fact, I look for a heavier invasion in 1953.

All main streets and many side streets were sprayed in the early morning hours because of traffic conditions in the middle of the day.

There were 882 private estates sprayed on request of property owners; who in turn, made a remittance to the Town for the cost of the work.

Menotomy Rocks Park was again sprayed this year by airplane and very favorable results were obtained from it.

TOWN HOUSE GROUNDS

As has been the custom in past years, the personnel of the Tree Warden and Moth Departments maintain the grounds bordering the Town Hall and Robbins House. These men also take care of the lawn and hedges at Police Head Quarters and the grass area adjoining the parking lot on Mystic Street.

The regular maintenance of the grounds and shrubbery was attended to as usual. Replacements of some of the plants had to be made in the Spring because of Winter killing.

The parking area in the rear of the Town Hall which was enlarged a year ago left quite a bit of grading and seeding to be done this year.

Due to the Patriot's Day celebration, which again attracted an enormous crowd of adults and children, the men of the Department

had to rope off the entrance to the Town Hall and police the grounds.

A permanent watchman was again employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays.

The bases of the fountains on the front platform of the Town Hall were planted with flowers again this year and as usual, many favorable comments were received about them.

Snow removal from the front platform of the Hall, the walks through the grounds, also the parking area in the rear of the building and at the Robbins House comes under the jurisdiction of this Department.

In conclusion, I wish to gratefully acknowledge the cooperation given me by the Board of Selectmen and its staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

GEORGE M. DOLAN

Tree Warden and Superintendent of Moth and Town House Grounds Departments

LIST OF JURORS

Revised and approved by the Board of Selectmen, January 5, 1953, in accordance with Section 4, Chapter 234 of the General Laws.
